SCHEDULE/BYLAE

General rules governing the scale of benefits/Algemene reëls betreffende die voordeleskaal

001 Unless at least two hours' notice of cancellation of an appointment has been given, the relevant fee may be charged. Each case shall, however, be considered on its merits and if circumstances warrant it, no fee should be charged/Tensy ten minste twee uur kennis gegee is van die kansellasie van 'n afspraak kan die toepaslike geld gehef word. Elke geval word egter op meriete beoordeel en indien die omstandighede so 'n stap regverdig word geen geld gehef nie.

002 In exceptional cases where the fee is disproportionately low in relation to the actual services rendered by the practitioner, such higher fee as may be agreed upon between the practitioner and the scheme may be charged/In uitsonderlike gevalle waar die geld buite verhouding laag is in vergelyking met die werklike dienste deur so 'n praktisyn gelewer, kan sodanige hoër geld gehef word as waaroer die praktisyn en die skema onderling ooreenkomm.

003 The services of a physiotherapist shall be available only on referral by a medical or dental practitioner or where such treatment is given in close collaboration with a registered medical practitioner or dentist/Die dienste van 'n fisioterapeut is beskikbaar slegs na 'n verwysing deur 'n mediese praktisyn of tandarts of waar sulke behandeling in noue samewerking met 'n geregistreerde mediese praktisyn of tandarts geskied.

Provided that the expression "in close collaboration" shall mean that the physiotherapist at one or other stage of the physiotherapy treatment, though not necessarily before undertaking such treatment, consults a registered medical practitioner or a registered dentist on the case concerned and at the end of such treatment furnishes him/her with a report on such treatment/Met dien verstande dat die uitdrukking "in noue samewerking met" beteken dat die fisioterapeut in die een of ander stadium van die fisioterapiebehandeling, maar nie noodwendig voordat sodanige behandeling 'n aanvang neem nie, met 'n geregistreerde mediese praktisyn of tandarts oorleg pleeg oor die betrokke geval en hom/haar aan die einde van die behandeling van 'n verslag oor die behandeling voorsien.

004 In so far as the rules of any scheme provide, accounts in accordance with the scale of benefits shall be paid in full by such scheme. In the case of prolonged or costly treatment, the practitioner should first ascertain from the scheme concerned whether it will accept financial responsibility in respect of such treatment, since the member may be subject to maximum annual benefits/Mits 'n rekening in ooreenstemming is met die voordeleskaal, betaal 'n skemas dit ten volle, behoudens die maksimum jaarlikse voordele waarvoor sy reëls voorsiening maak. Aangesien 'n lid onderworpe kan wees aan maksimum jaarlikse voordele, moet die praktisyn, in die geval van langdurige of duur behandeling, vooraf by die betrokke skema vasstel of die skema geldelike aanspreeklikheid vir die betrokke behandeling sal aanvaar.

005 After a series of 20 treatments in respect of one patient for the same condition, the practitioner concerned shall report to the scheme as soon as possible if further treatment is necessary. Payment for treatments in excess of the stipulated number may be granted by the scheme after receipt of a letter from the medical practitioner concerned, motivating the need for such further treatment/Na 'n reeks van 20 behandelings van een pasiënt vir dieselfde

toestand, moet die betrokke praktisyn die skema so gou doenlik in kennis stel indien verdere behandeling nodig is. Betaling vir behandelings bo die vasgestelde aantal kan deur die skemas toegestaan word na ontvangs van 'n brief van die betrokke mediese praktisyn, wat die noodsaaklikheid vir verdere behandeling motiveer.

- 006 "After hours treatments" shall mean those performed at night between 18h00 and 07h00 on the following day, or during weekends between 13h00 Saturday and 07h00 on Monday. Public holidays are to be regarded as Sundays/"Na-uurse behandelings" beteken dié behandelings wat in die nag tussen 18h00 en 07h00 van die volgende dag of gedurende naweke tussen 13h00 Saterdag en 07h00 Maandag plaasvind. Openbare vakansiedae word beskou as Sondae.

This rule shall apply for all treatments, whether given in the practitioner's rooms, or at a nursing home or private residence, only by prior arrangement when the patient's condition necessitates it/Hierdie reël sal geld vir alle behandelings, hetsy in die praktisyn se kamers gegee of by 'n verpleeginrigting, of by 'n private woning, alleenlik indien vooraf gereël wanneer die pasiënt se toestand dit vereis.

The fee for all visits under this rule shall be the total fee plus 50 per cent. Modifier 0006 must then be quoted after the appropriate code number to indicate that this rule is applicable. In cases where the physiotherapist's scheduled working hours extend after 18h00 during the week or 13h00 on a Saturday, the above rule shall not apply and the treatment fee shall be that of the normal listed fee/Vir alle besoeke ooreenkomsdig hierdie reël is die geld die volle geld plus 50%. Nà die betrokke kodenommer moet wysiger 0006 vermeld word ten einde aan te dui dat hierdie reël van toepassing is. In gevalle waar die fisioterapeut se vaste werksure gedurende die week strek tot na 18h00 of op 'n Saterdag na 13h00, geld bogenoemde reël nie en die geld vir die behandeling is die gewone gelyste geld.

- 007 Practitioners are reminded that a lower fee than that appearing in the scale of benefits shall be charged if the customary fee in the area is less than that charge. Reduced fees shall also be charged where the practitioner would have reduced his/her fee in private practice in particular cases. Prolonged treatment or exceptional cases should also receive special consideration in accordance with the usual medical practice/Praktisyns word daarvan herinner dat 'n laer geld as dié in die voordeleskaal aangegee gehef moet word indien die gebruiklike geld in 'n gebied laer as dié geld is. Verminderde gelde moet ook gehef word in besondere gevalle waar die praktisyn in die private praktyk sy gelde sou verminder het. Langdurige behandeling of uitsonderlike gevalle behoort ook spesiale oorweging te geniet ooreenkomsdig die gewone mediese gebruik.

- 008 The fee in respect of more than one procedure (save for item 72701) performed at the same consultation or visit, shall be the fee for the major procedure plus half the fee in respect of each additional procedure, but under no circumstances may fees be charged for more than three procedures carried out in the treatment of any one condition. Modifier 0008 must then be quoted after the appropriate code numbers for the additional code numbers for the additional procedures to indicate that this rule is applicable/Die gelde vir meer as een prosedure (met uitsondering van item 72701) wat tydens dieselfde konsultasie of besoek uitgevoer word, is die gelde vir die grootste prosedure plus die helfte van die gelde vir elke bykomende prosedure, maar onder geen omstandighede mag gelde gehef word vir meer as drie prosedures wat tydens die behandeling van 'n enkele toestand uitgevoer word nie. Nà die betrokke kodenommers moet wysiger 0008 vermeld word ten einde aan te dui dat hierdie reël van toepassing is op die addisionele prosedures.

- 009 When more than one condition requires treatment and each of these conditions necessitates an individual treatment, they shall be charged as individual treatments. Full details of the nature of the treatments must be stated. Modifier 0009 must then be quoted after the appropriate code number to indicate that this rule is applicable/Wanneer meer as een toestand behandeling verg en elk van hierdie toestande 'n eie behandeling noodsaak, word daar vir die onderskeie behandelings afsonderlik gelde gehef. Die volledige besonderhede van die aard van die behandelings moet verstrek word. Nà die betrokke kodenommer moet wysiger 0009 vermeld word ten einde aan te dui dat hierdie reël van toepassing is.
- 010 When the treatment times of two completely separate and different conditions overlap, the fee shall be full fee for the one condition, and 50% of the fee for the other condition. Modifier 0010 must then be quoted after the appropriate code number to indicate that this rule is applicable/Wanneer die behandelingstye van twee heeltemal afsonderlike en verskillende toestande oorvleuel, is die geld die volle geld vir een van die toestande en 50% van die geld vir die ander toestand. Nà die betrokke kodenommer moet wysiger 0010 vermeld word ten einde aan te dui dat hierdie reël van toepassing is.
- 011 Every physiotherapist must acquaint himself with the provisions of the Medical Schemes Act, 1967, as amended, and the regulations promulgated under the Act in connection with the rendering of accounts/Elke fisioterapeut moet hom vergewis van die bepalings van die Wet op Mediese Skemas, 1967, soos gewysig, en die regulasies kragtens die Wet uitgevaardig in verband met die lewering van rekening.

2. EXPLANATIONS

2.1 8132 Emergency Root Canal Treatment

Please note that the fee for Emergency Root Canal Treatment (listed under "Emergency treatment and procedures under General Anaesthetic") can be charged over and above the fees for Root Canal Therapy listed under items 8330 and 8332 in cases where **emergency treatment was essential**. An **emergency root treatment (8132)** cannot be followed by a completed root treatment at the same visit.

2. VERDUIDELIKINGS

2.1 8132 Noodbehandeling van die Wortelkanaal

Neem asseblief kennis dat gelde vir Noodbehandeling van Wortelkanaal (gelys onder "Noodbehandeling en Procedures onder Algemene Narkose") gehef kan word bo en behalwe die gelde vir Wortelkanaalterapie gelys onder items 8330 en 8332 in gevalle waar **noodbehandeling noodsaaklik was**. 'n **Nood wortelkanaal behandeling (8132) mag nie gelyktydig met 'n voltooide wortelkanaal behandeling uitgevoer word tydens dieselfde besoek nie.**

2.2 8279 and 8281 Metal Base to Full and partial Dentures

The fees for these items refer to the **metal base only**. An additional fee is then charged for the partial or full denture which is fitted to the base.

2.2 8279 en 8281 Volle- en Gedeeltelike Kunsgebitte met Metaalbasis

Die gelde vir hierdie items verwys slegs na die **metaalbasis**. Addisionele gelde word gehef vir die volle of gedeeltelike kunsgebit wat aan die basis geheg word.

3. ORTHODONTIC SERVICES

3.1 Where an account refers to **orthodontic services**, a statement containing the following information shall accompany the first account to the member of the scheme :-

- (a) the code number of the envisaged treatment;
- (b) a plan of treatment indicating the following:
 - (i) the total tariff that would be charged by the practitioner for the treatment;
 - (ii) the duration of the treatment;
 - (iii) the initial primary tariff payable by the member; and

3. ORTODONTIESE BEHANDELING

3.1 Waar 'n rekening na **ortodontiese behandeling** verwys, moet 'n staat wat die volgende inligting bevat, die eerste rekening aan 'n lid van die skema vergesel :-

- (a) die kodenommer van die beoogde behandeling;
- (b) 'n behandelingsplan wat die volgende aandui;
 - (i) die totale tarief wat deur die praktisyn vir die behandeling gehef gaan word;
 - (ii) die tydperk van behandeling;
 - (iii) die aanvanklike primère tarief wat deur die lid betaalbaar is; en

- (iv) the monthly tariff which the member must pay.
- (M) 3.2 As there are no specific codes for orthodontic treatment in the General Practitioners' section of the Scale of Benefits, the General Practitioner must refer to the Specialist Orthodontists Schedule. The codes for the treatment must be quoted together with Modifier 8004 (Refer to Rules 009 and 011). This denotes that a General Practitioner is delivering the treatment and the fee is calculated as up to two-thirds of the appropriate specialists fee. Where "L" is denoted this can be added on to the two-thirds fee. If "L" is **not** denoted then this is incorporated in the appropriate two-thirds fee and **cannot be added to the account**.
- 3.3 The fee for Corrective Therapy (i.e. Items 8861 to 8887) is a **fully inclusive fee and no additional fees** may be charged for additional visits (Item 8803) until the treatment is completed.
- 3.4 When functional appliance therapy (8866) is followed by full fixed appliance treatment (8873 to 8887) the fee initially charged for 8866 is **deducted** from the full fixed appliance fee and the remainder then becomes the fee charged for the second stage of full fixed appliance therapy.
- (W) 3.2 Daar is geen spesifieke Ortodontie kodes in die Algemene Praktisyn se Voordeleskaal nie. Die algemene praktisyn moet verwys na die Spesialis Ortodontiste Skedule. Die kodes vir behandeling moet tesame met die Wysiger 8004 aangehaal word (verwys na Reëls 009 en 011). Dit dui aan dat 'n algemene praktisyn die behandeling verskaf en dat die fooi bereken is teen twee-derdes van die gepaste spesialisfooi. Waar "L" aangedui word, kan dit bygevoeg word by die twee-derde fooi. Indien "L" nie aangedui word nie, is dit alreeds bygevoeg by die twee-derde fooi en **kan dit nie weer verhaal word nie**.
- 3.3 Die fooi vir Korrektiewe Terapie (dit wil sê Kodes 8861 tot 8887) is 'n **alomvattende fooi en geen addisionele fooie mag gehef word vir bykomende besoeke** (kode 8803) totdat die behandeling voltooi is nie.
- 3.4 Wanneer funksionele apparaat terapie (8866) deur volle vaste toestel behandeling (8873 tot 8887) gevolg word, word die aanvanklike fooi gevra vir die funksionele apparaat terapie (8866) **afgetrek** van die volle vaste toestelfooi en die oorblywende bedrag word dan die fooi vir die tweede deel van die volle vaste toestelterapie gedeelte van die behandeling.
