INTERIM REPORT TO SHAREHOLDERS FOR THE SIX MONTHS ENDED 31 DECEMBER 1975

RESULTS

The consolidated profits of the Group for the six months ended 31 December 1975 are as follows:

	Six months ended:		*Year ended*
	31/12/75	31/12/74	30/6/75
	R	R	R
Net income	437 172	237 113	582 957
After charging—			
depreciation	223 535	98 250	229 600
interest	109 000	111 200	248 359
Taxation	171 438	79 700	181 168
Income after taxation	R265 734	R157 413	R401 789
Earned per share	6,5c	3,8c	9,8c
Capital commitments	R240 000	R180 000	R35 000

The results for the period are satisfactory and the modernisation of plant, as well as the rationalisation of production, though costly, has proved to be profitable for your Group. As in the past, the maximum depreciation permitted by the Revenue authorities, together with income tax investment and initial allowances, have been charged against profits.

Your Directors trust that further modernisation of plant and rationalisation of production will continue to result in improved profits, notwithstanding the Company's depreciation policy as outlined above.

Properties are let at good rentals and all Companies contribute to the profit of your Group.

Even in this uncertain economic climate your directors feel confident that profits and liquidity will continue to improve and it is therefore decided that an interim dividend of 1½c per share be declared.

DECLARATION OF INTERIM DIVIDEND 9

Notice is hereby given that an interim dividend of 1½c per share has been declared payable to shareholders registered in the books of the Company at the close of business on 30 April 1976.

The prescribed time is two months after the date of advertisement. This period may on application be extended by the Registrar.
