CUSTOMS AND EXCISE TARIFF APPLICATIONS: LIST 8/99

The following application concerning the Customs and Excise Tariff has been received by the Board on Tariffs and Trade. Any objections to or comment on this representation should be submitted to the Chairman, Board on Tariffs and Trade, Private Bag X753, Pretoria, 0001, within six weeks of the date of this notice. Attention is drawn to the fact that the rate of duty mentioned in the application is that requested by the applicant and that the Board may, depending on its findings, recommend a lower or higher rate of duty.

Rebate of duty:

Rebate of duty on other plates, sheets, film, foil and strip, of plastics: Cellular: Of polymers of vinyl chloride, classifiable under tariff subheading 3921.12, used in the manufacture of handbags at a rate of duty of 17 per cent *ad valorem*.

The relevant product used to be classifiable under tariff subheading 59.03 where there is a rebate provision for the duty-free importation of the product concerned. On 28 September 1998, a shipment of this PVC material for the manufacture of handbags was refused clearance by Customs. This was done on the grounds that it was incorrectly classified under tariff subheading 59.03 and should be reclassified under tariff heading 39.21.

BOARD NOTICE 31 OF 1999

PUBLICATION OF A DECISION IN TERMS OF SECTION 11 (7) OF THE PAN SOUTH AFRICAN LANGUAGE BOARD ACT, No. 59 OF 1995: VIOLATION OF LANGUAGE RIGHTS

1. WHEREAS Professor Carstens has lodged a complaint with the Board, stating that the South African Post Office has contravened the provisions of section 6 of the Constitution Act, 1996, by introducing a language policy which states that—
 - (a) all formal business within the South African Post Office shall be conducted in English only.
 - (b) all signage to be erected at new or renovated post office buildings, post points, postal agencies and any other physical structures where signage is required, shall be in English.
2. AND WHEREAS the Board has investigated the complaint in terms of section 11 of the Pan South African Language Board Act;
3. NOW THEREFORE, the Board hereby publishes the following reasons for its decision together with the recommendations:
 - (a) that the South African Post Office has violated the language rights of its employees;
 - (b) the language policy of the South African Post Office ignores the Constitutional objective to elevate the status and advance the use of official languages particularly the historically diminished indigenous official languages;
 - (c) although the financial factor is one of the considerations to be taken into account, it must be considered within the context of the Constitution's main objective, namely, to promote multilingualism. Financial considerations must not be used as a scapegoat for defeating the aims of the Constitution which is the highest law of the land;
 - (d) the Board recommends that the South African Post Office must amend its language policy so as to make it more flexible and accommodative of the multilingual objective of the Constitution Act, 1996, and the Pan South African Language Board Act, 1995;
 - (e) the Board also recommends that the employees of the South African Post Office be involved in a process of consultation when drawing up its language policy; and
 - (f) in terms of section 8 (j) of the Pan South African Language Board Act, the Board may assist with and monitor the formulation of programmes and policies aimed at fostering the equal use of the official languages. On the basis of this provision the Board calls upon the South African Post Office to liaise with it so that the Board can assist in this regard.

RAADSKENNISGEWING 31 VAN 1999

PUBLIKASIE VAN 'N BESLUIT KRAGTENS ARTIKEL 11 (7) VAN DIE WET OP DIE PAN-SUID-AFRIKAANSE TAALRAAD, 1995 (WET No. 59 VAN 1995): SKENDING VAN TAALREGTE

1. AANGESIEN professor W. Carstens 'n klag by die Raad ingedien het waarin beweer word dat die Suid-Afrikaanse Poskantoor die bepalings van artikel 6 van die Grondwet van die Republiek van Suid-Afrika, 1996 (Wet No. 108 van 1996), oortree het deur die invoer van 'n taalbeleid wat bepaal dat—
 - (a) alle formele besigheid binne die Suid-Afrikaanse Poskantoor slegs in Engels gedoen moet word;
 - (b) alle naamborde wat opgerig word by nuwe of opgeknapte poskantoorgeboue, pospunte, posagentskappe en enige ander fisiese strukture waar naamborde vereis word, in Engels moet wees.
2. EN AANGESIEN die Raad die klag ooreenkomstig artikel 11 van die Wet op die Pan-Suid-Afrikaanse Taalraad, 1995, ondersoek het;
3. NOU DERHALWE maak die Raad hierby sy bevindings en aanbevelings bekend—
 - (a) dat die Suid-Afrikaanse Poskantoor die taalregte van sy werknemers geskend het;
 - (b) dat die taalbeleid van die Suid-Afrikaanse Poskantoor nie aandag skenk nie aan die Grondwetlike oogmerk om die amptelike tale se status te verhoog en die gebruik daarvan te bevorder, veral die histories benadeelde inheemse amptelike tale;
 - (c) dat alhoewel finansiële oorwegings in aanmerking geneem moet word, hulle binne die konteks van die Grondwet se hoofoogmerk, naamlik die bevordering van veeltaligheid, oorweeg moet word en nie gebruik moet word as 'n verskoning om die oogmerke van die Grondwet, wat die hoogste wet van die land is, te verydel nie;

- (d) die Raad beveel aan dat die Suid-Afrikaanse Poskantoor sy taalbeleid moet wysig om dit meer buigsaam en akkommodierend te maak ten opsigte van die veeltaligheidsoogmerk van die Grondwet van die Republiek van Suid-Afrika, 1996, en die Wet op die Pan-Suid-Afrikaanse Taalraad, 1995;
- (e) dat die Suid-Afrikaanse Poskantoor met sy werknemers oorleg pleeg met die opstel van sy taalbeleid; en
- (f) kragtens artikel 8 (1) (j) van die Wet op die Pan-Suid-Afrikaanse Taalraad, 1995, kan die Raad bystand verleen met monitering doen van en die formulering van programme en beleide gerig op die bevordering van die gelyke gebruik van die amptelike tale. Kragtens hierdie bepaling doen die Raad hierby 'n beroep op die Suid-Afrikaanse Poskantoor om vir hierdie doel met die Raad te skakel.
