Notes.—1. Associated companies are those joint venture companies in which Grinaker Holdings Ltd or its subsidiaries have a 50 per cent equity participation.

2. Earnings per ordinary share for 1978 have been calculated on the weighted average number of ordinary shares in issue during the year.

We are pleased to report a final profit attributable to shareholders of R5 506 000. This represents a 32 per cent increase on the previous year.

As all suspensive conditions of the Racal Electronics South Africa Ltd proposal have not yet been fulfilled, the reported profit does not include a contribution from Racal.

It is too early to forecast results for the new financial year, but with our new acquisitions we believe they should be better than those of this past year.

Notice is hereby given that a final dividend at the rate of 21,0c per share has been declared payable to shareholders registered in the books of the Company at the close of business on 8/9/78.

The transfer books and register of members will be closed from 9/9/78 to 16/9/78, both days inclusive.
