PRELIMINARY RESULTS

The results of trading for the 13 month period ended 31 March 1973, are scheduled below, alongside the results for the prior year. These figures are subject to final audit only.

Results:

	13 *months ended* 31 *March* 1973	12 *months ended* 29 *February* 1972
	(R'000s)	(R'000s)
Group profit before tax	4 455	1 397
Deduct tax	1 265	459
Net profits after tax	3 190	938
Less: Outside shareholders in subsidiaries	218	139
Net profit attributable to Associated Furniture Companies Ltd	2 972	799
Deduct: Preference dividends	82	48
Attributable to Afcol Ordinary Shareholders	2 890	751
Number of ranking shares in issue (this excludes Afcol shares held by Furncol) '000s	22 489	17 117
Earnings per ordinary share	12,8 cents	4,4 cents
Final dividend per share now declared	5 cents	—
Making a total dividend per share for the year of	6,5 cents	2 cents

There were improved performances throughout the Group, and it is gratifying, indeed, that the final results exceed the forecast of 9,6c (for a 12 month period), made earlier in the trading year.

Assets changes:

There will be a significant change in the make up of the asset value of the company due to the acquisition of Furncol, the negotiations with Ropes & Mattings regarding the future of Sagov Afcol Investment Trust (Saint), the acquisition of the 57 per cent of National Carpets and the 53,5 per cent of H.P.D. Company (Pty) Ltd not previously owned by Afcol, the disposal of certain listed securities, and the recent sale of certain surplus properties. In addition, properties were revalued by an independent valuer, and trade investments, including National Carpets, were revalued.

In order to incorporate these changes, some of which will be effected after the year end, the directors have provided a net amount of R2,6m out of reserves. Shareholder's funds, nevertheless, rose by approximately R7,2m during the year.

L. K. Hurwitz & Son Ltd.

The negotiations with T.I. (South Africa) (Pty) Ltd (announced last year) have been protracted. These have now been terminated, and L. K. Hurwitz & Son Ltd, continues to operate as a fully owned subsidiary of Afcol.

Outlook:

The Group has not yet fully recovered from the prior years of adverse conditions, and the directors anticipate an improvement in earnings as this recovery progresses.

The furniture industry responds fairly quickly to changes in the economics climate, and can be expected to mirror any upward trends. Therefore, and in the absence of unforeseen circumstances, further improvements can be anticipated in the ensuing year.

A final dividend of 5 cents (1972, nil) has been declared, making a total for the period of 6½ cents (1972, 2 cents). By Order of the Board.—T. L. Atteridge, Secretary, Johannesburg, 21 May 1973.
