"Cotton Textile Industry" means the industry in which an employer and his employees are associated for the purpose of producing, in one form or another, by means of spinning, weaving, dyeing, printing or finishing or by any other process whatsoever, yarns, materials, cloths or by-products of such yarns or cloths, which are wholly or mainly manufactured from cotton and/or man-made fibres as substitute therefor, and includes all operations incidental thereto or consequent thereon carried on by any such employer or employee, but does not include—
