29786—5

HULETT'S CORPORATION LIMITED

(Incorporated in the Republic of South Africa)

**INTERIM REPORT AND DIVIDEND ANNOUNCEMENT
INCOME TAX ON LAND SALES**

In the interim statement to shareholders on 12 April 1972, it was announced that the Secretary for Inland Revenue had assessed The Natal Estates Limited, a wholly-owned subsidiary of the Hulett's Group, on the surpluses arising from expropriations and the sale of land during the period 1 May 1964 to 30 April 1970. These surpluses amount to approximately R8,1 million and the tax assessed thereon was some R3,1 million.

In the Chairman's Statement dated 12 July 1972, shareholders were advised that the assessments were to be contested in the Courts and that shareholders would be advised of the outcome immediately this was known.

The judgment of the Income Tax Special Court was made available this week and, in brief, is as follows:

(i) The Natal Estates Limited's appeal against an assessment re-opened after the expiration of three years from the date of the assessment, was upheld. This results in a reduction in the taxes assessed of approximately R173 000.

(ii) The Income Tax Special Court rejected The Natal Estates Limited's appeal against assessments on the surplus on land sold in the La Lucia and Umhlanga Rocks coastal areas, including land sold to associated companies in which the Anglo American Group is the major shareholder. The Court also rejected the appeal against an assessment in respect of the sale of a few lots in Ottawa Township. The income tax payable on these surpluses amounts to approximately R2 243 000.

(iii) The appeal against assessments on the surplus on all other land sales during the period, including sales to the Department of Community Development, expropriations and various minor transactions, was upheld. This results in a reduction in the taxes assessed of approximately R706 000.

The Natal Estates Limited intends to lodge an appeal against the judgment upholding the assessments mentioned in (ii) above, on the grounds that land held for many years as a capital asset should not be regarded as a trading asset, when it is disposed of to the best advantage.

As the outcome of our appeal against the judgment of the Income Tax Special Court will not be known for some time, an amount of approximately R2 243 000 will be transferred from Capital Reserve to cover the amount of taxation assessed. The surpluses on land sales have always been regarded as non-distributable accruals and have been held in Capital Reserves. The trading profits of the Group for 1972/73 will therefore not be affected by the additional taxation imposed.

Further, the funds available to the Group are more than sufficient for the payment of normal dividends, after the payment of the additional taxation on the surpluses arising from land sales.

PROSPECTS FOR 1972/73

In the Chairman's address to shareholders at the annual general meeting held on 13 September 1972, it was estimated that the Group's five raw sugar mills in South Africa would manufacture approximately 685 000 tons of sugar in the 1972/73 season and that Hulett's Refineries Limited in Durban would manufacture approximately 408 000 tons of refined sugar. The latest estimates available indicate that raw sugar production will be approximately 683 000 tons despite a lower rainfall than average up to the end of November, in areas supplying our mills. It is anticipated that refined sugar production will exceed 420 000 tons up to the end of March 1973.

It is difficult to forecast accurately the Group's profits for 1972/73 at this stage, but the consolidated profits attributable to the Group will exceed those of last year.

DECLARATION OF INTERIM DIVIDEND

The directors have declared an Interim Dividend of 9 (nine) cents per share on the Ordinary Share Capital of 30 600 000 shares of R1 each (1971 Interim Dividend as 9c per share on the issued share capital of 20 400 000 shares of R1 each).

The dividend is payable to ordinary shareholders registered as such in the books of the Company on 19 January 1973 and will be paid on or about 19 February 1973.

The transfer books and register of ordinary members will be closed from 20 January 1973 to 4 February 1973, both days inclusive.

The dividend is declared in South African currency. Shareholders whose dividends are paid from the office of the United Kingdom, transfer secretaries, will be paid in British currency at the rate of exchange ruling at the close of business on 19 January 1973.

Non-Resident Shareholders' Tax will be deducted from dividends where applicable. By Order of the Board.—B. K. Digby, Group Secretary, Registered office: Huletts Buildings, 213 West Street, Durban, 21 December 1972.
