Waar eerstesemesterseksamens nie afgeleë word nie, moet 'n gewaarmerkte afskrif van toetsuitslae ingedien word.

Applikante wat reeds in diens van die Staat is, moet hul aansoek by hul departementele hoofkantore indien.

Voorwaardes

Van die suksesvolle applikante sal verwag word om die voorgeskrewe studiekursusse en die voorgeskrewe hoofvakke te volg en die vereiste kwalifikasies in die voorgeskrewe minimum duur te verwerf.

Since the scheme is aimed at augmenting Public Service personnel, candidates must be prepared to enter into an agreement with departments/administrations to serve the State after the successful completion of their studies, for one year in respect of each year during which the bursary was used. Bursary holders who fulfil their service obligations will not be required to refund bursary moneys.

Appointment in the Public Service on completion of studies can, however, not be guaranteed. If a bursary holder cannot be appointed to a suitable post, he is obliged to repay the bursary dept in terms of the bursary agreement.

Payment of bursary moneys

Bursaries are granted for the minimum prescribed duration of a course (or minimum remaining prescribed duration where part of the course concerned has already been completed). Payments of bursary moneys are made directly to the university/college/technikon as from April and are subject to satisfactory academic progress.

Fields of study for which bursaries are available

The fields of study for which bursaries for 1991 will be available are indicated hereafter with the various major subjects opposite each field.

Aangesien dit die oogmerk van die skema is om die personeel van die Staatsdiens aan te vul, moet die kandidaat bereid wees om ooreenkomste met departement/administrasies aan te gaan om na die suksesvolle voltooiing van hul kursusse die Staat te dien vir een jaar ten opsigte van elke jaar waarin die beurs benut is. Indien die vereiste diensverpligting nagekom word, is beursgelde nie terugbetaalbaar nie.

'n Betrekking in die Staatsdiens na afstudering kan egter nie gewaarborg word nie. Indien 'n afgestudeerde beurshouer nie in 'n gepaste pos aangestel kan word nie is hy ingevolge die beursooreenkoms geroepe om die beursskuld terug te betaal.

Uitbetaling van beursgelde

Beurse word toegeken vir die minimum voorgeskrewe duur van 'n kursus (of minimum oorblywende voorgeskrewe duur waar 'n gedeelte van die betrokke kursus reeds voltooi is). Die uitbetaling van beursgelde geskied direk aan die universiteit/kollege/technikon vanaf April en is onderworpe aan bevredigende akademiese vordering.

Studierigtings waarvoor beurse beskikbaar is

Die studierigtings waarvoor beurse vir 1991 beskikbaar sal wees, met die onderskeie hoofvakke daarteenoor, word hierna aangedui.
