[No. 5639

CAPE TOWN, 6 JULY 1977

DEPARTEMETN VAN DIE EERSTE MINISTER

No. 1210.

6 Julie 1977.

Hierby word bekend gemaak dat die Staatspresident sy goedkeuring geheg het aan die onderstaande Wet wat hierby ter algemene inligting gepubliseer word:—

No. 102 van 1977: Wysigingswet op Elektrisiteit, 1977.

DEPARTMENT OF THE PRIME MINISTER

No. 1210.

6 July 1977.

It is hereby notified that the State President has assented to the following Act which is hereby published for general information:—

No. 102 of 1977: Electricity Amendment Act, 1977.

Act No. 102, 1977

ELECTRICITY AMENDMENT ACT, 1977.

ACT

To amend the provisions of the Electricity Act, 1958, relating to the amounts to be paid into the reserve fund and the capital development fund; to provide that certain moneys be utilized for such purposes and in such manner as the Minister of Economic Affairs may determine; regarding the requirements in respect of applications for certain licences; to effect certain textual improvements; and to provide for incidental matters.

*(Afrikaans text signed by the State President.)
(Assented to 22 June 1977.)*

BE IT ENACTED by the State President, the Senate and the House of Assembly of the Republic of South Africa, as follows:—

Amendment of section 13 of Act 40 of 1958, as substituted by section 2 of Act 49 of 1971 and amended by section 1 of Act 60 of 1974.

Insertion of section 13A in Act 40 of 1958.

1. Section 13 of the Electricity Act, 1958 (hereinafter referred to as the principal Act), is hereby amended by the substitution for subsection (2) of the following subsection:

“(2) The annual amounts so set aside and paid into the reserve fund and the capital development fund, apart from interest or profits earned on investments of the funds, shall in the aggregate not exceed six per cent of the aggregate amount of the commission’s unredeemed loans up to the end of the current financial year, and no such payments shall be made which would increase the sum in the reserve fund and the capital development fund, apart from interest and profits earned on investments of the funds, as provided for in subsection (3), to more than seven and one-half per cent and thirty per cent, respectively, of the said aggregate amount: Provided that when any loan repayment has been made as a result whereof the amount in the reserve fund, apart from such interest and profits, exceeds seven and one-half per cent of the aggregate of the loans still unredeemed, such excess shall continue to be available for the purpose of subsection (1) (a), but shall thereafter not be taken into account in any calculation under this subsection.”.

2. The following section is hereby inserted in the principal Act after section 13:

“Separate fund for determined purposes.

13A. If the Minister deems it necessary in the public interest, he may from time to time—

- (a) after consultation with the board, instruct the commission to pay into a separate fund an amount not exceeding three per cent of the total annual income of the commission in respect of electricity supplied by it;
- (b) with the concurrence of the Minister of Finance, determine the purposes for and the manner in which the moneys in the fund referred to in paragraph (a) shall be utilized, including the investment of any such moneys.”.

WYSIGINGSWET OP ELEKTRISITEIT, 1977.

Wet No. 102, 1977

WET
