Criteria for awards

The number of bursaries in each field is determined by the requirements of the Public Service as regards trained staff in the various fields and by the available funds.

Applicants compete for bursaries on merit. Selection takes place according to a predetermined system of marks based principally on Std 10 or Std 9 and post-school academic achievements. For example, in the competition for bursaries among non-students (i.e. persons who have already matriculated or who will matriculate at the end of 1989, but have at the end of 1989 not yet written any appropriate post-Std 10 examination), those applicants who pass/have passed the Std 10 or 9 examination with an aggregate of at least 60 per cent will be given preference over those non-students who pass/have passed the said examination with less than 60 per cent.

In the competition for bursaries, the study achievements of students (i.e. persons who are already doing post-school studies) are also taken into consideration. All examinations already written by students, and the half-yearly progress results in respect of the study year will be taken into account.

Bursaries are conditionally granted when the Std 9 results or half-yearly progress results are considered. The conditions for such grants are that the matriculants or students have to pass their year-end examinations and have to submit proof to the Commission.

Requirements

Applicants must—

- (i) intend to take up a career in the Public Service;
- (ii) be South African citizens;
- (iii) be in good health in the opinion of the Commission for Administration;
- (iv) be in possession of at least a Std 10 Certificate with English and Afrikaans as subjects (or intend to write the examination concerned at the end of 1989);
- (v) at the end of 1989 successfully complete the studies in which they are engaged and therefore be promoted to the next year of study (where applicable); and
- (vi) where the educational institution concerned so requires, be in possession of a university entrance qualification or any other qualification it may require.

Candidates who may apply

Members of all the population groups may apply.

Candidates may apply for one field of study only.

The following categories of persons may apply:

Students at universities/colleges/technikons who have completed part of a course.

Persons who obtained the Std 10 Certificate in 1988 or earlier.

Scholars who are at present in Std 10 and who intend furthering their studies at a university/college/technikon in 1990.

Candidates who are required to undergo full-time military training from 1990 and who wish to further their studies in 1992 should not apply at this stage, but should await the publication of the notice in regard to Public Service bursaries for 1992 and may apply during May/June 1991.

Maatstawwe vir toekenning

Die aantal beurse in elke rigting word bepaal deur die Staatsdiens se behoefté aan opgeleide personeel in die onderskeie rigtings en die fondse wat daarvoor beskikbaar is.

Applikante ding volgens meriete om beurse mee. Keuring vind plaas aan die hand van 'n voorafbepaalde puntestelsel gegrond hoofsaaklik op st. 10 of st. 9 en naskoolse studieprestasies. Byvoorbeeld, in die wedywering om beurse tussen nie-studente onderling (d.w.s. diogene wat reeds gematrikuleer is of wat aan die einde van 1988 gaan matrikuleer maar aan die einde van 1989 nog geen toepaslike na-st.-10-eksamen afgelê het nie) sal die applikante wat in die st. 10- of st. 9-eksamen met 'n gemiddelde persentasie van ten minste 60 persent slaag geslaag het, voorkeur geniet bo dié nie-studente wat in genoemde eksamen minder as 60 persent behaal/behaal het.

In die wedywering om beurse word studente (m.a.w. persone reeds met na-skoolse studie besig) se studieprestasies eweneens in aanmerking geneem. Alle eksams wat studente reeds afgelê het asook die halfjaarvorderingsuitslæ t.o.v. die studiejaar waarmee hulle besig is, tel in hulle guns.

Beurse word voorwaardelik toegeken wanneer st. 9-uitslæ of halfjaar-vorderingsuitslæ in aanmerking geneem word. Die voorwaarde van sodanige toekennings is dat die matrikulante of studente hulle jaareindeksmans slaag en die bewyse daarvan aan die Kommissie voorlê.

Vereistes

Applikante moet—

- (i) voornemens wees om 'n Staatsdiensloopbaan te volg;
- (ii) Suid-Afrikaanse burgers wees;
- (iii) na die mening van die Kommissie vir Administrasie in goeie gesondheid verkeer;
- (iv) in besit wees van minstens 'n st. 10-sertifikaat met Afrikaans en Engels as vakke (of voornemens wees om die betrokke eksamen aan die einde van 1989 af te lê);
- (v) die studies waarmee hulle besig is, aan die einde van 1989 met welslæ voltooi en dus tot die daaropvolgende studiejaar (waar toepaslik) bevorder word; en
- (vi) waar die betrokke opvoedkundige inrigting dit as 'n vereiste stel, oor 'n universiteitstoelatingskwalifikasie of enige ander kwalifikasie wat voorgeskryf mag word, beskik.

Wie aansoek kan doen

Lede van alle bevolkingsgroepe mag aansoek doen.

Kandidate mag slegs vir een studierigting aansoek doen.

Die volgende kategorieë van persone kan aansoek doen:

Studente aan universiteite/kolleges/technikons wat reeds 'n gedeelte van 'n kursus voltooi het.

Personne wat in 1988 of vroeër die st. 10-sertifikaat verwerf het.

Leerlinge wat tans in st. 10 is en voornemens is om in 1990 hul studies aan 'n universiteit/kollege/technikon voort te sit.

Kandidate wat vanaf 1990 voltydse militêre diensplig moet verrig en wat hul studies in 1992 wil voortsit, moet nie nou aansoek doen nie. Hulle moet op die publikasie van die kennisgewing in verband met Staatsdiensbeurse vir 1992 wag en kan gedurende Mei/Junie 1991 aansoek doen.

Where bursaries are advertised for the administrations for own affairs, candidates of the population group concerned will be given preference.

How to apply

Applicants must forward the following documents with their applications

(a) A certified copy of an *official statement of symbols* obtained in the Std 10 final examination, if the examination has already been written; OR

If no examinations are written during the first semester, a certified copy of test results must be submitted.

Applications will be considered only if the forms concerned have been duly completed and are accompanied by the required documents. *The results and symbols of examinations to be written at the end of 1989 must be submitted by applicants immediately they become available, if they are so requested.* Candidates who fail to comply with this directive will not be taken into consideration for the awarding of a bursary. No original documents should be submitted but only certified copies.

It is imperative that prospective candidates, especially non-students, consult the calendar for the university/college/technikon where they intend to study regarding their intended curricula in order to ensure that the courses for which the relevant bursaries are being offered can in fact be taken at the institution concerned.

Candidates must note that it is not worth while applying if their subject combinations do not correspond to those in the notice.

Training scheme for engineers

An applicant who wishes to make use of a Public Service bursary to qualify for a career as an engineer in the Public Service may submit his application for a Public Service bursary to the department/administration of his choice and at the same time apply for appointment as an allocated student in the department/administration concerned. The department/ administration will then refer the application for a bursary to the Commission for Administration for consideration in competition with those of other applicants.
