A spouse's right to share in the accrual of the estate of the other spouse

2. (1) Unless the provisions of this section are expressly excluded by antenuptial contract, a spouse married out of community of property whose estate at the dissolution of the marriage by divorce or death shows no accrual during the subsistence of the marriage or a smaller accrual than the estate of his or her spouse shall have a claim against his or her spouse or the estate of his or her deceased spouse, as the case may be, for an amount equal to half the difference between the accrual of their respective estates.

(2) The accrual of the estate of a spouse is the amount by which the value of his or her estate at the dissolution of the marriage exceeds the value of his or her estate at the commencement of the marriage:

Provided that—

(a) any amount which accrued to the estate of a spouse by way of donation, inheritance, legacy or damages (other than patrimonial damages); and

(b) any amount by which the value of a spouse's estate increased or decreased merely by reason of the fluctuation in the value of money;

shall for purposes of determining the accrual of the estate of that spouse be left out of account.

(3) For purposes of subsection (2)—

(a) the value of the estate of a deceased spouse at the dissolution of the marriage by death shall be deemed to be the nett value of that estate after provision has been made for estate duty, burial costs and the costs of the administration of the estate; and

(b) the consumer price index as from time to time published in the *Government Gazette* shall be taken as *prima facie* proof of the fluctuation in the value of money.

(4) For purposes of determining the accrual of the estate of a spouse—

(a) a statement by a spouse as to the value of his or her estate at the commencement of the marriage shall be *prima facie* proof of such value if such statement is embodied in the antenuptial contract or is signed by both spouses and is filed with the copy of the antenuptial contract in the protocol of the notary concerned before the date of the marriage or within six months thereafter;

Power of court to order division of accrual

3. (1) Where the patrimonial consequences of a marriage are governed by the principle of accrual referred to in section 2 and during the subsistance of the marriage it

vir 'n hof blyk dat 'n gade se reg om by die ontbinding van die huwelik in die aanwas van die ander gade se boedel te deel deur die optrede van bedoelde ander gade ernstig aangetas of bedreig word, of indien daar na die hof se oordeel enige ander geronde rede bestaan, kan die hof op aansoek van enige een van die gades die onmiddellike verdeling van die aanwas ooreenkomstig artikel 2 of op so 'n ander grondslag as wat die hof billik ag, gelas.

(2) Wanneer die hof die verdeling van die aanwas ooreenkomstig subartikel (1) gelas, kan die hof op aansoek van enige een van die gades gelas dat die huweliksgoederebedeling wat ten opsigte van die gades van toepassing is, opgehef word en vervang word deur 'n huweliksgoederebedeling ingevolge waarvan gemeenskap van goed, gemeenskap van wins en verlies en aanwasbedeling uitgesluit is.

(3) In die geval waar die huweliksgoederebedeling kragtens subartikel (2) verander word, word 'n afskrif van die hof se bevel deur die griffier aan die betrokke registrasiekantoor besorg en word dit by die huweliksvoorwaardeskontrak in die registrasiekantoor geliasseer.

(4) Indien dit by die ontbinding van 'n huwelik deur die dood vir 'n hof blyk dat die verdeling van die aanwas van die gades se boedels ooreenkomstig artikel 2 onbillik sal wees weens die gedrag van enige een van die gades of weens die aansienlike vermindering van die waarde van enige van die gades se boedels of om enige ander rede wat die hof voldoende ag, kan die hof, op aansoek van die oorblywende gade of die eksekuteur van die oorlede gade se boedel, gelas dat die aanwas op enige ander wyse wat die hof in die omstandighede billik ag, verdeel word of dat geen verdeling van die aanwas geskied nie.

Ander voordele word nie geraak deur die reg om in die aanwas te deel nie

4. Die reg om by die ontbinding van 'n huwelik kragtens die bepalings van hierdie Wet in die aanwas van 'n gade se boedel te deel, doen nie afbreuk aan enige reg wat 'n gade mag hê om kragtens 'n huweliksvoorwaardeskontrak, testamentêre beskikking of die intestate erfreg enige voordeel te ontvang nie.

Reg op aandeel in aanwas kan verbeur word

5. Die reg op 'n aandeel in die aanwas van die boedel van 'n gade kragtens hierdie Wet verleen, is 'n vermoënsregtelike voordeel wat by egskeiding vir verbeuring, in die geheel of gedeeltelik, vatbaar is.

Hof kan die betaling van 'n aanwasskuld uitstel

6. 'n Hof kan op aansoek van iemand teen wie 'n aanwasskuld afdwingbaar is, en onderworpe aan sodanige voorwaardes as wat die hof met betrekking tot die stel van sekuriteit of die betaling van rente mag bepaal, 'n bevel gee waarby voldoening aan so 'n skuld of enige gedeelte daarvan uitgestel word of gelas word dat die skuld of enige gedeelte daarvan deur die betaling van vasgestelde paaiemente of die lewering of oordrag van gespesifiseerde bates gedelg word.

appears to a court that a spouse's right of sharing in the accrual of the estate of the other spouse upon the dissolution of the marriage is seriously impaired or prejudiced by the conduct of the said other spouse, or if in the opinion of the court any other sufficient reason exists, the court may, on the application of either of the spouses, order the immediate division of the accrual in terms of section 2 or on such other basis as the court deems just.

(2) When the court orders the division of the accrual in terms of subsection (1) the court may, on the application of either of the spouses, order that the matrimonial property regime applicable to the marriage be discontinued and superseded by a dispensation under which community of property, community of profit and loss and sharing of accrual, are excluded.

(3) In the case where the matrimonial property regime is changed in terms of subsection (2), the registrar shall deliver a copy of the order of the court to the registrar concerned to be filed with the antenuptial contract.

(4) If on dissolution of a marriage by death it appears to a court that the division of the accrual of the estates of the spouses in accordance with the provisions of section 2 would be unjust because of the conduct of either of the spouses or because of a substantial decrease in the value of the estate of either of the spouses or for any other reason that the court deems sufficient, the court may, on the application of the surviving spouse or the executor of the estate of the deceased spouse, order that the accrual be divided in any manner that the court in the circumstances deems just or order that there shall be no division of the accrual.

Other benefits not affected by the right to share in the accrual

29,0c	Dividend per share.....	12,0c	10,0c

Note.—Associated companies are those joint venture companies in which Grinaker Holdings Ltd or its subsidiaries have a fifty per cent equity participation.

It is gratifying to report higher profits for the period under reveiw on a slight decrease in turnover. The improvement is the result of increased application, minimisation of losses and the completion of several profitable contracts.

Work on hand is 9 per cent lower than this time last year. We are anticipating an improved taxed profit for the year despite a substantially higher tax burden.

The purchase of versatile heavy plant for new work entailing larger volumes of bulk earthworks in our work on hand catering for the swing away from specialised roadwork is mainly responsible for the increase in capital expenditure. This will be funded from internal resources.

We do not at this stage expect to increase the total dividend for the year. The interim dividend has been increased by 2c per share in order to narrow the gap between the interim and final dividend.

Group capital commitments.—Expenditure on fixed assets during the period totalled R3 023 000 (1976, R1 096 000). A further amount of R4 354 000 (1976, R1 481 000) has been authorised for the remainder of the financial year. The estimated depreciation for the year is R2 841 000 (actual 1977, R2 978 000).

Declaration of interim dividend 26.—Notice is hereby given that an interim dividend at the rate of 12c per share has been declared payable to shareholders registered in the books of the company at the close of business on 10/3/78.

The transfer books and register of members will be closed from 11/3/78 to 17/3/78, both days inclusive.

Dividend warrants will be posted on or about 3/4/78.

In terms of the Republic of South Africa Tax Act of 1962 (as amended) the non-resident shareholders' tax of 15 per cent will be deducted by the company from the dividend payable to those shareholders whose addresses in the share registered are outside the Republic of South Africa.
