WET OP GEVORDERDE TEGNIESE ONDERWYS
VAN INDIËRS, No. 12 VAN 1968

REGULASIES RAKENDE SAMEWERKING TUSSEN
TECHNIKONS EN BEDRYWE

Die Minister van Onderwys en Kultuur, Administrasie: Raad van Afgevaardigdes, het kragtens artikel 30 van die Wet op Gevorderde Tegniese Onderwys vir Indiërs, 1968 (Wet No. 12 van 1968), die regulasies in die Bylae hiervan vervat, uitgevaardig.

SCHEDULE**INTRODUCTION****1. It is accepted that—**

(1) there can be no fixed boundaries between contact (residential) and distance education, as they merely represent two teaching techniques;

(2) residential technikons may offer tuition outside their main campus to full-time and part-time students who are unable to attend lectures on the main campus;

(3) the model under discussion applies to both residential and non-residential technikons, full recognition being given to pure distance education as a teaching mode;

(4) because co-operative education is a basic element of technikon education, technikons should work in co-operation with industry;

(5) technikons will endeavour to use the facilities of industry and of other educational institutions optimally;

(6) technikons may use these facilities for all their instructional programs.

OFF-CAMPUS PROGRAMMES

2. A technikon shall apply to its Minister for the introduction or discontinuation of programmes off campus. The Minister concerned shall, if applicable, after consultation with the other Ministers of Government departments responsible for education, decide on the matter.

AGREEMENTS TO CO-OPERATE

3. An agreement entered into by a technikon (with the approval of the responsible Minister concerned) with any authority, council, business concern or management body that renders assistance in the training of students with a view to obtaining a technikon qualification, shall provide that—

(1) the council of the technikon shall accept final responsibility for the scope and quality of the instructional programmes and instructional offerings;

(2) all members of staff employed by the authority or institution concerned who provided tuition for students shall—

(a) be appointed by the technikon on a joint establishment; or

(b) be accredited as lecturers by the technikon; or

(c) be selected and appointed by the technikon and the relevant authority jointly;

(3) the general policy referred to in section 2 of the National Police for General Education Affairs Act, 1984 (Act No. 76 of 1984), and the conditions of SERTEC in terms of the Certificate Council for Technikon Education Act, 1986 (Act No. 88 of 1986), shall be complied with;

(4) the technikon shall not purchase or establish any immovable assets for this purpose away from its main campus;

(5) the nature and extent of the training to be provided and the commencement and duration of the co-operation shall be specified; and

(6) all relevant matters pertaining to human, physical and financial resources and information shall be specified.

BYLAE**INLEIDING****1. Daar word aanvaar dat—**

(1) daar nie vaste grense tussen kontak- (residensiële) en afstandsonderrig kan wees nie, aangesien dit bloot twee onderrigtegnieke verteenwoordig;

(2) residensiële technikons buite hul hoofkampus onderrig kan bied aan voltydse en deeltydse studente wat nie lesings op die hoofkampus kan bywoon nie;

(3) die model wat onder bespreking is, vir sowel residensiële as nie-residensiële technikons geld, met volle erkenning van suiwer afstandsonderrig as onderrigmodus;

(4) aangesien koöperatiewe onderwys 'n basiese element van technikononderrig is, technikons met die verskillende bedrywe moet saamwerk;

(5) technikons sal poog om die fasilitete van die bedrywe en van ander onderwysinrigtings optimaal te benut;

(6) technikons hierdie fasilitete vir al hul onderwysprogramme kan benut.

BUITEKAMPUSPROGRAMME

2. 'n Technikon doen by sy Minister aansoek om die daarstelling of opseggung van buitekampusprogramme. Die betrokke Minister gee, indien van toepassing, na oorlegpleging met die ander Minister van Staatsdepartemente verantwoordelik vir onderwys, hieroor uitsluitsel.

SAMEWERKINGSOOREENKOMSTE

3. 'n Ooreenkoms wat 'n technikon aangaan (met die goedkeuring van die betrokke verantwoordelike Minister) met 'n owerheid, raad, sakeonderneming of bestuursliggaam wat hulp verleen by die opleiding van studente met die oog op die verwerking van 'n technikonqualifikasie, moet daarvoor voorsiening maak dat—

(1) die raad van die technikon die finale verantwoordelikheid aanvaar vir die omvang en gehalte van die onderrigprogramme en onderrigaanbiedinge;

(2) alle personeellede in diens van die betrokke owerheid of inrigting wat onderwys aan studente gee—

(a) deur die technikon op 'n gesamentlike diensstaat aangestel word; of

(b) deur die technikon as dosente geakkrediteer word; of

(c) gesamentlik deur die technikon en die betrokke owerheid gekeur en aangestel word;

(3) voldoen word aan die algemene beleid bedoel in artikel 2 van die Wet op die Nasionale Beleid vir Algemene Onderwyssake, 1984 (Wet No. 76 van 1984), en SERTEC se voorwaardes ingevolge die Wet op die Sertifiseringsraad vir Technikononderwys, 1986 (Wet No. 88 van 1986);

(4) die technikon vir hierdie doel geen onroerende bates buite sy hoofkampus aankoop of daarstel nie;

(5) die aard en omvang van die opleiding wat verskaf gaan word en die aanvang en duur van die samewerking gespesifieer word; en

(6) alle tersaaklike aangeleenthede rakende menslike, fisiese en finansiële hulpbronne en inligting gespesifieer word.

4. When the training of students with a view to obtaining a technikon qualification is undertaken in co-operation with a technical college or other formal education institution, the agreement shall provide that—

(1) the council of the technikon shall accept final responsibility for the scope and quality of the instructional programmes and instructional offerings;

(2) the admission requirements for the students shall be determined by the council of the technikon in accordance with the existing policy;

(3) all members of staff employed by the authority or institution concerned who provide tuition for students shall—

(a) be appointed by the technikon on a joint establishment; or

(b) be accredited as lecturers by the technikon; or

(c) be selected and appointed by the technikon and the relevant authority jointly;

(4) the general policy referred to in section 2 of the National Policy for General Education Affairs Act, 1984 (Act No. 76 of 1984), and the conditions of SERTEC in terms of the Certification council for Technikon Education Act, 1986 (Act No. 88 of 1986), shall be complied with;

(5) decisions in connection with the use of technikon resources (including staff, library facilities and equipment) for the purpose of training students to obtain a technikon qualification shall rest with the technikon;

(6) the technikon shall take into account the students for subsidy purposes: Provided that provision may be made for the technikon to recompense the individuals or institution concerned for assistance given in the provision of tuition;

(7) the student fees for tuition shall be determined by the technikon and paid to the technikon; and

(8) the technikon with, as far as is necessary, the assistance of the authority or the institution concerned, shall report to the head of the relevant Government department responsible for education on the activities in terms of the agreement, according to the directions that may from time to time apply.

4. Wanneer die opleiding van studente met die oog op die verwerwing van 'n technikonkwalifikasie, in samewerking met 'n tegniese kollege of ander formele onderwysinrigting onderneem word, moet die ooreenkoms daarvoor voorsiening maak dat—

(1) die raad van die technikon die finale verantwoordelikheid aanvaar vir die omvang en gehalte van die onderrigprogramme en onderrigaanbieding;

(2) die toelatingsvereistes vir die studente deur die raad van die technikon ooreenkomstig die bestaande beleid bepaal word;

(3) alle personeellede in diens van die betrokke owerheid op inrigting wat onderwys aan studente gee—

(a) deur die technikon op 'n gesamentlike diensstaat aangestel word; of

(b) deur die technikon as dosente geakkrediteer word; of

(c) gesamentlik deur die technikon en die betrokke owerheid gekeur en aangestel word;

(4) voldoen word aan die algemene beleid bedoel in artikel 2 van die Wet op die Nasionale Beleid vir Algemene Onderwyssake, 1984 (Wet No. 76 van 1984), en SERTEC se voorwaardes ingevolge die Wet op die Sertifiseringsraad vir Technikononderwys, 1986 (Wet No. 88 van 1986);

(5) besluite in verband met die gebruik van technikonhulpbronne (met inbegrip van personeel, biblioteekgeriewe en toerusting) vir die opleiding van studente met die oog op die verwerwing van 'n technikonkwalifikasie, by die technikon berus;

(6) die technikon die studente vir subsidiedoeleindes in berekening bring: Met dien verstande dat daarvoor voorsiening gemaak kan word dat die technikon die betrokke individue of inrigting vergoed vir hulp verleen by die verskaffing van onderwys;

(7) die studentegelde vir onderrig vasgestel word deur die technikon en aan die technikon betaal word; en

(8) die technikon, met sover nodig die bystand van die betrokke owerheid of inrigting, aan die hoof van die betrokke Staatsdepartement wat verantwoordelik is vir onderwys verslag doen oor die werksaamhede kragtens die ooreenkoms en wel ooreenkomstig die voorskrifte wat van tyd tot tyd van toepassing is.
