NOTICE OF EXTRAORDINARY GENERAL MEETING

PROPOSED AMENDMENT TO ARTICLES OF ASSOCIATION.—INCREASE IN BORROWING POWERS

In terms of an ordinary resolution passed at the Twenty-third Annual General Meeting of the Company, held on 20 December 1967, members resolved that the directors may borrow or raise, for the purposes of the Company, and/or all its subsidiaries for the time being (excluding moneys borrowed or raised by any of such companies from any other of such companies and excluding also any moneys received in the ordinary course of business by the Company or any of its subsidiaries on deposit or current account) an amount equal to one and a half times the issued and paid-up share capital for the time being of the Company.

The Company's present issued and paid-up share capital amounts to R11 672 511, consisting of 10 922 511 ordinary shares of R1 each, fully paid, and 375 000 5½ Per Cent Cumulative Preference Shares of R2 each, fully paid. Accordingly, in accordance with the foregoing resolution the borrowing powers of the directors are limited to R17 508 766.

As members are aware, apart from inflationary influences which have given rise to an increase in monetary values generally, since 1967 the operations of the group have expanded considerably and, at 30 June 1972, the group's total assets—based on market values for quoted investments and book values for all other assets—amounted to R78 080 000 whilst share capital and group reserves at that date totalled R43 498 000. These figures compare with amounts of R38 325 000 and R20 372 000 respectively at 30 June 1967.

The afore-said borrowing limit of R17 508 766 is, accordingly, considered to be inadequate in present circumstances and, in fact, the said figure has been exceeded by some R500 000. Your directors accordingly recommend that their borrowing powers be fixed at an amount equivalent to the aggregate of the paid-up share capital of the Company and the group's reserves.

Notice is accordingly hereby given that an extraordinary general meeting of members will be held at 44 Main Street, Johannesburg, at 12 noon on the 30th day of May 1973, for the purpose of considering and, if deemed fit, of passing with or without modification, the following ordinary resolutions:

1. That the action of the directors of the Company in exceeding their borrowing powers is confirmed and ratified.

2. That the amount which is the aggregate principal amount which may in terms of article 59 (b) of the Articles of Association of the Company be at any one time outstanding in respect of moneys borrowed or raised by the directors for the purposes of the Company and/or all the subsidiaries for the time being of the Company (excluding moneys however borrowed or raised by any of such companies from any other of such companies and excluding also any moneys received in the ordinary course of business by the Company or any of its subsidiaries on deposit or current account) is increased from an amount equal to one and a half times the issued and paid-up capital for the time being of the Company to an amount equal to the aggregate of:

(i) the nominal amount of the issued and paid-up share capital for the time being of the Company; and

(ii) the aggregate of the amounts standing to the credit of all capital and revenue reserve accounts (other than reserves created by the writing up of any assets of the Company or of any of its subsidiaries after acquisition thereof by the Company or any provision for taxation) any share premium accounts and the profit and loss accounts as set out in the consolidated balance sheet of the Company and its subsidiaries certified by the Company's auditors and as attached to or forming part of the last accounts of the Company which shall have been drawn up to be laid before the Company in general meeting at the relevant time.

A member entitled to attend and vote at the meeting is entitled to appoint one or more proxies to attend and speak and, on a poll, vote in his stead. A proxy need not be a member of the Company. A form of proxy is enclosed for those members who wish to be represented at the meeting, but who are unable to attend in person. Proxy forms must completed and returned to the registered office of the Company or the transfer office of the London secretaries at least 48 hours before the meeting.

For the purposes of the meeting, the transfer registers and register of members of the Company will be closed from 24 May 1973 to 30 May 1973, both days inclusive. By Order of the Board.—G. Antiglevich, Secretary. Registered office: 15th Floor, Schlesinger Centre, 222 Smit Street, Johannesburg. Transfer offices: South Africa: "Libertas", 62 Marshall Street, Johannesburg.
