**Application of Act**

5

**2.** (1) This Act shall apply with reference to any kind of animal, or an animal of a specified breed of such kind of animal as the Minister may by notice in the *Gazette* declare to be an animal for the purposes of this Act.

(2) In the case of a new kind of animal or a new breed of such kind of animal to be imported into or to be bred in the Republic, the Minister shall make such declaration after considering the request, taking the international law into consideration and after considering comments received in response to an invitation by the registrar to interested persons to comment on a proposed declaration that had been published in the *Gazette* at least 30 days prior to such declaration. 10

(3) Different kinds of animals or breeds of such kinds of animals may be so declared in relation to different provisions of this Act: Provided that an animal or genetic material as referred to in section 17 shall only be declared upon a specific written application to the Minister by the relevant animal breeders' society. 15

(4) The Minister may declare that any provision of this Act shall only apply—

- (a) in one or more specified areas of the Republic; or  
 (b) to one or more specified countries. 20

**Designation of registrar**

**3.** (1) The Minister shall designate an officer in the Department, who has an appropriate tertiary qualification in the field of animal improvement, as Registrar of Animal Improvement, who shall exercise the powers and perform the duties conferred or imposed upon the registrar under this Act. 25

(2) (a) The registrar may delegate the powers or duties referred to in subsection (1) in writing to an officer who has appropriate qualifications and skills, or may authorise or direct such officer in writing to exercise such powers or perform such duties.

(b) Any power exercised or duty performed by an officer referred to in paragraph (a) 30 shall be deemed to have been exercised or performed by the registrar.

(c) Any decision made or order given by an officer referred to in paragraph (a) may be withdrawn or amended by the registrar, and shall, until it has been so withdrawn or amended, be deemed, except for the purposes of this paragraph, to have been made or given by the registrar. 35

**Discretionary powers of registrar**

**4.** (1) (a) Any discretionary power conferred on the registrar in terms of this Act, other than those conferred by section 16 or 17, shall not be exercised by him or her to the prejudice of any applicant or any other person who appears to the registrar to be an interested party, without giving such applicant or such other person an opportunity to be heard within such period as may be prescribed or, if no period has been prescribed, within such reasonable period as the registrar may determine. 40

(b) An applicant or other person referred to in paragraph (a) may waive such right to be heard.

(2) Whenever in terms of this Act any period is specified within which any act is to be performed or anything is to be done, the registrar may, subject to the provisions of section 16, extend such period either before or after its expiry. 45

**Register**

**5.** (1) The registrar shall keep a register of semen collectors, inseminators, embryo collectors, embryo transferors, import agents, centres, donor animals, animal breeders' societies and registering authorities which have been registered or approved and in which the prescribed particulars in respect of such semen collectors, inseminators, embryo collectors, embryo transferors, import agents, centres, donor animals, animal breeders' societies and registering authorities shall be recorded. 50

Republiek of op enige wyse hetsy teen 'n teenprestasie of andersins, aan iemand uitruil, van die hand sit of lewer; en het "verkoop", wanneer dit as 'n naamwoord gebruik word, 'n ooreenstemmende betekenis; (xxxiii) en (xxxviii) "voorgeskryf" by regulasie voorgeskryf. (xxvi)

### 5 Toepassing van Wet

2. (1) Hierdie Wet is van toepassing met betrekking tot enige soort dier, of 'n dier van 'n bepaalde ras van so 'n soort dier wat die Minister by kennisgewing in die *Staatskoerant* as 'n dier vir die doeleindes van hierdie Wet verklaar.
- (2) In die geval van 'n nuwe soort dier of 'n nuwe ras van so 'n soort dier wat in die Republiek ingevoer of geteel staan te word, maak die Minister so 'n verklaring na oorweging van die aansoek, met inagneming van die internasionale reg en na oorweging van kommentaar ontvang in reaksie op 'n uitnodiging deur die registerateur aan belanghebbendes om kommentaar op 'n voorgestelde verklaring te lewer wat minstens 30 dae voor sodanige verklaring in die *Staatskoerant* gepubliseer is.
- 10 15 (3) Verskillende soorte diere of rasse van daardie soort diere kan aldus met betrekking tot verskillende bepalings van hierdie Wet verklaar word: Met dien verstande dat 'n dier of genetiese materiaal soos bedoel in artikel 17 slegs verklaar word na ontvangs van 'n spesifieke skriftelike aansoek aan die Minister deur die betrokke dieretelersgenootskap.
- 20 (4) Die Minister kan verklaar dat die een of ander bepaling van hierdie Wet slegs van toepassing is—  
 (a) in een of meer bepaalde gebiede van die Republiek; of  
 (b) op een of meer vermelde lande.

### Aanwysing van registerateur

- 25 3. (1) Die Minister wys 'n beampete van die Departement, wat oor 'n gesikte tersiëre kwalifikasie op die gebied van diereverbetering beskik, as Registerateur van Diereverbetering aan, wat die bevoegdhede uitoefen en pligte verrig wat kragtens hierdie Wet aan die registerateur verleen of opgedra is.  
 (2) (a) Die registerateur kan die bevoegdhede of pligte in subartikel (1) bedoel, skriftelik aan 'n beampete wat oor gesikte kwalifikasies en vaardighede beskik, deleger, of kan so 'n beampete skriftelik magtig of gelas om sodanige bevoegdhede of pligte uit te oefen of te verrig.  
 (b) 'n Bevoegdheid uitgeoefen of plig verrig deur 'n beampete in paragraaf (a) bedoel, word geag deur die registerateur uitgeoefen of verrig te wees.  
 30 35 (c) 'n Beslissing of opdrag geneem of gegee deur 'n beampete in paragraaf (a) bedoel, kan deur die registerateur ingetrek of gewysig word, en word, totdat dit aldus ingetrek of gewysig is, geag, behalwe by die toepassing van hierdie paragraaf, deur die registerateur geneem of gegee te gewees het.

### Diskresionêre bevoegdhede van registerateur

- 40 4. (1) (a) 'n Diskresionêre bevoegdheid wat ingevolge hierdie Wet aan die registerateur verleen word, behalwe dié by artikel 16 of 17 verleen, word nie deur hom of haar tot nadeel van 'n aansoeker of iemand anders wat na die oordeel van die registerateur 'n belanghebbende is, uitgeoefen nie sonder dat hy of sy aan die aansoeker of ander persoon 'n geleentheid gegee het om binne die voorgeskrewe tydperk of, 45 indien 'n tydperk nie voorgeskryf is nie, binne die redelike tyd wat die registerateur bepaal, aangehoor te word.  
 (b) 'n Aansoeker of ander persoon in paragraaf (a) bedoel, kan afstand doen van die reg om aangehoor te word.  
 (2) Wanneer 'n tydperk ingevolge hierdie Wet bepaal word waarbinne 'n handeling 50 verrig of enigiets gedoen moet word, kan die registerateur, behoudens die bepalings van artikel 16, die betrokke tydperk verleng, hetsy voordat of nadat dit verstryk het.

### Register

5. (1) Die registerateur hou 'n register van semenopvangers, insemineerders, embryo-opvangers, embryo-ooplasers, invoeragente, sentrums, skenkerdiere, dieretelers-55 genootskappe en registrerende owerhede wat geregistreer of goedgekeur is en waarin die voorgeskrewe besonderhede met betrekking tot sodanige semenopvangers, insemineerders, embryo-opvangers, embryo-ooplasers, invoeragente, sentrums, skenkerdiere, dieretelersgenootskappe en registrerende owerhede aangeteken word.

(2) The register shall, upon payment of the prescribed fee, be open for inspection at the office of the registrar during office hours.

(3) The registrar shall furnish any person, at his or her request and on payment of the prescribed fee, with a copy of any particulars recorded in the register or a certificate in respect thereof.

5

### Register to be evidence

**6.** (1) The register shall be *prima facie* evidence of all matters directed or authorised by this Act to be noted therein.

(2) A certificate purporting to be signed by the registrar to the effect that an entry has or has not been made in the register or that any other thing authorised by this Act to be done, has or has not been done, shall be *prima facie* evidence of the matters specified in such certificate.

10

(3) A copy of an entry in the register or an extract from the register, purporting to be certified by the registrar, shall be admitted in evidence in any court of law without further proof or production of the original.

15

### Requirements for registration or approval

**7.** (1) A semen collector, inseminator, embryo collector or embryo transferor may be registered as such if—

- (a) he or she has successfully completed the prescribed course of instruction;
- (b) a veterinarian who has been designated by the registrar for such purpose has certified in the form determined by the registrar that the semen collector, inseminator, embryo collector or embryo transferor, as the case may be, has, in his or her opinion, sufficient practical and theoretical knowledge of the manner in which, in the case of a semen collector, semen or, in the case of an embryo collector, embryos or ova may be collected, evaluated, processed, packed or stored in terms of this Act, and in which animals, in the case of a semen collector, inseminator or embryo collector, may be so artificially inseminated or, in the case of an embryo collector or embryo transferor, be implanted with an ovum or embryo; and

25

- (c) he or she complies with such other requirements as may be prescribed.

30

(2) An import agent may be registered as such if he or she undertakes in writing to the registrar to make use of a customs clearing facility and laboratory conforming to the prescribed requirements for all genetic material imported by him or her on behalf of another person.

(3) Premises where genetic material is collected, evaluated, processed, packed, labelled, stored and sold, may be registered as a centre if—

35

- (a) the prescribed facilities are available at such premises for such purpose;
- (b) the technical operations at such premises, with reference to the care of animals being kept there, and the collection, evaluation, processing, packing, labelling and storage of genetic material, are controlled and managed by a person who complies with the prescribed requirements; and

40

- (c) such premises comply with such other requirements as may be prescribed.

(4) An animal may be approved as a donor of genetic material if—

45

- (a) a veterinarian has certified in the form determined by the registrar that such animal is acceptable in respect of—
  - (i) general state of health;
  - (ii) absence of disease;
  - (iii) quality of its semen, and
  - (iv) such other attributes as may be prescribed;

- (b) such animal complies with such other prescribed requirements.

50

### Registration or approval

**8.** (1) Any person who—

- (a) desires to be registered as a semen collector, inseminator, embryo collector, embryo transferor or import agent; or

- (b) desires—

55

(2) Die register is by betaling van die voorgeskrewe geld by die kantoor van die registrateur gedurende werksure ter insae beskikbaar.

(3) Die registrateur verstrek aan enigiemand op sy of haar versoek en by betaling van die voorgeskrewe geld 'n afskrif van enige besonderhede in die register aangeteken of 5 'n sertifikaat ten opsigte daarvan.

### Register dien as bewys

6. (1) Die register dien as *prima facie*-bewys van alle aangeleenthede wat deur hierdie Wet gelas of gemagtig word om daarin aangeteken te word.

(2) 'n Sertifikaat wat voorgee om deur die registrateur onderteken te wees ten effekte 10 dat 'n inskrywing wel in die register gemaak is of nie gemaak is nie of dat enigjies anders wat ingevolge hierdie Wet gemagtig is om gedoen te word, wel gedoen is of nie gedoen is nie, is *prima facie*-bewys van die aangeleenthede in daardie sertifikaat vermeld.

(3) 'n Afskrif van 'n inskrywing in die register of 'n uittreksel uit die register wat 15 voorgee om deur die registrateur gesertifiseer te wees, word sonder verdere bewys of voorlegging van die oorspronklike in 'n gereghof as getuenis toegelaat.

### Vereistes vir registrasie of goedkeuring

7. (1) 'n Semenopvanger, insemineerde, embryo-opvanger of embryo-ooplaser kan as sodanig geregistreer word indien—

20 (a) hy of sy die voorgeskrewe onderrigkursus met welslae voltooi het;

- (c) 'n Hernuwing ingevolge paragraaf (b) toegestaan, is behoudens die vroëre beëindiging daarvan ingevolge hierdie Wet geldig vir die voorgeskrewe tydperk, en 'n aansoek om die verdere hernuwing daarvan moet binne die voorgeskrewe tydperk ooreenkomsdig die bepalings van paragraaf (a), saamgelees met paragraaf (b), gedoen word.
- (d) Die registrateur oorweeg nie 'n aansoek om die hernuwing van 'n registrasie of goedkeuring wat na die vervaldatum daarvan ontvang is nie, tensy die aansoek binne 25 90 dae na sodanige vervaldatum ontvang is en die bykomende geld wat voorgeskryf is, betaal is.

### **Beëindiging van registrasie of goedkeuring**

- 10.** (1) Die registrateur kan te eniger tyd die registrasie van 'n semenopvanger, insemineerde, embrio-opvanger, embrio-ooplaser of invoeragent, of van 'n perseel as 'n sentrum, beëindig, en hy of sy kan die goedkeuring van 'n dier intrek indien hy of sy oortuig is dat—
- (a) 'n vereiste van hierdie Wet of 'n voorwaarde in artikel 8(8) bedoel, of artikel 8(8) soos toegepas deur artikel 9(2)(b), na gelang van die geval, nie nagekom is nie; of
- 35 (b) in die geval van die goedkeuring van 'n dier, die dier nie meer aan die vereistes van artikel 7(4) voldoen nie.
- (2) Indien die registrateur die registrasie van 'n semenopvanger, insemineerde, embrio-opvanger, embrio-ooplaser, of invoeragent, of van 'n perseel as 'n sentrum, beëindig of die goedkeuring van 'n dier intrek, stel hy of sy die persoon aan wie die 40 betrokke sertifikaat uitgereik is, skriftelik daarvan in kennis en van die gronde waarop dit gebaseer is.
- (3) Indien die registrateur gronde het om die registrasie van 'n groep persone as 'n dieretelersgenootskap, of van 'n dieretelersgenootskap of 'n groep van dieretelersgenootskappe as 'n registrerende owerheid, te beëindig, maak hy of sy ingevolge artikel 45 22 'n klage by die Minister aanhangig.

### **Dieretelersgenootskap**

- 11.** (1) 'n Groep persone kan as 'n dieretelersgenootskap geregistreer word indien—
- (a) die soort dier of 'n bepaalde ras van so 'n soort dier waarby so 'n groep persone betrokke is ingevolge artikel 2 as 'n dier vir die doeleindes van hierdie Wet verklaar is;
- 50 (b) geen ander sodanige registrasie ten opsigte van 'n dieretelersgenootskap wat betrokke is by dieselfde soort dier of ras van so 'n soort dier toegestaan is nie;
- (c) die grondwet van so 'n groep persone spesifiek voorsiening maak—
- (i) vir die bevordering, teelt, aantekening of registrasie, genetiese verbetering en gebruik van 'n soort dier of van 'n dier van 'n bepaalde ras van so 'n soort dier;
- 55 (ii) vir die bepaling en toepassing van rasstandaarde, en vir die aanbeveling

- recommendation, in its sole discretion, to a registering authority of the recording or the registration of an animal or of a specified breed bred or imported into the Republic;
- (iii) for the continued commitment to animal improvement;
  - (iv) for the manner in which the constitution may be amended; and
- (d) such group of persons complies with such requirements as may be prescribed.
- (2) An animal breeders' society or group of animal breeders' societies may be registered as a registering authority with reference to the kind of animal or kinds of animals of a specified breed or breeds of such kind of animals if—
- (a) no other such registration has been granted in respect of a registering authority which is concerned with the same animal or breed of animal: Provided that if another registering authority has been previously registered as such in respect of a specified kind of animal or a specified breed of such kind of animal, the registrar may, with due allowance for the decision of the majority of the breeders registered as such with the relevant animal breeders' society concerned with such a kind of animal or breed of such kind of animal, grant an application referred to in section 8(3);
  - (b) the constitution of such registering authority provides that—
    - (i) before any information with reference to an individual animal is accepted and the animal is registered or recorded, such information shall be subject to verification in respect of the correctness of parentage, the interbirth cycle of the dam, the ownership of the parents at the time of serving and the birth of the animal;
    - (ii) the manner of verification of all registration particulars, the manner in which records are created and kept, and the contents of the records shall comply with the requirements determined by the registrar, in consultation with all other registering authorities;
    - (iii) the applicable fees, if any, for the registration of prefixes and suffixes and for participation in the integrated registration and genetic information system, shall be paid to the organisation referred to in section 15(3)(a);
    - (iv) a breeder's right to direct participation in the integrated registration and genetic information system is acknowledged in the event of the animal breeders' society's failure to comply with its own constitution in the opinion of the registrar;
    - (v) the manner in which the constitution may be amended, is described; and
  - (c) such animal breeders' society or group of animal breeders' societies complies with such requirements as may be prescribed.

#### **Amendment of constitution**

- 12.** (1) An animal breeders' society or a registering authority shall make provision in its constitution for the manner in which such constitution may be amended: Provided that such amendment shall not be inconsistent with the provisions of this Act or with the constitution of the relevant registering authority.
- (2) The number of copies as may be prescribed of each such amendment or of the amended constitution shall be submitted to the registrar within 30 days after the amendment has been approved by an annual general meeting.
- (3) If the registrar is of the opinion that such amendment is inconsistent with the provisions of this Act, he or she shall notify the animal breeders' society or registering authority, as the case may be, within 30 days in writing thereof and of the grounds on which the decision has been made whereupon the amendment shall be null and void.

#### **Restriction of certain actions in respect of animals and genetic material** 50

- 13.** (1) No person shall—
- (a) collect, evaluate, process, pack or store embryos or ova unless—
    - (i) he or she is registered as an embryo collector in terms of section 8; or
    - (ii) he or she is the owner of an animal from which the embryos or ova are collected, evaluated, processed, packed or stored;
  - (b) import genetic material on behalf of another person unless he or she is registered as an import agent in terms of section 8.

- in sy uitsluitlike diskresie, aan 'n registrerende owerheid van die aantekening of registrasie van 'n dier of dier van 'n bepaalde ras wat in die Republiek geteel of ingevoer;
- (iii) vir 'n voortdurende verbintenis tot diereverbetering;
- 5 (iv) vir die wyse waarop die grondwet gewysig kan word; en
- (d) daardie groep persone voldoen aan die ander vereistes wat voorgeskryf is.
- (2) 'n Dieretelersgenootskap of groep dieretelersgenootskappe kan as registrerende owerheid met betrekking tot die soort dier of soorte diere van 'n bepaalde ras of rasse van sodanige soorte diere geregistreer word, indien—
- 10 (a) geen ander sodanige registrasie ten opsigte van 'n registrerende owerheid wat betrokke is by dieselfde dier of ras van 'n dier toegestaan is nie: Met dien verstande dat indien 'n ander registrerende owerheid voorheen as sodanig ten opsigte van 'n bepaalde soort dier of 'n bepaalde ras van so 'n soort dier geregistreer is, die registrator, met behoorlike inagneming van die besluit van die meerderheid van die telers wat as sodanig by die dieretelersgenootskap betrokke by so 'n soort dier of ras van so 'n soort dier geregistreer is, 'n aansoek in artikel 8(3) bedoel kan toestaan;
- 15 (b) die grondwet van die registrerende owerheid voorsiening maak dat—
- (i) voordat enige inligting met betrekking tot 'n individuele dier aanvaar is en die dier geregistreer of aangeteken word, daardie inligting onderwerp sal word aan verifikasiëring ten opsigte van die korrektheid van ouerskap, die tussengeboorteperiode van die moeder, die eienaarskap van die ouers ten tyde van dekking en die geboorte van die dier;
- 20 (ii) die wyse van verifikasiëring van alle registrasiebesonderhede, die wyse waarop rekords geskep en gehou word en dat die inhoud van die rekords sal voldoen aan die vereistes deur die registrator, in oorleg met alle ander registrerende owerhede bepaal;
- 25 (iii) die toepaslike geld indien enige, vir die registrasie van voor- of agtervoegsels en vir deelname aan die geïntegreerde registrasie en genetiese inligtingstelsel aan die organisasie in artikel 15(3)(a) bedoel, betaal sal word;
- 30 (iv) 'n teler se reg op direkte deelname aan die geïntegreerde registrasie en genetiese inligtingstelsel in geval van die nie-nakoming deur die dieretelersgenootskap van sy eie grondwet na die oordeel van die registrator, erken word;
- 35 (v) die wyse waarop die grondwet gewysig kan word, omskryf word; en
- (c) daardie dieretelersgenootskap of groep dieretelersgenootskappe voldoen aan die ander vereistes wat voorgeskryf is.

### **Wysiging van grondwet**

- 40 12. (1) 'n Dieretelersgenootskap of 'n registrerende owerheid maak in sy grondwet voorsiening vir die wyse waarop daardie grondwet gewysig kan word: Met dien verstande dat bedoelde wysiging nie onbestaanbaar met die bepalings van hierdie Wet of met die bepalings van die grondwet van die betrokke registrerende owerheid is nie.
- (2) Die getal afskrifte wat voorgeskryf word van elke sodanige wysiging of van die 45 gewysigde grondwet, moet binne 30 dae nadat die wysiging deur 'n algemene jaarvergadering goedgekeur is aan die registrator voorgelê word.
- (3) Indien die registrator van mening is dat daardie wysiging met die bepalings van hierdie Wet onbestaanbaar is, moet hy of sy die betrokke dieretelersgenootskap of registrerende owerheid, na gelang van die geval, daarvan en van die gronde waarop die 50 besluit geneem is, binne 30 dae skriftelik in kennis stel, waarop die wysiging nietig is.

### **Beperking op sekere handelinge met betrekking tot diere en genetiese materiaal**

13. (1) Niemand mag—

- (a) embryo's of eiselle opvang, evaluateer, verwerk, verpak of opberg nie tensy—
- (i) hy of sy ingevolge artikel 8 as 'n embryo-opvanger geregistreer is; of
- 55 (ii) hy of sy die eienaar is van 'n dier waarvan die embryo's of eiselle opgevang, geëvalueer, verwerk, verpak of opgeberg word;
- (b) genetiese materiaal namens iemand anders invoer nie tensy hy of sy ingevolge artikel 8 as 'n invoeragent geregistreer is.

(2) If a person who is registered as a semen collector, inseminator, embryo collector or embryo transferor in terms of section 8, artificially inseminates an animal or transfers ova or embryos into a recipient female animal, he or she shall provide the owner of such animal with a certificate containing the prescribed particulars.

#### Restriction on sale or importation of genetic material

5

**14.** (1) No person shall sell genetic material collected in the Republic or genetic material imported into the Republic unless such genetic material is accompanied by the prescribed written warranty.

(2) No person referred to in subsection (1) shall advertise that the progeny to be begotten from the use of such genetic material shall be recorded or registered in terms of any breed standards, unless the animal breeders' society concerned with animals to which the to be begotten progeny concerned belongs, grants prior approval in writing that such genetic material has been collected from a stud book animal of the specific breed and that such to be begotten progeny may be eligible for recording or registration in the herd book kept by the registering authority for that particular kind of animal or breed of such kind of animal.

10

15

#### Restriction on certain actions with reference to stud book animals

**15.** (1) No person shall—

- (a) represent or claim to represent breeders of stud book animals of a specific breed as an animal breeders' society;
- (b) advertise that he or she promotes the breeding, recording or registration, genetic improvement and use of a kind of animal or an animal of a specified breed of such kind of animal; or
- (c) determine and apply breed standards or recommend the recording or registration of an animal of a specified breed of animal bred in or imported into the Republic with a registering authority,

20

unless he or she is registered as an animal breeders' society in terms of section 8.

(2) No person shall in respect of the specified kind of animal or a specified breed of such kind of animal—

- (a) issue a certificate of registration of an animal which has been bred in or imported into the Republic;
- (b) issue a certificate of recording of an animal which has been bred in or imported into the Republic; or
- (c) issue a certificate with reference to the particulars of the pedigree of an animal which has been bred in or imported into the Republic,

unless he or she is registered as a registering authority in terms of section 8.

(3) (a) A certificate referred to in subsection (2)(a) or (b) shall only be issued if the registering authority concerned has registered on behalf of the breeder of the animal concerned a prefix or a suffix to indicate animals bred by him or her, with the organisation which is contracted by the Department to operate the integrated registration and genetic information system.

40

(b) Such a prefix or suffix shall be registered under conditions and on the payment of the fees determined by the organisation referred to in paragraph (a), and the registration of the prefix or suffix shall be maintained on the periodic payment of the fees and under the conditions which have been determined, and such organisation shall issue a certificate in respect of each such registration.

45

(c) A prefix or suffix which has been registered in favour of a person shall not be used by another person as a prefix or suffix or in any other manner to indicate an animal that has been bred by such other person.

(4) A power which in terms of subsection (2) only rests with a registering authority, shall not be so construed that it—

- (a) prohibits the breeder of an animal which is not registered or recorded by a registering authority to supply particulars of the pedigree of such animal in writing or otherwise; or
- (b) prohibits any person to supply particulars of the pedigree of an animal expressed on the certificate of registration or recording thereof in writing or otherwise.

(2) Indien iemand wat ingevolge artikel 8 as 'n semenopvanger, insemineerde, embryo-opvanger of embryo-ooplaser geregistreer is, 'n dier kunsmatig insemineer of eiselle of embryo's na 'n ontvangende vroulike dier oordra, na gelang van die geval, moet hy of sy die eienaar van so 'n dier van 'n sertifikaat voorsien wat die voorgeskrewe besonderhede bevat.

### **Beperking op verkoop of invoer van genetiese materiaal**

**14.** (1) Niemand mag genetiese materiaal wat binne die Republiek opgevang is of genetiese materiaal wat in die Republiek ingevoer is, verkoop nie tensy daardie genetiese materiaal vergesel gaan van die voorgeskrewe skriftelike waarborg.

- 10 (2) Niemand in subartikel (1) bedoel, mag adverteer dat die te verwekte nageslag deur die gebruik van sodanige genetiese materiaal aangeteken of geregistreer sal word ingevolge enige rasstandaarde nie, tensy die dieretelersgenootskap betrokke by diere van dieselfde ras as die te verwekte nageslag, vooraf geskrewe goedkeuring verleen dat sodanige genetiese materiaal vanaf 'n stamboekdier van daardie bepaalde ras opgevang 15 is en dat sodanige te verwekte nageslag kan kwalificeer vir aantekening of registrasie in die kudderegister wat deur die registrerende owerheid vir daardie spesifieke soort dier of ras van so 'n dier gehou word.

### **Beperking op sekere handelinge met betrekking tot stamboekdiere**

**15.** (1) Niemand mag—

- 20 (a) telers van stamboekdiere van 'n bepaalde ras as 'n dieretelersgenootskap verteenwoordig of aanspraak maak om hulle aldus te verteenwoordig nie;  
 (b) adverteer dat hy of sy die teelt, aantekening of registrasie, genetiese verbetering en gebruik van 'n soort dier of 'n dier van 'n bepaalde ras van so 'n soort dier bevorder nie; of  
 25 (c) rasstandaarde bepaal en toepas, of die aantekening of registrasie van 'n dier van 'n bepaalde ras of dier wat in die Republiek geteel of ingevoer is, by 'n registrerende owerheid aanbeveel nie,  
 tensy hy of sy ingevolge artikel 8 as dieretelersgenootskap geregistreer is.  
 (2) Niemand mag ten opsigte van die bepaalde soort dier of 'n bepaalde ras van so 30 'n soort dier—  
 (a) 'n sertifikaat van registrasie van 'n dier wat in die Republiek geteel of daarin ingevoer is, uitrek nie;  
 (b) 'n sertifikaat van aantekening van 'n dier wat in die Republiek geteel of daarin ingevoer is, uitrek nie; of  
 35 (c) 'n sertifikaat met betrekking tot die besonderhede in die stamboom van 'n dier wat in die Republiek geteel of daarin ingevoer is, uitrek nie,  
 tensy hy of sy ingevolge artikel 8 as 'n registrerende owerheid geregistreer is.

(3) (a) 'n Sertifikaat in subartikel (2)(a) of (b) bedoel, word slegs uitgereik indien die betrokke registrerende owerheid namens die teler van die betrokke dier 'n voor- of 40 agtervoegsel, wat die diere deur hom of haar geteel, aandui, by die organisasie, wat deur die Departement gekontrakteer is om die geïntegreerde registrasie en genetiese inligtingstelsel te bedryf, geregistreer het.

(b) So 'n voor- of agtervoegsel word geregistreer op die voorwaardes en teen betaling van die gelde wat bepaal word deur die organisasie in paragraaf (a) bedoel, en 45 die registrasie van die voor- of agtervoegsel word in stand gehou teen die periodieke betaling van die gelde en op die voorwaardes wat bepaal is, en daardie organisasie moet 'n sertifikaat ten opsigte van elke sodanige registrasie uitrek.

(c) 'n Voor- of agtervoegsel wat ten gunste van iemand geregistreer is, mag nie deur enigiemand anders as 'n voor- of agtervoegsel of op enige ander wyse gebruik word om 50 'n dier deur sodanige ander persoon geteel, aan te duie nie.

(4) 'n Bevoegdheid wat ingevolge subartikel (2) slegs by 'n registrerende owerheid berus, word nie so uitgelê nie dat dit—

- 55 (a) die teler van 'n dier wat nie by 'n registrerende owerheid geregistreer of aangeteken is, verbied om besonderhede van die stamboom van daardie dier skriftelik of andersins te verstrek nie; of  
 (b) iemand verbied om besonderhede van die stamboom van 'n dier wat op die sertifikaat van registrasie of aantekening daarvan weergegee word, skriftelik of andersins te verstrek nie.

### Importation of animals and genetic material

**16.** (1) No person shall import into the Republic—

- (a) an animal with the aim to record or register such animal in terms of any breed standards; or
- (b) genetic material with the aim to record or register the progeny to be begotten from such genetic material in terms of any breed standards,

unless such importation has been authorised by the registrar in writing.

(2) Any person desiring to obtain authorisation referred to in subsection (1), shall apply to the registrar in the prescribed manner and in the form determined by the registrar and pay the prescribed application fee in the prescribed manner.

(3) (a) The registrar shall consider such an application on the basis of the breed standards in his or her possession which were laid down in terms of the constitution of the animal breeder's society concerned regarding the kind of animal to which such animal or genetic material intended for import, belongs.

(b) The animal breeder's society concerned shall provide the registrar in writing with the breed standards referred to in paragraph (a), as often as it may be amended, as well as with information relating to the occurrence of poor performances or hereditary defects of an animal outside the Republic from which the genetic material originates.

(c) If the registrar is of the opinion that the breed standards are not consistent with a provision of this Act or that it is undesirable for some or other reason, he or she may refer such standards to the animal breeders' society concerned with a written request to make a recommendation thereon on the grounds set out in the request.

(4) If the registrar decides to grant an application—

- (a) he or she shall authorise the import concerned in writing and immediately send a copy of the authorisation referred to in subsection (1) to the animal breeders' society and registering authority concerned; and
- (b) the authorisation referred to in paragraph (a) shall be subject to the prescribed conditions or, in so far as it is not contrary to the conditions or the provisions of this Act, such conditions as may be determined by the registrar.

(5) A condition referred to in subsection (4)(b) may include a requirement regarding the quality thereof.

(6) If the registrar refuses such an application, he or she shall notify the applicant in writing of his or her decision and the grounds on which it is based.

(7) An authorisation in terms of this section shall not exempt the authorised person from the provisions of any other legislation in respect of the import of anything into the Republic.

(8) (a) If—

- (i) a person who has imported an animal or genetic material into the Republic—
  - (aa) imported or used such animal or genetic material in contravention of the provisions of this Act;
  - (bb) furnished information in or concerning his or her application to import such animal or genetic material to the registrar which is not true in any material respect; or
  - (cc) contravened or failed to comply with a condition in terms of which he or she is under this section authorised to import any such animal or genetic material; or
- (ii) the registrar is at any time of the opinion that an animal or genetic material, which such person has under this section been authorised to import, is harmful to animal improvement in the Republic,

the registrar may, whether or not criminal proceedings have been or may be instituted in terms of this Act against such person, direct him or her by written notice to destroy or remove from the Republic such animal or genetic material before a specified date at his or her own expense.

(b) If such animal or genetic material has not been destroyed or removed from the Republic before the date referred to in paragraph (a), such animal or genetic material shall be forfeited to the State and be destroyed or dealt with in such other manner as may be determined by the registrar.

**Invoer van diere en genetiese materiaal**

**16.** (1) Niemand mag in die Republiek—

(a) 'n dier invoer met die doel om so 'n dier aan te teken of te regstreer ingevolge enige rasstandaarde nie; of

5 (b) genetiese materiaal invoer met die doel om die te verwekte nageslag van sodanige genetiese materiaal aan te teken of te regstreer volgens enige rasstandaarde nie,

tensy daardie invoer skriftelik deur die registrateur gemagtig is.

(2) Iemand wat 'n magtiging ingevolge subartikel (1) wil bekom, moet op die 10 voorgeskrewe wyse en in die vorm deur die registrateur bepaal by die registrateur daarom aansoek doen en die voorgeskrewe aansoekgeld op die voorgeskrewe wyse betaal.

(3) (a) Die registrateur oorweeg so 'n aansoek met inagneming van die rasstandaarde wat in sy of haar besit is en wat neergelê is ingevolge die grondwet van die 15 dieretelersgenootskap wat betrokke is by die soort dier waaraan so 'n dier of genetiese materiaal wat vir invoer bestem is, behoort.

(b) Die betrokke dieretelersgenootskap moet die registrateur skriftelik voorsien van die rasstandaarde in paragraaf (a) bedoel, telkens wanneer wysigings daaraan aangebring word, asook van inligting in verband met die voorkoms van swak prestasies of 20 erlike gebreke by 'n dier buite die Republiek waarvan genetiese materiaal afkomstig is.

(c) Indien die registrateur van oordeel is dat die rasstandaarde nie met 'n bepaling van hierdie Wet bestaanbaar is nie, of dat dit om die een of ander rede ongewens is, kan hy of sy sodanige standaarde na die betrokke dieretelersgenootskap verwys met 'n 25 skriftelike versoek om 'n aanbeveling daaromtrent te maak op grond van die oorwegings in die versoek vermeld.

(4) Indien die registrateur besluit om 'n aansoek toe te staan—

(a) magtig hy of sy die betrokke invoer skriftelik, en moet hy of sy onverwyld 30 'n afskrif van die magtiging in subartikel (1) bedoel, aan die betrokke dieretelersgenootskap en registrerende owerheid stuur; en

(b) is die magtiging in paragraaf (a) bedoel, onderworpe aan die voorgeskrewe voorwaardes of, vir sover dit nie strydig met sodanige voorwaardes of die bepalings van hierdie Wet is nie, die voorwaardes wat die registrateur bepaal het.

35 (5) 'n Voorwaarde in subartikel (4)(b) bedoel, kan 'n vereiste betreffende die gehalte daarvan insluit.

(6) Indien die registrateur so 'n aansoek weier, stel hy of sy die aansoeker skriftelik in kennis van sy of haar beslissing en die gronde waarop dit gebaseer is.

(7) 'n Magtiging ingevolge hierdie artikel stel nie die gemagtigde persoon vry van 40 die bepalings van enige ander wet met betrekking tot die invoer van enigets in die Republiek nie.

(8) (a) Indien—

(i) 'n persoon wat 'n dier of genetiese materiaal in die Republiek ingevoer het—  
(aa) so 'n dier of genetiese materiaal strydig met die bepalings van hierdie 45 Wet ingevoer of gebruik het;

(bb) inligting in of in verband met sy of haar aansoek om so 'n dier of genetiese materiaal in te voer aan die registrateur verstrek het wat in 'n wesenlike opsig nie waar is nie; of

50 (cc) 'n voorwaarde ingevolge waarvan hy of sy kragtens hierdie artikel gemagtig is om 'n dier of genetiese materiaal in te voer, oortree het of versuim het om daaraan te voldoen; of

(ii) die registrateur te eniger tyd van oordeel is dat 'n dier of genetiese materiaal wat so 'n persoon kragtens hierdie artikel gemagtig was om in te voer skadelik is vir diereverbetering in die Republiek,

55 kan die registrateur, hetsy strafregtelike stappe ingevolge hierdie Wet teen so 'n persoon ingestel is of nie, hom of haar by wyse van 'n skriftelike kennisgewing gelas om voor 'n bepaalde datum so 'n dier of genetiese materiaal op eie koste te vernietig of uit die Republiek te verwyder.

(b) Indien so 'n dier of genetiese materiaal nie voor die datum in paragraaf (a) 60 bedoel, vernietig of uit die Republiek verwyder is nie, word daardie dier of genetiese materiaal aan die Staat verbeur en vernietig of word daaroor beskik op die wyse wat die registrateur bepaal.

(c) Cost incurred by the State concerning the destruction of or the disposal of an animal or genetic material in terms of paragraph (b), may be recovered from the person referred to in paragraph (a).

#### **Exportation of animals and genetic material of landrace**

**17.** (1) No person shall export from the Republic an animal or genetic material of a landrace unless such exportation has been authorised by the registrar in writing. 5

(2) The provisions of section 16(4), (5), (6), (7) and (8) shall *mutatis mutandis* apply for the purposes of this section.

#### **Prohibition of false or misleading advertisements**

**18.** (1) No person shall publish or distribute a false or misleading advertisement in respect of— 10

(a) the pedigree or performance particulars of an animal;

(b) the sale of an animal or genetic material; or

(c) the presentation of semen collection, embryo collection, artificial insemination, or the transferring of ova or embryos into recipient female animals, 15 or cause or permit such advertisement to be published or distributed.

(2) If a person, other than the person who advertises the pedigree or performance particulars of an animal, sells an animal or genetic material or performs semen collection, embryo-collection, artificial insemination or transferring of ova or embryos into recipient female animals or animals to which the false or misleading advertisement relates, is charged with a contravention of subsection (1), it shall be a sufficient defence if he or she proves that he or she did not know or could not reasonably be expected to have known that the advertisement was false or misleading in any respect, unless it is proved that the accused failed on demand by the registrar or a police officer to furnish the name and address of the person at whose instance the advertisement was published or 25 distributed.

#### **Confidentiality**

**19.** No person shall disclose to any other person information acquired by him or her in the performance of his or her functions in terms of this Act, or the constitution of an animal breeder's society, or the constitution of a registering authority and which relates 30 to the business or affairs of another person, without the express written approval of such other person, except when required by any court of law or under any legislation.

#### **Establishment of schemes**

**20.** (1) The Minister may, by notice in the *Gazette*, establish a scheme for the evaluation and certification of the performance of animals or a kind of breed of animal specified in the notice, with the objective of improving the genetic production potential of such animals: Provided that a cost benefit analysis of such a scheme has been carried out. 35

(2) Different schemes may be instituted for different kinds of animals or different breeds of kinds of animals, and the requirements in a scheme for such different animals, 40 may differ.

(3) The Minister may in a notice in terms of subsection (1) whereby a scheme is established—

(a) designate the person who or the body which shall exercise the powers and perform the duties conferred or imposed in terms of the said notice; and 45

(b) authorise such person or body to make rules in consultation with the organisation contracted by the Department to operate the integrated registration and genetic information system,

under such conditions as the Minister may determine in the said notice.

#### **Inspection**

50

**21.** (1) The registrar or an officer referred to in section 3(2)(a), may perform the functions of an inspector referred to in subsection (3).

(c) Koste deur die Staat aangegaan in verband met die vernietiging van of beskikking oor 'n dier of genetiese materiaal ingevolge paragraaf (b), kan van die persoon in paragraaf (a) bedoel, verhaal word.

#### **Uitvoer van diere en genetiese materiaal van landras**

- 5 17. (1) Niemand mag 'n dier of genetiese materiaal van 'n landras uit die Republiek uitvoer nie tensy so 'n uitvoer skriftelik deur die registrator gemagtig is.  
 (2) Die bepalings van artikel 16(4), (5), (6), (7) en (8) is met die nodige veranderinge van toepassing vir die doeleinnes van hierdie artikel.

#### **Verbod op vals of misleidende advertensies**

- 10 18. (1) Niemand mag 'n vals of misleidende advertensie met betrekking tot—  
 (a) die stamboom- of prestasiebesonderhede van 'n dier;  
 (b) die verkoop van 'n dier of genetiese materiaal; of  
 (c) die aanbied van semenopvanging, embryo-opvanging, kunsmatige inseminering, of die oorplasing van eiselle en embryo's na ontvanger vroulike diere,  
 15 publiseer of versprei nie of so 'n advertensie laat publiseer of versprei nie.  
 (2) Indien iemand anders as die persoon wat die stamboom- of prestasiebesonderhede van 'n dier adverteer, 'n dier of genetiese materiaal verkoop of die semenopvanging, embryo-opvanging, kunsmatige inseminering of oorplasing van eiselle en embryo's na ontvanger vroulike diere of diere waarop die vals of misleidende  
 20 advertensie betrekking het uitvoer, aangekla word van 'n oortreding van subartikel (1), is dit 'n voldoende verdediging as hy of sy bewys dat hul nie geweet het nie of daar nie redelikerwy's van hom of haar verwag kon word om te geweet het nie dat die advertensie in enige opsig vals of misleidend was, tensy bewys word dat die beskuldigde versuum het om op versoek van die registrator of 'n polisiebeampte die  
 25 naam en adres te verstrek van die persoon op wie se versoek die advertensie gepubliseer of versprei is.

#### **Vertroulikheid**

19. Niemand mag inligting wat deur hom of haar by die verrigting van sy of haar werkzaamhede ingevolge hierdie Wet, of die grondwet van 'n dieretelersgenootskap, of  
 30 die grondwet van 'n registrerende owerheid verkry is en wat op die besigheid of sake van 'n ander persoon betrekking het, sonder die uitdruklike skriftelike toestemming van so 'n ander persoon, aan iemand anders openbaar nie, behalwe wanneer daar deur 'n hof of kragtens enige wet vereis word dat hy of sy dit doen.

#### **Instelling van skemas**

- 35 20. (1) Die Minister kan, by kennisgewing in die *Staatskoerant*, 'n skema instel vir die evaluering en sertifisering van die prestasie van diere of 'n soort ras van 'n dier in die kennisgewing bepaal, met die doel om die genetiese produksievermoë van sodanige diere te verbeter: Met dien verstande dat 'n koste voordeel-analise van so 'n skema uitevoer is.  
 (2) Verskillende skemas kan ingestel word vir verskillende soorte diere of verskillende rasse van soorte diere, en die vereistes in 'n skema vir sodanige verskillende diere kan verskil.  
 (3) Die Minister kan in 'n kennisgewing ingevolge subartikel (1) waarby 'n skema ingestel word—  
 45 (a) die persoon of liggaam aanwys wat die bevoegdhede uitoefen en die pligte verrig wat ingevolge genoemde kennisgewing verleen of opgelê is; en  
 (b) daardie persoon of liggaam magtig om reëls op te stel in oorleg met die organisasie wat deur die Departement gekontrakteer is om die geïntegreerde registrasie en genetiese inligtingstelsel te bedryf,  
 50 onder die voorwaardes wat die Minister in die kennisgewing bepaal.

#### **Inspeksie**

21. (1) Die registrator of 'n beampte in artikel 3(2)(a) bedoel kan die werkzaamhede van 'n inspekteur in subartikel (3) bedoel, verrig.

- (2) The registrar shall furnish an officer referred to in section 3(2)(a), with a certificate that he or she is authorised to act as inspector in terms of this Act.
- (3) An inspector may, on the authority of a warrant issued in terms of subsection (4)—
- (a) at any reasonable time, enter premises with regard to which he or she has reason to believe that an offence is being or has been committed in terms of this Act, in order to investigate and obtain evidence; 5
  - (b) examine or test or cause to be examined or tested, any animal or genetic material to which this Act applies and which is found in or at such premises; 10
  - (c) examine or test or cause to be examined or tested any equipment, material, substance or other article which is used or is suspected to be used at or in connection with the collection, evaluation, processing, packing or storing of genetic material or the artificial insemination or transferring of ova or embryos into recipient female animals;
  - (d) inspect the operations or process in connection with any action referred to in paragraph (c), and demand from the owner or custodian of the animal, genetic material, equipment, material, substance or other article concerned, or from the person who has it in his or her custody, or who supervises such operations or processes, any information or an explanation regarding the operation, process, animal, genetic material, material, substance or other article: Provided that such information or explanation shall only be admissible as evidence in a court of law against such owner or person on a charge referred to in section 25(1)(b); 15
  - (e) take or cause to be taken such samples of the blood of an animal or genetic material, material, substance or other article as he or she may deem necessary, and for such purpose open any container in which such genetic material, material, substance or other article is contained and require reasonable assistance from the owner or the person who has such animal, genetic material, material, substance or other article in his or her custody; 20
  - (f) examine and make copies of or take extracts from any book or document in respect of which he or she on reasonable grounds suspects that it relates to such animal, genetic material, material, substance or other article, irrespective of whether or not it is kept on or at the place, premises or conveyance concerned or at any other place, and demand from the owner of such book or document or from the person who has it in his or her custody an explanation regarding any record or entry therein: Provided that such explanation shall only be admissible as evidence in a court of law against such owner or person on a charge referred to in section 25(1)(b); and 25
  - (g) seize any number of animals, or the whole, or any part of genetic material, material, substance or other article, or of any book or document.
- (4) (a) A warrant referred to in subsection (3) shall be issued by a judge of the High Court or by a magistrate who has jurisdiction in the area in which the premises in question are situated, and shall only be issued if it appears from information under oath that there are reasonable grounds to believe that an animal, genetic material, equipment, material, substance or other article referred to in subsection (3)(b) or (c) is upon or in such premises, and shall specify which of the acts mentioned in that subsection may be performed thereunder by the person to whom it is issued. 40
- (b) A warrant issued in terms of this section shall be executed by day and shall be conducted with strict regard to decency and order.
- (5) Any inspector executing a warrant in terms of this section shall immediately before commencing with the execution—
- (a) identify himself or herself to the person in control of the premises, if such person is present, and hand to such person a copy of the warrant or, if such person is not present, affix such copy to a prominent place on the premises; 50
  - (b) at the request of such person, show the certificate referred to in subsection (2) to such person.
- (6) (a) A sample taken in terms of subsection (3)(e) shall, as soon as possible after it has been taken, be submitted to a person who is competent to test, examine or analyse that sample.
- (b) An inspector shall in respect of each sample taken, issue a receipt of sampling to the person who has custody of such animal or genetic material, at the request of such person. 60

- (2) Die registereur voorsien 'n beampte in artikel 3(2)(a) bedoel van 'n sertifikaat dat hy of sy gemagtig is om as inspekteur ingevolge hierdie Wet op te tree.
- (3) 'n Inspekteur kan, op gesag van 'n lasbrief ingevolge subartikel (4) uitgerek—
- 5 (a) te eniger redelike tyd 'n perseel betree met betrekking waartoe hy of sy rede het om te glo dat 'n misdryf ingevolge hierdie Wet gepleeg is of word, ten einde ondersoek in te stel en getuenis te verkry;
  - (b) enige dier of genetiese materiaal waarop hierdie Wet van toepassing is en wat in of op daardie perseel gevind word, ondersoek of toets of laat ondersoek of toets;
  - 10 (c) enige toerusting, materiaal, stof of ander artikel wat gebruik word of vermoed word dat dit gebruik word by of in verband met die opvang, evaluering, verwerking, verpakking of opbergung van genetiese materiaal of die kunsmatige inseminasie of oorplasing van eiselle of embrio's in ontvangende, vroulike diere, ondersoek of toets of laat ondersoek of toets;
  - 15 (d) die bedrywighede of prosesse in verband met enige optrede in paragraaf (c) bedoel, inspekteer, en van die eienaar of toesighouer oor die dier, genetiese materiaal, toerusting, materiaal, stof of ander betrokke artikel, of van die persoon wat dit in sy of haar bewaring het, of wat oor daardie bedrywighede of prosesse toesig hou, enige inligting of 'n verduideliking rakende die bedrywigheid, proses, dier, genetiese materiaal, materiaal, stof of ander artikel eis: Met dien verstande dat daardie inligting of verduideliking slegs toelaatbaar is as getuenis in 'n geregshof teen so 'n eienaar of persoon op 'n klag in artikel 25(1)(b) bedoel;
  - 20 (e) sodanige monsters van die bloed van 'n dier of van genetiese materiaal, materiaal, stof of ander artikel neem of laat neem wat hy of sy nodig ag, en vir dié doel enige houer oopmaak waarin daardie genetiese materiaal, materiaal, stof of ander artikel bevat is en van die eienaar of die persoon wat daardie dier, genetiese materiaal, stof of ander artikel onder sy of haar bewaring het redelike bystand vereis;
  - 25 (f) enige boek of stuk ten opsigte waarvan hy of sy op redelike gronde vermoed dat dit op sodanige dier, genetiese materiaal, materiaal, stof of ander artikel betrekking het, nagaan en afskrifte daarvan of uittreksels daaruit maak, ongeag of dit by die betrokke plek, perseel of vervoermiddel of by 'n ander plek gehou word, en van die eienaar van daardie boek of stuk of van die persoon wat dit in sy of haar bewaring het, 'n verduideliking betreffende enige aantekening of inskrywing daarin vereis: Met dien verstande dat sodanige verduideliking slegs as getuenis in 'n geregshof teen daardie eienaar of persoon toelaatbaar is op 'n aanklag in artikel 25(1)(b) bedoel; en
  - 30 (g) op enige aantal diere, of op die geheel, of op enige deel van genetiese materiaal, materiaal, stof of artikel, of op enige boek of dokument beslag lê.
- 40 (4) (a) 'n Lasbrief bedoel in subartikel (3) word deur 'n regter van die Hoëhof of 'n landdros watregsbevoegdheid het in die gebied waar die betrokke perseel geleë is, uitgerek, en word slegs uitgerek indien dit blyk uit inligting onder eed dat daar redelike gronde is om te glo dat 'n dier, genetiese materiaal, toerusting, materiaal, stof of ander artikel in subartikel (3)(b) of (c) bedoel, op of in sodanige perseel is, en moet aandui welke van die handelinge in daardie subartikel bedoel daarkragtens verrig mag word deur die persoon aan wie dit uitgerek is.
- (b) 'n Lasbrief wat ingevolge hierdie artikel uitgerek word, word gedurende die dag uitgevoer en word met streng oorweging van behoorlikheid en orde uitgevoer.
- 50 (5) 'n Inspekteur wat 'n lasbrief ingevolge hierdie artikel uitvoer, moet onmiddellik voor hy of sy met die uitvoering begin—
- (a) homself of haarself identifiseer aan die persoon in beheer van die perseel indien sodanige persoon teenwoordig is, en 'n afskrif van die lasbrief aan sodanige persoon oorhandig of indien sodanige persoon nie teenwoordig is nie, sodanige afskrif op 'n opvallende plek by die perseel aanbring;
  - 55 (b) aan sodanige persoon, op daardie persoon se versoek, die sertifikaat in subartikel (2) bedoel, toon.
- (6) (a) 'n Monster wat ingevolge subartikel (3)(e) geneem is, moet so gou moontlik nadat dit geneem is, aan 'n persoon oorhandig word wat bevoeg is om daardie monster 60 te toets, te ondersoek of te analiseer.
- (b) 'n Inspekteur reik met betrekking tot elke monster wat geneem is, op versoek van die betrokke persoon, 'n bewys van die monster uit aan die persoon wat so 'n dier of genetiese materiaal in sy of haar bewaring het.

(7) (a) An inspector concerned may remove any quantity of animals, genetic material, material, substance or other article, or any book or document thus seized, from the place, premises or conveyance where he or she seized it, or leave it thereon and, if he or she deems it necessary, attach such identification mark or seal as he or she may deem necessary on such animal, genetic material, substance or other article or the container thereof, or on such book or document.

5

(b) The registrar may—

- (i) grant authority that an animal, genetic material, substance or other article seized in terms of subsection (3)(g), may within the period and in the manner specified in such authorisation, be treated or dealt with;
- (ii) if he or she is satisfied that the cause for the seizure concerned has been removed by such treatment or action, return that animal, genetic material, material, substance or other article to the person from whom it was seized.
