CIRCULAR TO SHAREHOLDERS
ORDINARY DIVIDEND 39

The unaudited consolidated results for the six months ended 30 September 1976, compared with the preceding trading periods, were as follows:

	Six months ended 30 September 1976	Six months ended 30 September 1975	Financial year ended 31 March 1976
Turnover.....	R 105 905 000	R 101 094 000	R 204 461 000
Net income before taxation.....	7 688 000	8 474 000	18 111 000
Taxation.....	3 037 000	3 604 000	6 190 000
Net income after taxation.....	4 651 000	4 870 000	11 921 000
Share of retained income of associated companies.....	696 000	577 000	1 260 000
Outside shareholders' interest.....	5 347 000	5 447 000	13 181 000
	388 000	558 000	1 452 000
Dividends on preference shares.....	4 959 000	4 889 000	11 729 000
	605 000	600 000	1 208 000
Net income attributable to ordinary shareholders.....	R4 354 000	R4 289 000	R10 521 000
Ordinary shares in issue (fully paid).....	14 264 030	14 224 244	14 255 887
Earnings per ordinary share.....	30,5c	30,2c	73,8c

Although comparative turnover increased in money terms by approximately 12 per cent, throughput was generally lower.

The apparent reduction in income before taxation is largely due to the fact that the results of Fiberglass South Africa (Pty) Ltd are no longer consolidated, as our investment in this company is now 50 per cent and it thus falls into the category of an associated company. The figures are, therefore, only truly comparable after deduction of the interest of outside shareholders.

Earnings per ordinary share of 30,5c are fractionally higher than the comparative figure for 1975 and represent a most satisfactory result in the trading conditions which prevailed. The period under review saw continued pressure on gross margins and higher operating costs. Domestic interest rates also rose. The difficult circumstances—particularly in the building sector—meant that the greatest vigilance had to be exercised in order to maintain control of accounts receivable. The divisional results were very much on a par with those achieved in the corresponding period of the previous year.

The entire share capital of Pillar Naco Holdings (Pty) Ltd, which for many years has manufactured louvres and aluminium window products in Pietermaritzburg, has been acquired with effect from 1 February 1976 at a cost of R649 000.

Of the non-South African activities, the major contributor, Plate Glass Industries Rhodesia Ltd, suffered from the uncertain political and commercial climate but, despite this, produced a commendable result. Profits attributable to ordinary shareholders were reduced by only 13,8 per cent and its interim dividend was maintained. In Australia, there was continued improvement in the shaping of our business activities and a progressively increasing contribution is expected from this source. The investment in the United Kingdom is maintaining its level of profitability but the devaluation of sterling has eroded the rand value of this performance.

There has to date been little sign of the economic revival in South Africa which was predicted for the last quarter of 1976. Furthermore, the improvement in international markets seems to have lost momentum, although hopefully only temporarily. As a result, there has been no alleviation in the problems that surround us and we must expect a continuing deterioration in conditions. It therefore appears unlikely that the traditional pattern of greater earnings in the second half of the financial year will be repeated.

The Directors have declared a maintained interim dividend of 11,0c per share payable on or about 26 January 1977 to ordinary shareholders registered in the books of the Company at the close of business on 17 December 1976.

In terms of the Income Tax Act 1962, as amended, the Company will deduct non-resident shareholders' tax from dividends payable to shareholders whose addresses in the share register are outside the Republic.

The ordinary share transfer books and register of members will be closed from 18 December 1976 to 31 December 1976, both days inclusive.

By Order of the Board.—R. F. Pennicott, Secretary.

The aims and objects of the Society are the prevention of social distress and indigency of members of the public and, in particular, the provision of a residential club in Durban for women away from their homes and in a new environment whose attractions could be dangerous to moral character, together with the provisions of educational and recreational facilities for such women.

The Society intends operating in the Durban area.

Copies of the Constitution may be viewed at the offices of Leandy, Laroque & Partners, Fifth Floor, J.B.S. Buildings, 78 Field Street, Durban.

Any objections should be lodged with the Secretary, Natal Regional Welfare Board, P.O. Box 1503, Durban, within 21 days of date of publication.—T. M. Cowell, Y.W.C.A. Durban Residential Club, Secretary.
