PHYTOPHYLACTICA

Hierdie publikasie is 'n voortsetting van die Suid-Afrikaanse Tydskrif vir Landbouwetenskap Jaargang 1 tot 11, 1958-1968 en bevat artikels oor Entomologie, Dierkundige Plantplae, Nematologie, Plantpatologie, Mikrobiologie, Mikologie, Taksonomiese Studies, Biologie en Beheer. Vier dele van die tydskrif word per jaar gepubliseer.

Verdienstelike landboukundige bydraes van oorspronklike wetenskaplike navorsing word vir plasing in hierdie tydskrif verwelkom. Voorskrifte vir die opstel van sulke bydraes is verkrygbaar van die Direkteur, Landbou-inligting, Privaatsak X144, Pretoria, aan wie ook alle navrae in verband met die tydskrif gerig moet word.

Die tydskrif is verkrygbaar van bogenoemde adres teen 50c per eksemplaar of R2 per jaar, posvry (buitelands 60 sent per eksemplaar of R2,40 per jaar).

PHYTOPHYLACTICA

This publication is a continuation of the South African Journal of Agricultural Science Vol. 1 to 11, 1958-1968 and deals with Entomology, Zoological Plant Pests, Nematology, Plant Pathology, Microbiology, Mycology, Taxonomic Studies, Biology and Control. Four parts of the journal are published annually.

Contributions of scientific merit on agricultural research are invited for publication in this journal. Directions for the preparation of such contributions are obtainable from the Director, Agricultural Information, Private Bag X144, Pretoria, to whom all communications in connection with the journal should be addressed.

The journal is obtainable from the above-mentioned address at 50 cents per copy or R2 per annum, post free (foreign 60 cents per copy or R2,40 per annum).

DIE BLOMPLANTE VAN AFRIKA

Hierdie publikasie word uitgegee as 'n geïllustreerde reeks, baie na die aard van Curtis se "Botanical Magazine". Die doel van die werk is om die skoonheid en variasie van vorm van die flora van Afrika aan die leser bekend te stel, om belangstelling in die studie en kweek van die inheemse plante op te wek, en om plantkunde in die algemeen te bevorder.

Die meeste van die illustrasies word deur kunstenaars van die Navorsingsinstituut vir Plantkunde gemaak, dog die redakteur verwelkom geskikte bydraes van 'n wetenskaplike en kunsstandaard afkomstig van verwante inrigtings.

Onder huidige omstandighede word twee dele van die werk gelyktydig gepubliseer, maar met onreëlmatige tussenposes; elke deel bevat tien kleurplate. Intekengeld bedra R1,50 per deel: Vier dele per band. Vanaf band 27 is die prys per band in linne gebind R10; in morocco-leer gebind R14.

Verkrygbaar van die Direkteur, Afdeling Landbou-inligting, Privaatsak X144, Pretoria.

THE FLOWERING PLANTS OF AFRICA

This publication is issued as an illustrated serial, much on the same lines as Curtis's Botanical Magazine, and for imitating which no apology need be tendered.

The desire and object of the promoters of the publication will be achieved if it stimulates further interest in the study and cultivation of our indigenous plants.

The illustrations are prepared mainly by the artists at the Botanical Research Institute, and the Editor is pleased to receive living plants of general interest or of economic value for illustration.

Each part contains 10 plates and costs R1,50 per part. Two, three or four parts may be published annually, depending on the availability of illustrations. A volume consists of four parts. From Volume 27, the price per volume is: Cloth binding, R10; morocco binding, R14.

Obtainable from the Director, Division of Agricultural Information, Private Bag X144, Pretoria.

Werk mooi daarmee.

Ons leef  daarvan

Use it.

Don't abuse  it.

water is for everybody
