KANTOOR VAN DIE STAATSPRESIDENT

No. 1407.

28 Junie 1985

Hierby word bekend gemaak dat die Staatspresident sy goedkeuring geheg het aan die onderstaande Wet wat hierby ter algemene inligting gepubliseer word:—

No. 75 van 1985: Spoorgaanlegwet, 1985.

Act No. 75, 1985

## RAILWAY CONSTRUCTION ACT, 1985

## ACT

**To provide for the construction and equipment of a line of railway between a point on the Crown-New Canada Section and an area called Crown Mines (Province of the Transvaal), and for matters incidental thereto.**

*(Afrikaans text signed by the State President.)  
(Assented to 19 June 1985.)*

**BE IT ENACTED** by the State President and the Parliament of the Republic of South Africa, as follows:—

Construction and equipment of a certain line of railway.

1. (1) The State President may, as soon after the commencement of this Act as to him may seem expedient, cause to be constructed and equipped, upon a gauge of one thousand and sixty-five millimetres, a line of railway of a length of approximately three comma six kilometres between a point on the Crown-New Canada Section and an area called Crown Mines (Province of the Transvaal) at a gross cost of approximately R20,8 million. 5

(2) The powers conferred by this section shall include the power to construct and equip all sidings, stations, buildings and other appurtenances necessary for or incidental to the proper working of the said line of railway.

(3) The expression "construct and equip" shall include "main-15 tain" while the line is in the course of construction and equipment.

Cost of construction and equipment.

2. The cost of construction and equipment of the line of railway authorized by section 1 shall be defrayed out of the State Revenue Fund with moneys appropriated for that purpose by 20 Parliament, or out of any other moneys so appropriated.

Powers incidental to construction and equipment.

3. In respect of the construction and equipment of the said line of railway, the State President shall have the powers conferred by the South African Transport Services Act, 1981 (Act No. 65 of 1981), and the Expropriation Act, 1975 (Act No. 63 of 25 1975), but subject to the obligations imposed by these Acts: Provided that the width of the land taken for the construction of the line shall not exceed thirty-five metres, together with such additional land as may be required for the slopes, cuttings, drainage, stations, approach roads and other works and matters 30 which may be necessary for the purposes of the line.

South African Transport Services to be compensated for losses.

4. The South African Transport Services shall be compensated, in terms of section 10 (3) of the South African Transport Services Act, 1981 (Act No. 65 of 1981), from the State Revenue Fund, out of moneys appropriated by Parliament for such 35 purpose, for all losses that may be sustained in the working of the line of railway referred to in section 1.

Short title.

5. This Act shall be called the Railway Construction Act, 1985.

# WET

**Om voorsiening te maak vir die aanlê en uitrus van 'n spoorlyn tussen 'n punt op die Crown-New Canada-trajek en 'n terrein genoem Crown Mines (provinsie Transvaal), en vir aangeleenthede wat daarmee in verband staan.**

*(Afrikaanse teks deur die Staatspresident geteken.)  
(Goedgekeur op 19 Junie 1985.)*

**DAAR WORD BEPAAL** deur die Staatspresident en die Parlement van die Republiek van Suid-Afrika, soos volg:—
