COMMENT

1. Earnings for the first half of the financial year have reflected sustained growth over the comparable period last year.

2. At 31 August 1989 Higate's cash resources (inclusive of its listed investments at current values) amounted to R7,3 million. R4,1 million was spent on new acquisitions and developments of existing properties and two properties were sold during this period which realised R1,0 million.

3. Higate's developed property portfolio continued to be fully let throughout the six months to 31 August 1989 and there were minor vacancies in one property during a period of redevelopment.

4. No further second series deferred debentures have become eligible for conversion during the current period and at the date of this announcement there remain 113 938 deferred debentures in issue.

5. Since 31 August two further sales have been concluded which will generate an aggregate capital surplus of R196 000. Taking the above into account and after providing for capital commitments, Higate has R4,8 million available for future investment.

CONVERSION TO A PROPERTY UNIT TRUST

Debentureholders will by now be aware of the proposal to convert Higate to a property unit trust. The directors consider such a conversion to be in debentureholders' interests because, notwithstanding the efficiency of Higate's present structure, property unit trusts have been accorded a better rating on The Johannesburg Stock Exchange. A circular setting out the reasons for this conversion more fully and detailing the procedures involved was mailed to debentureholders on 22 September 1989. The operative date of conversion to Higate Property Fund will be 28 October 1989.

Assuming debentureholders approve the proposal to convert to a property unit trust, Higate's year end will change to 30 April in order to coincide with that of its management company. The first financial period of Higate Property Fund (after the conversion) will be 28 October 1989 to 30 April 1990.

In view of the proposed conversion and the resultant change in year end, debentureholders will receive a further interim interest payment for the period from 1 September to 27 October 1989. This will be payable on 15 December to debentureholders registered at the close of business 27 October 1989.

RIGHTS OFFER

Following the proposed conversion it is intended to proceed with a rights offer to raise approximately R30 million in cash. The proceeds of the offer will be used to further enhance the quality and strength of Higate's portfolio. Details of the rights offer and proposed investments will be published immediately after the conversion has been approved.

PROSPECTS

The directors expect earnings for the remainder of the financial year to continue to increase approximately in line with the escalation rates in Higate's leases.

INTEREST DECLARATION

Notice is hereby given of the declaration of Interest Payment No. 4 of 31,5 cents per first series unsecured variable rate subordinated debenture, in respect of the period 1 March 1989 to 31 August 1989. The interest is payable to first series debentureholders registered as such in the books of Higate at the close of business on 27 October 1989. Interest cheques will be posted on 10 November 1989. The debenture transfer register will be closed from 30 October to 3 November 1989, both days inclusive.
