NOTICE TO SHAREHOLDERS

ORDINARY DIVIDEND 37

The unaudited consolidated profits for the six months ended 30 September 1975, compared with the preceding trading periods, were as follows:

The conditions causing the downturn experienced in the second half of the last financial year, which were detailed in the 1975 Annual Report, persisted during the period under review. Although the monetary value of sales increased, physical volumes remained much the same and in these circumstances the results achieved are considered satisfactory.

The Group subscribes fully to the principles expressed in the Anti-inflation Manifesto. The voluntary disciplines implicit in this manifesto together with the likely repercussions of the recent Rand devaluation and continuing world-wide inflation—albeit at a slightly lower rate—will probably inhibit profit growth.

In regard to the Group's non-South African activities the overall contribution remained essentially unchanged. The Rhodesian subsidiary performed well in difficult circumstances, maintaining the same level as for the corresponding period in 1974. However, based on evidence available from trading during the last two months, the prognosis for the remainder of the financial year is for a marked reduction in income.

There will be some impact on Group results but this will not be significant. Full provision has already been made for trading losses in Mocambique. The balance of the shares in Frank G. O'Brien Ltd held by the Australian public was acquired in September. This company is therefore no longer quoted on the Sydney stock exchange.

Foreign loan liabilities in Rand terms have increased by 21,8 per cent as a result of devaluation, which will have a corresponding adverse impact on future interest costs.

Plate Glass Building Supplies Ltd has now become a wholly owned subsidiary and the restructuring and rationalising of its activities within the Group are well advanced.

The Directors have declared a maintained interim dividend of 11c per share payable on or about 28 January 1976 to ordinary shareholders registered in the books of the Company at the close of business on 19 December 1975.

In terms of the Income Tax Act, 1962, as amended, the Company will deduct Non-Resident Shareholders' Tax from dividends payable to shareholders whose addresses in the share register are outside the Republic.

The ordinary share transfer books and register of members will be closed from 20 December 1975 to 3 January 1976, both days inclusive.

By Order of the Board.—R. F. Pennicott, Secretary. Registered office: Cor. of Marshall and Janie Streets, Johannesburg. Transfer Secretaries: Hill Samuel S.A. Ltd, Corner House, 63 Fox Street, Johannesburg. P.O. Box 62318, Marshalltown.
