he existing transport is South African Transport Services. The bus cannot be used because it's start at 10h00 a m at Rooiberg Tin Mine and arrive at Warmbaths at 12,30 pm. The bus can't be used because people who are using this transport are workers and the farmers along the road and some of this people are going for shopping, consulting doctors, visiting families and they are working shift at the Mine, so time they ought to start their job is the time the bus arriving at Warmbaths and they are always late to their jobs or stay away from their jobs because of transport. There is a possibility of losing their jobs. So I want to help these people with a restart transport, so that they can travel freely without any problem.
