Reg. No. 05/26033/06

NOTICE OF MEETING

Notice is hereby given of the adjourned special general meeting of members of the company to be held in the NPU Boardroom, 4th Floor, West Wing, Libridge, 25 Ameshoff Street, Braamfontein, on the 4th day of August 1987 at 09h30 to consider and if thought fit to pass the resolutions set out below with or without modification.

SPECIAL RESOLUTIONS**RESOLUTION No. 1**

That the company convert itself in terms of Section 23 of the Companies Act, 1973, as amended, into an association incorporated under Section 21 of the Act.

This will result in the company being converted from being a public company as it is at present to an association incorporated under Section 21 of the Act which is an association not for gain.

The reason for such conversion is that in view of the fact that the company is not a trading company and is not concerned with the making of profits, it should more properly be registered as a Section 21 company.

RESOLUTION No. 2

That the company alter its memorandum by substituting the attached form of memorandum in its entirety for the existing memorandum.

The effect of this resolution is to substitute a memorandum more suited to a modern Section 21 company than the existing memorandum and the reason for it is that having decided to convert to a Section 21 company it follows that the memorandum should be altered to meet the new type of company involved.

RESOLUTION No. 3

That the company alter its articles of association by substituting the attached form of articles in its entirety for the existing articles.

The effect of this resolution is that all reference to shares in the company will be deleted. The reason for this is that the Section 21 company will be a company without a share capital but limited by guarantee.

RESOLUTION No. 4

That the company cancel its entire share capital in order to give effect to the provisions in Section 23 of the Act and that the amount of the existing issued share capital be transferred to the accumulated income statement balance.

Members who are presently registered holders of share certificates shall have no claim on the bureau for the refund of the nominal value of each share.

The effect of this resolution is to cancel the share capital of the company. The reason for this is that Section 23 of the Companies Act which authorises conversion to a Section 21 company requires the share capital to be cancelled.

RESOLUTION No. 5

That the company alter its articles of association and by-laws to grant full voting rights to all publisher members.

Currently voting rights of publisher members are linked to shareholding. With the conversion of the company to a company without shares the effect of this resolution is to grant full voting rights to all publisher members.

RESOLUTION No. 6

That the following new article be added to the articles of association:

51. The bureau shall indemnify and hold harmless all office bearers, employees and servants of the bureau including council and committee members, against all losses, costs and damages from whatsoever cause arising, incurred by reason of any act or omission in good faith advised, ordered, directed or performed by such persons in the exercise of the powers and duties conferred and imposed on them under the articles or by-laws of the bureau.

The effect of the by-law is to indemnify the secretariat and council and committee members against legal action which may be instituted against them in their personal capacities.

RESOLUTION No. 7

That the existing by-law 9 (i) be amended by the substitution of the words "January/June" and "July/December" respectively for the words "April/September" and "October/March" respectively and by the substitution of the dates "June 30" and "December 31" respectively for the dates "March 31" and "September 30" respectively.

The effect of this resolution is to change the period for VFD certificates to coincide with ABC certificates.

RESOLUTION No. 8

That the company alter its by-laws by substituting the attached form of by-laws in its entirety for the existing by-laws.

The effect of this resolution is to make the changes consequent upon the cancellation of shares in the company, the new voting rights and the substitution of modern phraseology for outdated phrases.

By Order of the Council of Management.—P. J. Kötze, Secretary
