MEDIA RELEASE

No. 1 OF 1994

DEPARTMENT OF FINANCE: INLAND REVENUE

VALUE-ADDED TAX (VAT): EVASION—FICTITIOUS EXPORTS

The VAT system which was introduced in 1991 has reduced tax evasion in South Africa but Inland Revenue is concerned about VAT fraud in relation to fictitious exports of certain commodities, in particular sugar, tobacco, toiletries and confectionery. Goods are purported to have been exported but are in fact being sold into the informal sector or to final consumers in South Africa. Concern has also been expressed by vendors whose normal trading activities are being disrupted by these malpractices and they are taking action to furnish information to Inland Revenue in this regard.

Vendors registered for VAT are requested to be on the lookout for fraudulent export documentation and are cautioned that where they are unable to justify the granting of a zero rate or the making of a refund of VAT to businesses in neighbouring countries with genuine proof of export they will be liable for the payment of VAT at the standard rate and the prescribed interest and penalties. They should report suspect cases to their Receivers of Revenue.

Discussions have taken place with tax authorities in neighbouring countries, whose taxes are also being evaded, and a concerted effort is being launched by Inland Revenue in co-operation with the business sector and tax authorities in neighbouring states to identify and prosecute offenders.

No. 1 VAN 1994

DEPARTEMENT VAN FINANSIES: BINNELANDSE INKOMSTE

BELASTING OP TOEGEVOEGDE WAARDE (BTW): ONTDIUKINGDENKBEELDIGE UITVOERE

Die BTW-stelsel wat in 1991 ingestel is, het belastingontduiking in Suid-Afrika verminder, maar Binnelandse Inkomste is bekommerd oor BTW-bedrog met betrekking tot denkbeeldige uitvoere van sekere kommoditeite, veral suiker, tabak, toiletware en lekkergoed. Daar word voorgegee dat goedere uitgevoer is, maar in werklikheid word dit binne die informele sektor of aan finale verbruikers in Suid-Afrika verkoop. Ondernemers wie se normale handelsaktiwiteite deur hierdie misdrywe omvergewerp word, het ook hulle besorgdheid uitgespreek en neem nou daadwerklike stappe om inligting in die verband aan Binnelandse Inkomste voor te lê.

Ondernemers wat vir BTW geregistreer is, word versoek om op die uitkyk te wees vir vervalste uitvoerdokumentasie en word vermaan dat indien hulle nie in staat is om die toestaan van 'n nulkoers of die doen van 'n terugbetaling van BTW aan die besighede in buurlande deur middel van egte bewys van uitvoer te regverdig nie, hulle vir die betaling van BTW teen die standaardkoers asook die voorgeskrewe rente en boetes aanspreeklik sal wees. Enige verdagte sake moet aan hulle Ontvangers van Inkomste gerapporteer word.

Samesprekings is met belastingowerhede in buurlande, wie se belastinge ook ontduik word, gehou en 'n doelgerigte poging word deur Binnelandse Inkomste in samewerking met die besigheidsektor en belastingowerhede in buurlande geloods om oortreders te identifiseer en te vervolg.

A number of evaders have already been identified and investigations have reached an advanced stage. Where tax fraud and collusion with the perpetrators of fraud is uncovered Inland Revenue will have no hesitation in instituting criminal proceedings and civil action for recovery of taxes. Additional tax equal to 200 per cent of the tax evaded will also be imposed.

- (a) Enige kweker se grond wat in 'n geproklameerde gebied in paragraaf 2 bedoel geleë is, is aan inspeksie deur die Plaaslike Plaa-gen-siektebestrydingskomitee wat daarvoor bevoegdheid het (hierna "die Komitee" genoem) onderworpe, met die doel om die aanwesigheid of afwesigheid van die plaag in subparagraaf (b) bedoel of 'n siekte in subparagraaf (c) bedoel te bepaal.

 - (i) Alle besmette suikerriet op die betrokke grond moet geoes en aan 'n meul gelewer word teen 'n datum deur die Komitee in oorleg met die betrokke Meulgroepraad en meulenaar bepaal.
 - (ii) Indien die Komitee egter tevrede is dat die betrokke grond slegs aan 'n ligte besmetting onderhewig is, kan die Komitee vereis dat die betrokke riet op 'n ouderdom deur die Komitee voorgeskryf, geoes word en dat alle besmette riet dan van die betrokke grond verwyder word.

- (c) If a disease is found in sugar cane on a grower's land, unless the Committee is satisfied that the level of infestation is such that it does not constitute a hazard, the following measures shall be taken or caused to be taken by the grower concerned:
- (i) In respect of **smut** all diseased cane and stools shall be removed and destroyed within a period prescribed by the Committee, which shall also prescribe the period during which the affected field or fields shall remain fallow in order to allow all volunteers of the diseased crop to be removed and destroyed by the grower concerned. Only disease-free seedcane of duly approved varieties recommended by the Committee may thereafter be planted on the land concerned.
 - (ii) In respect of **mosaic** all diseased cane and stools shall be removed and destroyed within a period prescribed by the Committee, which shall also prescribe the period during which the affected field or fields shall remain fallow in order to allow all volunteers of the diseased crop to be removed and destroyed by the grower concerned. Only disease-free seedcane of duly approved varieties recommended by the Committee may thereafter be planted on such land.
 - (iii) In respect of **leaf scald**, in the case of sporadic infestation, affected stools shall be removed and destroyed. In the case of heavy infestation, all diseased cane and stools shall be removed and destroyed. In every case the Committee shall determine the degree of infestation and the action which shall be taken and shall prescribe the periods within which the required action shall be performed and, in the case of heavy infestation, the period during which affected fields or parts thereof shall remain fallow in order to allow all volunteers of the diseased crop to be removed and destroyed by the grower concerned. Only disease-free seedcane of duly approved varieties recommended by the Committee may thereafter be planted on the land concerned.
 - (iv) In respect of **RSD** diseased cane may not be used as seedcane unless the cane concerned is treated in every case in accordance with methods specified by the Committee, which shall also prescribe the period during which affected fields shall remain fallow in order to allow all volunteers of the diseased crop to be removed and destroyed by the grower concerned. The Committee shall determine any preventive treatment to be applied by seedcane producers in order to control the disease in seedcane.
- (c) Indien 'n siekte in suikerriet op 'n kweker se grond gevind word, tensy die Komitee tevrede is dat die omvang van die besmetting sodanig is dat dit nie 'n gevaar inhou nie, moet die volgende maatreëls deur die betrokke kweker getref word of moet hy toesien dat dit getref word:
- (i) Ten opsigte van **blaarbrand** moet alle besmette riet en wortels verwyder en vernietig word binne 'n tydperk deur die Komitee voorgeskryf, wat ook die tydperk moet voorskryf waartydens die aangetaste land of landerye moet braaklê sodat alle opslag van die besmette oes deur die betrokke kweker verwyder en vernietig kan word. Slegs siektevrye saadriet van behoorlik goedgekeurde variëteite wat deur die Komitee aanbeveel is, mag daarna op die betrokke grond geplant word.
 - (ii) Ten opsigte van **bontblaar** moet alle besmette riet en wortels verwyder en vernietig word binne 'n tydperk deur die Komitee voorgeskryf, wat ook die tydperk moet voorskryf waartydens die aangetaste land of landerye moet braaklê sodat alle opslag van die besmette oes deur die betrokke kweker verwyder en vernietig kan word. Slegs siektevrye saadriet van behoorlik goedgekeurde variëteite wat deur die Komitee aanbeveel is, mag daarna op die betrokke grond geplant word.
 - (iii) Ten opsigte van **blaarskroei** moet, ingeval van sporadiese besmetting, aangetaste stoele verwyder en vernietig word. Ingeval van ernstige besmetting moet alle besmette riet en wortels verwyder en vernietig word. In elke geval moet die Komitee die graad van besmetting en die stappe wat gedoen moet word, bepaal en die tydperke voorskryf waarin die nodige optrede moet geskied, en ingeval van ernstige besmetting die tydperk waarin aangetaste landerye of gedeeltes daarvan moet braaklê sodat alle opslag van die besmette oes deur die betrokke kweker verwyder en vernietig kan word. Slegs siektevrye saadriet van behoorlik goedgekeurde variëteite wat deur die Komitee aanbeveel is, mag daarna op die betrokke grond geplant word.
 - (iv) Ten opsigte van **RVS** mag besmette riet nie as saadriet gebruik word nie tensy die betrokke riet in elke geval behandel word ooreenkomstig metodes deur die Komitee gespesifiseer, wat ook die tydperk moet voorskryf waartydens aangetaste landerye moet braaklê sodat alle opslag van die besmette oes deur die betrokke kweker verwyder en vernietig kan word. Die Komitee bepaal enige voorkomende behandeling wat deur saadriekwekers toegepas moet word ten einde die siekte in saadriet te beheer.

(d) If a grower fails, within the period prescribed by the Committee, to carry out any measures required to be taken by that grower, the Committee shall have the power to declare the whole of that grower's land, or any specified portion thereof, to be quarantined for such period or periods as may be determined by it.

HEDFIN FINANSIËLE EN BOEKSKULD ADVISEURS CC, NODOR FINANSIËLE EN BOEKSKULD ADVISEURS CC, ALL-A-ROUND FINANCE SERVICES CC, L & D FINANSIËLE EN BOEKSKULD ADVISEURS AND RELATED PERSONS

CONTENT

1. Introduction.
2. The parties.
3. The business practice.
4. Evaluation.
5. Recommendation.

1. INTRODUCTION

The Business Practices Committee (the Committee) received complaints concerning the business practices of a number of the so called financial and debt advisors. These complaints were received from the Consumer Council, the media, the Legal Aid Buro and a number of individuals.

Apparently the business of these debt advisors comprises of offering financial assistance to consumers and by acting as mediators between consumers (debtors) and creditors. Promises of assistance in the obtaining of loans were made to consumers who experienced financial problems.

In *Government Gazette* No. 15238 of 5 November 1993 under General Notice 1101 of 1993, the Committee gave notice of its intention to conduct an investigation in terms of section 8 (1) (a) of the Harmful Business Practices Act, 1988 (Act No. 71 of 1988) (the Act) into the business practices of the relevant advisors.

2. THE PARTIES

The parties are Hedfin Finansiële en Boekskuld Adviseurs CC, Nodor Finansiële en Boekskuld Adviseurs CC, All-A-Round Finance Services CC, L & D Finansiële en Boekskuld Adviseurs, Gert Abraham van der Walt, Gawie Jacobus de Kock, Barend Lourens Petrus Giani, Stanley West, Waldema Robert von Willing, Marteus Johannes Rudolph von Willing, Johannes Frederik O'Reilly, Debbie Nel and any agent, broker, employee or representative of the above.

For the purpose of this report the parties will be referred to as mediators.

3. THE BUSINESS PRACTICE

The mediators advertised in newspapers and magazines as rendering the services of financing and debt mediation. The advertisements offered punctual and professional service, peace of mind and redemption of debt problems and the attention was focused on the availability of loans and the mediation and distribution of debt.

Clients who were in urgent need of money were told that they qualified for a loan which would be available as soon as certain formalities were complied with and a prescribed payment was made to the mediator. The initial payment was calculated as a percentage of the total debt of the client.

Many of the clients were under the impression that they applied for a loan, but were later surprised to learn that they entered into agreements to distribute their debt, notwithstanding their explicit instruction that they were not interested in debt distribution.

Some clients were led to believe that the business would act as sole creditor on behalf of all his existing creditors. The client would then pay back his entire debt to the mediator.

In each case the mediators claimed that the relevant loan would be available within days and that the first payment to creditors would commence immediately. In some instances clients were informed by telephone that the money was available and could be collected. On arrival the clients were kept in the dark by numerous excuses and eventually told that the money should be obtained through a bank or a broker.

Standard contracts were used by mediators containing a list of fees payable by the client to the mediator and inter alia specifies that the payments by clients were in the first instance utilised to meet the mediator's expenses. The mediator's fees usually amounted to 70 per cent of the client's first payment, a levy for taking instructions and drawing up a contract as well as a fee for the reference to the money lender. Costs in respect of letters, telephone calls and postage were also recovered from clients.

According to the loan clause in most of the contracts the mediator undertook to introduce the client to a person or institution (broker) where the client could lodge an application for a loan to pay his total debt. Clients usually failed to read the contract and it seems that most of the complainants were not aware of this clause when they entered into the agreement with the mediator. The contract also contains a stipulation that the client's application for a loan to pay his creditors should be regarded as a separate agreement between himself and the broker.

According to the contract between the mediator and the broker, the client undertakes to pay a monthly amount to the mediator for distribution among the creditors of the client. Irregular payments constitute breach of contract by the client. This breach of contract enabled the mediator to cancel the contract and to claim the money he has received.

The Committee established that the fee of the mediator varied between 100 and 160 per cent of the first instalment paid by the client. Consequently the second payment served to cover the rest of the cost. Then only funds were available for distribution to creditors.

4. EVALUATION

In marketing documents the impression was being created by mediators that they would assist clients in obtaining loans, the consolidation of debt and in general give advice concerning financial matters. The contractual agreement between clients and mediators differed substantially from the verbal representations made by personnel of the mediators to clients. The Committee could find no evidence that any of the mediators made loans available to clients. With the exception of a few payments, the Committee could not confirm that debt distribution formed a major part of the business activities of the mediators. Substantial payments were however made to the mediators by the clients in the hope that debt owed to creditors would be paid, as promised by the mediators.

On the basis of their agreement with the mediator and promises made by his employees many clients stopped payments to their creditors. These payments were made to the mediators. In many cases this led to legal action by creditors against consumers, with detrimental consequences for these consumers. The mediators, apart from taking payments from clients and giving little or no real value in return also disrupted the contractual arrangements between clients and creditors. Mediators thus placed clients in an even worse financial position.

After the clients terminated the agreement, the mediators even sought to obtain outstanding costs by giving it to debt recovery agents or giving clients notice of their intention to take legal action in a civil court to recover due payments. In some cases the clients were threatened that their names would be passed on to credit bureaux if they did not pay the outstanding administration fee.

Financial records of the mediators are generally in disarray. Since the inception of the investigation by the Committee no financial statements have been submitted by any of the parties. There has been no attempt to keep trust monies separate and it has been mixed with the incomes and expenditures of the businesses. Some cheques to creditors were relatively small in relation to the size of the debt. Payments by clients were utilized for running costs, commissions and salaries of the mediators. It appears that the mediators regarded all monies obtained as their own.

Available information indicates that since the inception of the investigation by the Committee payments by clients to mediators have considerably decreased. This is an indication that clients realised that they have been misled and they terminated their agreements with the mediators. According to available information Nodor, Hedfin and L & D are still conducting business, but All-A-Round seems to be closed. It is possible that individuals that were active in the last mentioned business are conducting business under another name.

In a hypothetic scenario where a consumer has a debt of R10 000, he will in terms of section 74 of the Magistrates Court Act, 1944 be placed under administration and pay the amount of R1 250 to the administrator for services rendered, in comparison to the client who will pay R3 030 to the mediator.

The Committee came to the conclusion that the business practices of the mediators constitute a harmful business practice as defined in section 1 of the Act. There is no doubt that business practices of this nature are not in the public interest.

5. RECOMMENDATION

In the light of the above-mentioned the Committee recommends that the Minister—

- (a) in terms of section 12 (1) (b) of the act declares unlawful the business practice whereby the parties make finance available, give assistance to debtors or make payments on behalf of debtors to creditors, whether acting independently or in concert with any other person;
- (b) in terms of section 12 (1) (c) of the Act directs the parties to refrain from the application or continuation of any business practice of which the making available of financing, the rendering of assistance to consumers, or the undertaking of payments on the behalf of debtors to creditors forms part, and to cease to have any interest in a business or type of business which applies such a business practice or to derive any income therefrom and to refrain from at any time obtaining any interest in or deriving any income from a business or type of business applying such a business practice.

LOUISE A. TAGER,

Chairman: Business Practices Committee.

**HEDFIN FINANSIËLE EN BOEKSKULD ADVISEURS BK, NODOR FINANSIËLE EN BOEK-
SKULD**

1. INLEIDING

Die Sakepraktykekomitee (die Komitee) het klagtes ontvang oor die sakepraktyke van 'n aantal sogenaamde finansiële en boekskuld adviseurs. Die klagtes is van die Verbruikersraad, die pers, die Regshulpburo en 'n groot aantal individue ontvang.

Die skuldadviseurs het oënskynlik sake gedoen deur finansiële hulp aan verbruikers te verleen en deur as 'n tussenganger tussen verbruikers (skuldenaars) en skuldeisers op te tree. Beloftes van hulp met die verkryging van lenings is ook aan verbruikers wat finansiële probleme ondervind, gemaak.

Die Komitee het by Algemene Kennisgewing 1101 van 1993, gepubliseer in *Staatskoerant* No. 15238 van 5 November 1993, kennis gegee van sy besluit om kragtens artikel 8 (1) (a) van die Wet op Skadelike Sakepraktyke, 1988 (Wet No. 71 van 1988) (die Wet), ondersoek in te stel na die sakepraktyke van gemelde skuldadviseurs.

2. DIE PARTYE

Die partye is Nodor Finansiële en Boekskuld Adviseurs BK, Hedfin Finansiële en Boekskuld Adviseurs BK, All-A-Round Finance Services BK, L & D Finansiële en Boekskuld Adviseurs, Gert Abraham van der Walt, Gawie Jacobus de Kock, Barend Lourens Petrus Giani, Stanley West, Waldema Robert von Willing, Marteus Johannes Rudolph von Willing, Johannes Frederik O'Reilly, Debbie Nel en enige agent, makelaar, werknemer of verteenwoordiger van bogenoemde.

Vir doeleindes van hierdie verslag sal na die partye as bemiddelaars verwys word.

3. DIE SAKEPRAKTYK

Die bemiddelaars het dienste soos finansiering en die konsolidasie van skuld in koerante en tydskrifte geadverteer. Die advertensies het deurgaans stiptelike en bekwame diens, gemoedsrus en verlossing van skuldprobleme aangebied en het die aandag gevestig op die beskikbaarheid van lenings en die konsolidasie en verdeling van skuld.

Kliënte wat dringend geld nodig gehad het, is meegedeel dat hulle vir 'n lening kwalifiseer wat beskikbaar sal wees sodra daar aan sekere formaliteite voldoen is en 'n vereiste betaling van die bemiddelaar gedoen is. Die aanvanklike betaling is bereken as 'n persentasie van die totale skuld van die kliënt.

Baie kliënte wat van mening was dat hulle om 'n lening aansoek gedoen het, was later verras toe hulle ontdek dat hulle ooreenkomste aangegaan het vir die verdeling van hulle skulde nieteenstaande hulle uitdruklike opdrag dat hulle nie in skuldverdeling belangstel nie.

Sommige kliënte is onder die indruk gebring dat die betrokke onderneming as alleenskuldeiser in die plek van hulle bestaande skuldeisers sou tree. Die kliënt sou dan sy totale skuld aan die bemiddelaar terugbetaal.

Die bemiddelaars het in elke geval aangevoer dat die verlangde lening binne enkele dae beskikbaar sou wees of dat die eerste betaling aan skuldeisers onmiddellik sou begin. Soms is kliënte telefonies meegedeel dat die geld beskikbaar is en afgehaal kan word. Daag die kliënte op is hulle met verskonings in onsekerheid gehou en uiteindelik meegedeel dat die geld in werklikheid deur 'n bank of makelaar verkry moes word.

Die bemiddelaar het standaardkontrakte verskaf wat 'n lys van gelde bevat wat deur die kliënt aan die bemiddelaar betaalbaar is en onder meer bepaal dat betalings van kliënte eerstens vir die bestryding van die bemiddelaar se koste aangewend word. Die bemiddelaar se fooie bestaan gewoonlik uit ongeveer 70 persent van die kliënt se eerste betaling, 'n heffing vir die neem van instruksies en die opstel van die kontrak asook 'n fooi vir die verwysing na die geldskietter. Koste ten opsigte van briewe aan kliënte, telefoonoprope en posgeld is ook deur bemiddelaars van kliënte verhaal.

Volgens die leningsparagraaf van die meeste kontrakte het die bemiddelaar onderneem om die kliënt voor te stel aan 'n persoon of instelling ('n makelaar) by wie die kliënt aansoek kan doen om 'n lening wat die kliënt in staat sou stel om sy totale skuldverpligting te vereffen. Kliënte het gewoonlik nagelaat om die kontrak te lees en dit kom voor asof die meeste klaers onbewus was van hierdie klousule op die stadium dat hulle die ooreenkoms met die bemiddelaars aangegaan het. Die kontrak bevat ook 'n bepaling dat die kliënt se aansoek om 'n lening vir die betaling van sy skuldeisers nie deel vorm van die ooreenkoms tussen hom en die bemiddelaar nie en dat afsonderlike ooreenkomste tussen hom en die makelaar aangegaan sal word.

Ingevolge die kontrakte wat die bemiddelaars met kliënte gesluit het, onderneem laasgenoemde om maandeliks 'n bepaalde bedrag aan die bemiddelaars te betaal vir verdeling onder die kliënte se skuldeisers. Ongereelde paaielemente het gedien as grondslag vir kontrakbreuk deur die kliënt. Hierdie kontrakbreuk het die bemiddelaar instaat gestel om die kontrak te kanselleer en aanspraak te maak daarop om die geld wat hy ontvang het te behou.

Die Komitee het vasgestel dat die fooi van die bemiddelaars gewissel het tussen 100 en 160 persent van die eerste paaielement wat kliënte moes betaal. Dit het dikwels daarop neergekom dat die tweede betaling die res van die koste moes dek. Eers daarna was geld beskikbaar om die skuldeisers te betaal.

4. EVALUERING

Bemiddelaars gee in reklamedokumente voor dat hulle kliënte behulpsaam kan wees met die verkryging van lenings, die konsolidasie van skuld en in die algemeen advies kan lewer aangaande finansiële aangeleenthede. Die kontraktuele ooreenkomste tussen kliënte en die bemiddelaars verskil aansienlik van die mondelinge voorstellings wat deur personeel van die bemiddelaars aan kliënte gemaak is. Die Komitee kon geen bewys vind dat enige van die bemiddelaars lenings aan kliënte beskikbaar gestel het nie. Met die uitsondering van enkele betalings wat aan skuldeisers gemaak is, kon die Komitee geen bevestiging kry dat skulddistribusie 'n noemenswaardige deel van bemiddelaars se besighedsaktiwiteite uitgemaak het nie. Aansienlike betalings is egter deur kliënte aan die bemiddelaars gemaak met die hoop dat hulle skuld teenoor skuldeisers daardeur gedelg sou word, soos deur bemiddelaars in die vooruitsig gestel.

Vertrouend op hulle ooreenkoms met die bemiddelaar en beloftes van sy werknemers het baie kliënte die betaling van paaielemente aan hulle skuldeisers gestaak. Hierdie betalings is aan die bemiddelaars gerig. Dit het in verskeie gevalle daartoe gelei dat skuldeisers regstappe teen sulke verbruikers ingestel het, met ernstige nadelige finansiële gevolge vir hierdie verbruikers. Die bemiddelaars het, benewens die geld wat hulle van hulle kliënte geneem het en waarvoor min of geen waarde in ruil gegee is, ook die kliënte se kontraktuele ooreenkomste met hulle skuldeiser ontwig. Die bemiddelaars het hulle kliënte van die wal in die sloot gehelp.

Bemiddelaars het selfs, nadat kliënte die ooreenkoms gekanselleer het, die uitstaande koste van hulle probeer verhaal deur dit aan skuldinvorderaars te oorhandig of om 'n kennisgewing van voorneme om in 'n siviele hof geregtelike stappe ter invordering van skuld te doen, aan kliënte te stuur. In sommige gevalle is kliënte gedreig dat hulle name aan kredietburo's gegee sal word indien hulle nie die uitstaande administrasiekoste betaal nie.

Die rekeningkundige rekords van die bemiddelaars is in die algemeen baie gebrekkig. Sedert die instelling van die Komitee se ondersoek kon geen finansiële state deur enige van die partye voorgelê word nie. Daar is geen poging aangewend om trustgelde afsonderlik te hou nie en dit het vermeng geraak in die inkomste en die uitgawes van die ondernemings. Sommige tjeks aan die skuldeisers was relatief klein in verhouding met wat verskuldig was. Kliënte se paaielemente is gebruik om bemiddelaars se bedryfsuitgawes, kommissie en salarisse te betaal. Dit kom voor asof die bemiddelaars alle gelde wat ontvang is as hulle eie beskou het.

Beskikbare inligting dui daarop dat sedert die instelling van die Komitee se ondersoek betalings deur kliënte aan bemiddelaars aansienlik afgeneem het. Dit is 'n aanduiding dat kliënte besef het dat hulle mislei is en gevolglik hulle verbintenisse met die betrokke bemiddelaars verbreek het. Volgens beskikbare inligting doen Nodor, Hedfin en L & D steeds besigheid terwyl All-A-Round skynbaar sy deure gesluit het. Dit is natuurlik moontlik dat individue wat by laasgenoemde onderneming betrokke was dieselfde besigheid onder 'n ander handelsnaam kan bedryf.

In 'n hipotetiese geval van 'n verbruiker wat 'n totale skuld van R10 000 het, sal so 'n verbruiker, indien hy ingevolge artikel 74 van die Wet op Landdroshoe, 1944, onder administrasie geplaas is, na berekening R1 250 aan die administrateur betaal vir dienste gelewer, vergeleke met die bemiddelaar wie se kliënt R3 030 moet betaal.

Die Komitee kom tot die gevolgtrekking dat die sakepraktyke van die bemiddelaars 'n skadelike sakepraktyk, soos omskryf in artikel 1 van die Wet, daarstel. Daar bestaan geen twyfel dat sakepraktyke van hierdie aard nie in die openbare belang geregverdig kan word nie.

5. AANBEVELING

Uit hoofde van die voorgaande beveel die Komitee aan dat die Minister—

- (a) ingevolge artikel 12 (1) (b) van die Wet die sakepraktyke onwettig verklaar waardeur die partye finansiering beskikbaar stel, bystand aan skuldnaars verleen of betalings namens skuldnaars aan skuldeisers te onderneem, hetsy hulle onafhanklik of tesame met iemand anders optree.
- (b) ingevolge artikel 12 (1) (c) van die Wet die partye gelas om af te sien van die toepassing of voortsetting van enige sakepraktyk waarvan die beskikbaarstelling van finansiering, die verlening van hulp aan verbruikers of die onderneming van betaling namens skuldnaars aan skuldeisers deel uitmaak, en om op te hou om enige belang te hê in 'n besigheid of tipe besigheid wat so 'n sakepraktyk toepas of om enige inkomste daaruit te kry en om daarvan af te sien om te eniger tyd enige belang in 'n besigheid of tipe besigheid wat so 'n sakepraktyk toepas, te verkry of om enige inkomste daaruit te verkry.

LOUISE A. TAGER,

Voorsitter: Sakepraktykekomitee.

NOTICE 1196 OF 1994

BOARD ON TARIFFS AND TRADE

CUSTOMS AND EXCISE APPLICATIONS

REVISION OF THE RATES OF DUTY APPLICABLE TO PRODUCTS CLASSIFIABLE UNDER CHAPTER 28

In considering the application lodged by the Trade and Industry Working Group of the National Economic Forum (NEF) and in the light of submissions received, the Board concluded that, although many NEF proposals could be justified in respect of certain tariff sub-headings, the proposed tariffs are questionable since it is uncertain whether—

- (a) the product concerned is manufactured in the customs union area (some of these duties may have been introduced for fiscal purposes); and/or
- (b) the level of duty is in fact correct and is required to promote the development of the industry concerned in particular and economic development in general.

The Board has consequently decided to investigate the following tariff headings/subheadings with the possibility that the **present rate of duty** could be reduced to free:

(A) To free of duty/Na vry van reg

KENNISGEWING 1196 VAN 1994

RAAD OP TARIEWE EN HANDEL

DOEANE- EN AKSYNSTARIEFAANSOEKE

HERSIENING VAN DIE SKALE VAN DOEANEREG VAN TOEPASSING OP PRODUKTE INDEELBAAR BY HOOFSTUK 28

By oorweging van die aansoek ingedien deur die Handel- en Nywerheidswerkgroep van die Nasionale Ekonomiese Forum (NEF) en in die lig van die kommentaar wat ontvang is, het die Raad besluit dat, niesteenstaande die feit dat daar regverdiging bestaan vir die meerderheid van die NEF se voorstelle ten opsigte van bepaalde tariefsubposte, die skale van reg bevestigte kan word, aangesien daar onsekerheid bestaan oor—

- (a) of die betrokke produkte binne die doeane-uniegebied vervaardig word (betrokke regte mag ingestel gewees het om fiskale redes); en/of
- (b) die vlak van reg inderdaad korrek is en benodig word as aanmoediging vir die spesifieke bedryf of vir ekonomiese ontwikkeling in die algemeen.

In die lig van bovermelde het die Raad besluit om die volgende tariefposte/-subposte te ondersoek met die moontlikheid dat die **bestaande skale van reg** verlaag word na vry:

BOARD ON TARIFFS AND TRADE

CUSTOMS AND EXCISE APPLICATIONS

REVISION OF THE RATES OF DUTY APPLICABLE TO PRODUCTS CLASSIFIABLE UNDER CHAPTER 29

In considering the application lodged by the Trade and Industry Working Group of the National Economic Forum (NEF) and in the light of submissions received, the Board concluded that, although many NEF proposals could be justified in respect of certain tariff subheadings, further investigation is warranted as the proposed tariffs are questionable since it is uncertain whether—

- (a) the product concerned is manufactured in the customs union area (some of these duties may have been introduced for fiscal purposes); and/or
- (b) the level of duty is in fact correct and required to promote the development of the industry concerned in particular and economic development in general.

The Board has consequently decided to further investigate the following tariff headings/subheadings with the possibility that the **present rate of duty** could be increased or reduced or scaled down to free:

In considering the application lodged by the Trade and Industry Working Group of the National Economic Forum (NEF) and in the light of submissions received, the Board concluded that, although many NEF proposals could be justified in respect of certain tariff subheadings further investigation is warranted as the proposed tariffs are questionable since it is uncertain whether—

- the product concerned is manufactured in the customs union (some of these duties may have been introduced for fiscal purposes; and/or
- the level of duty is in fact correct and required to promote the development of the industry concerned in particular and economic development in general.

The Board has consequently decided to further investigate the undermentioned tariff headings/subheadings with the possibility that the **present rates of duty** could be reduced or scaled down to free:

In considering the application lodged by the Trade and Industry Working Group of the National Economic Forum (NEF) and in the light of submissions received, the Board concluded that, although many NEF proposals could be justified in respect of certain tariff sub-headings, the proposed tariffs are questionable since it is uncertain whether—

By oorweging van die aansoek ingedien deur die Handel- en Nywerheidswerkgroep van die Nasionale Ekonomiese Forum (NEF) en in die lig van die kommentaar wat ontvang is, het die Raad besluit dat, nieteenstaande die feit dat daar regverdiging bestaan vir die meerderheid van die NEF se voorstelle ten opsigte van bepaalde tariefsubposte, die skale van reg bevestig kan word, aangesien daar onsekerheid bestaan oor—

- (a) of die betrokke produkte binne die doeane-uniegebied vervaardig word (betrokke regte kon ingestel gewees het om fiskale redes); en/of
- (b) die vlak van reg inderdaad korrek is en benodig word as aanmoediging vir die spesifieke bedryf of vir ekonomiese ontwikkeling in die algemeen.

In die lig van bovermelde het die Raad besluit om die ondergemelde tariefposte/-subposte te ondersoek met die moontlikheid dat die **bestaande skale van reg** verhoog of verlaag word of na vry verminder of afgeskaal kan word:

NOTICE 1214 OF 1994**BOARD ON TARIFFS AND TRADE****CUSTOMS AND EXCISE APPLICATIONS****REVISION OF THE RATES OF DUTY APPLICABLE TO PRODUCTS CLASSIFIABLE UNDER CHAPTER 96**

In considering the application lodged by the Trade and Industry Working Group of the National Economic Forum (NEF) and in the light of submissions received, the Board concluded that, although many NEF proposals could be justified in respect of certain tariff subheadings, the proposed tariffs are questionable since it is uncertain whether—

- the product concerned is manufactured in the customs union area (some of these duties may have been introduced for fiscal purposes); and/or
- the level of duty is in fact correct and is required to promote the development of the industry concerned in particular and economic development in general.

The Board has consequently decided to investigate the following tariff headings/subheadings with the possibility that the **present rate of duty** could be increased reduced or scaled down to free:
