ANNEXURE 3

Employees

Staff are often required to work overtime and are unable to find readily available public transport able to transport them from the Company Offices at 30 Field Street, Durban directly to their residences. The company wishes to provide, at no cost to the employees, a service to ensure they can be safely returned to their residences outside normal working hours.

Ships Crew

Due to Customs and Immigration formalities, it is necessary for crew to be accompanied when joining or leaving ships at Durban. Additionally language difficulties exist and crew are assisted when being conveyed to doctors/dentists etc. There are other transport companies presently available to perform the above conveyance, however the costs involved are considered unreasonable.

Staff of Container Parks and Services

There is no available transport facility at present to convey staff to their place of work at Langeberg Road, New Pier.

Forward journey:

Departure point is anywhere in Nkali Street, Tokoza. Vehicle travels until junction with Khumalo Street from where he travels in a northernly direction. Vehicle continues on Khumalo Street until it later passes the Natalspruit Hospital from where the vehicle turns and continues in an easternly direction over the bridge crossing the old Vereeniging Road. 300 (three hundred) metres later he will approach a 4-way stop robot crossing in Alrode Ext. 4. Applicant will then have three options in which to travel depending on the destination of the passengers concerned.

Option 1:

Would be to turn right at the robot into Potgieter Street towards an easterly direction until approaching the T-junction (stop) on the old Vereeniging Road (R61). Vehicle turns left into a northernly direction until it reaches the T-junction (± 4 kilometres) on the old Heidelberg Road (R103) where vehicle turns left on the Heidelberg Road which later becomes Voortrekker Road. This is the Alberton Main Road which runs through the centre of Town.

Option 2:

Would be to continue travelling straight over the 4-way robot in Alrode Extention 4 in Bosworth Street until it crosses with André Marais Street. Vehicle turns right into André Marais Street which meets up with the old Vereeniging Road in a T-junction (stop). Vehicle will then turn left and follow the same route as described in Option 1 on the old Vereeniging Road until he eventually gets to Voortrekker Road.

Option 3:

Would be for vehicle to turn left at the 4-way robot in Alrode Extension 4 into Potgieter Street and travel in a north-westernly direction through Alrode Industrial area. He will then reach a T-junction robot with Swartkoppies Road (R554). Vehicle then turns right into a northernly direction into Swartkoppies Road which later meets up with Voortrekker Road by means of a T-junction. He will then turn left into a westernly direction and this is the section where all three options end. From Voortrekker Road the vehicle will turn right into Du Plessis Avenue and at 4-way robot turn left into Second avenue into a westernly direction. Vehicle would travel until it reaches a 4-way robot-crossing with Andries Pretorius Street. It will then turn right into an easternly direction and left into Pieter Uys Avenue in order to reach its destination, Alberton railway station, where passengers are either picked up or set down.

Return journey:

The return journey is as forward journey in reverse including the three options mentioned above in respect of the route which are determined by the majority individual destinations of the passengers. In other words, vehicle might be travelling in a circle to meet the needs of passengers travelling from Tokoza to Alberton and vice versa.

Special conditions:

(1) Passengers are to be picked up and set down between Tokoza and Alberton railway station on the forward journey at any point on the route as required by passengers, provided the vehicle makes use of bus stops, recognised taxi ranks or any other point that may be absolutely safe to pick up or set down passengers. Passengers are to be set down or picked up on the return journey as described above, obeying traffic signs and safety of the passengers, driver and other road users are of utmost importance. (2) Vehicle will complete the full route from Tokoza to Alberton railway station on the forward journey before commencing the return journey and vice versa for the return journey from Alberton railway station to Tokoza. (3) Applicant reserves the right to have luggage bags checked at all times, should any suspicion exist. (4) No transporting after sunset will be done due to the fact that safety is of utmost importance and driver does not wish to encourage passengers being on the road after sunset.

OT 13232 ALEXANDRA BOYNE MAMABOLA SEGOPYE (2) Joel Chueu/Id. no. 3801016645085/Tokoza/New application (3) 1 × 15 seater kombi (4) Black taxi passengers and their personal effects (5) Alexandra to the homelands of Boyne, Mamabola and Segopye. Departure point for the forward journey would be any point within the black township area of Alexandra depending on where the applicant meets all his customers with whom he has made pre-arrangements. No local transporting, however, would take place as applicant does not wish to transport locally but only long distance. Vehicle would then travel the shortest route with his fully loaded vehicle to proceed to Pretoria main road (R101) which leads from Louis Botha Street, Johannesburg, to Pretoria. At the 4-way junction which the Lombardy link intersection, vehicle would turn left and then immediately right in order to get onto the N1 North motorway. Vehicle would then travel to Pretoria where he would pass Pretoria through the eastern suburbs. Vehicle would continue travelling on the N1 passing Naboomspruit towards Potgietersrus and passes via city main road through town to Pietersburg. Before entering Pietersburg, vehicle would take turnoff at T-junction to Tzaneen. Vehicle would travel in easternly direction on the R71 until reaching the black homelands called Boyne, Segopye and Mamabola, which are all very closely situated. Passengers will be set down at Segopye first and then at Mamabola and lastly at Boyne. In other words vehicle would be travelling in a circle when off-loading passengers. Return journey exactly as per forward journey in reverse. Special conditions: under no circumstances will passengers be picked up along the route at any point. Passengers can be set off at any town on the route, however, taking into consideration the safety of set-off points. Applicant would complete the full forward or return journey every time before commencing with the return or forward journey respectively. No transporting of passengers would take place between the homelands and Pietersburg after a forward journey has been completed for the reason that applicant only wishes to travel long distance and also would not like to intrude in the present transport system from Pietersburg to surrounding areas. Applicant wishes to make use of either the rohe new toll-road between Potgietersrus and Pietersburg which would be a much safer and more comfortable road to travel on.
