**NOTICE 2389 OF 1999****BOARD ON TARIFFS AND TRADE****NOTICE OF INITIATION OF AN INVESTIGATION INTO THE ALLEGED DUMPING OF GLASS MICROSPHERES ORIGINATING IN OR IMPORTED FROM CHINA, FRANCE AND GERMANY**

The Board on Tariffs and trade received a petition alleging that glass microspheres originating in or imported from China, France and Germany are being dumped on the Southern African Customs Union (SACU) market, causing material injury (and/or threat of material injury) to the SACU industry concerned.

**The petitioner**

The petition was lodged by Roadmarking Products (Pty) Ltd, which is the sole manufacturer of glass microspheres in the South African Customs Area (SACU). The petitioner alleged that it cannot compete with the low prices charged by the importers and that the allegedly dumped products are causing it material injury. The petitioner submitted sufficient evidence and established a prima facie case to enable the Board to arrive at a reasonable conclusion that an investigation should be initiated on the basis of dumping, material injury and causality.

### The product

The product allegedly being dumped is glass microspheres, commonly identified or referred to as glass beads, classifiable under tariff subheading 7018.20, and originating in or imported from China, France and Germany.

### The allegation of dumping

The allegation of dumping is based on the comparison between the normal value in and the export price from China, France and Germany. The normal values for France and Germany were determined on the basis of a letter received from a customer of glass bead manufacturers in Europe. The Petitioner nominated Germany as the surrogate country for China for the purpose of determining the normal value as the industries in the countries were alleged to be at a similar level of development. Therefore the normal value calculated for Germany was used as the normal value for China. The export price was based on the landed price of the imported glass microspheres from the countries concerned, as calculated from the import statistics received from the South African Revenue Service. On this basis the Board found that there was prima facie proof of dumping.

### The allegation of material injury

The petitioner alleges and submitted sufficient evidence to show price undercutting, a decline in sales, a decline in profits, a decline in output and that the imports gained market share at the expense of the SACU industry. It is further alleged that the prices at which these imports gained market share at the expense of the SACU industry. It is further alleged that the prices at which these imports will be sold in South Africa will result in lower profit margins and/or losses being incurred by the petitioner. The Board found that there was sufficient evidence for a prima facie case of material injury.

### Period of investigation

The period of investigation for purposes of determining the dumping margin in the exporting country of origin will be from 1 June 1998 to 3 May 1999. The period of investigation for purposes of determining injury will be from 1 July 1996 to 31 May 1999. If there are subsequent events that are relevant to the injury analysis the Board may later request and consider further, more recent information in determining injury.

### Procedural framework

Having decided that there is sufficient evidence and a prima facie case to justify the initiation of an investigation, the Board has begun an investigation in terms of section 4 of the Board on Tariffs and Trade Act, 1986 (the BTT Act). The Board will conduct its investigation in accordance with the BTT Act and the World Trade Organisation Agreement on the Implementation of Article VI of the GATT 1994 (the Anti-Dumping Agreement). A copy of the Anti-Dumping Agreement is available from the Board's office on request.

In order to obtain the information it deems necessary for its investigation, the Board will send questionnaires to all known importers and exporters, and known representative associations. The trade representatives of the exporting countries have been notified. Importers, exporters and interested parties are invited to contact the Board as soon as possible in order to determine whether they have been listed and received a questionnaire. If not, they should request a copy of the questionnaire as soon as possible. The questionnaire has to be completed, and any other representations must be made, within the time limit set out below.

### Confidential information

Please note that if any information is considered to be confidential then a *non-confidential version of the information must be submitted* for the public file, simultaneously with the confidential version. In submitting a non-confidential version the following rules are strictly applicable and parties must indicate:

- Where confidential information has been omitted in each instance.
- Reasons for such confidentiality in each instance.
- A summary of the confidential information which permits a reasonable understanding of the substance of the confidential information in each instance.
- In exceptional cases, where information does not lend itself to a non-confidential summary, reasons must be submitted to this effect.

This rule applies to all correspondence with and submissions to the Board, which unless indicated to be confidential and filed together with a non-confidential version, will be placed on the public file and be made available to other interested parties.

### Address

The response to the questionnaire and any information regarding this matter, as well as any arguments concerning the allegation of dumping and the resulting material injury, must be submitted in writing to the following address:

#### Physical address

The Director: Dumping Investigations  
Room 1601  
Fedlife Building  
Corner of Church and Prinsloo Streets  
PRETORIA  
SOUTH AFRICA.

#### Postal address

The Director: Dumping Investigations  
Private Bag X753  
PRETORIA

**Procedures and time limit**

All responses, including non-confidential copies of the responses, must be received by the Director: Dumping Investigations not later than 30 days following the date of publication of this notice or, in the case of parties known to be interested, 30 days following the date on which the letter accompanying the above-mentioned questionnaire is received. The said letter shall be deemed to have been received seven days after the date of its dispatch.

It should be noted that the investigation process is complex and that the Board is subject to strict time limits within which to complete the investigation. Late submissions will therefore not be accepted except with the prior written consent of the Board. The Board will give due consideration to written request for an extension of not more than 14 days on good cause shown (properly substantiated), if such requests are received prior to the expiry of the original 30-day period. Merely citing insufficient time is not an acceptable reason for extension.

The information submitted by any party may need to be verified by the investigating officers in order for the Board to take such information into consideration. The Board may verify the information at the premises of the party submitting the information within a short period after the submission of the information to the Board. Parties should therefore ensure that the information submitted will subsequently be available for verification. Parties should also ensure that all the information requested in the questionnaire is provided in the specified detail and format. The questionnaires are designed to ensure that the Board is provided with all the information required to make a determination in accordance with the rules of the Anti-Dumping Agreement. The Board may therefore refuse to verify information that is incomplete or does not comply with the format in the questionnaire, unless the Board has agreed in writing to a deviation from the required format. (A failure to submit an adequate non-confidential version of the response that complies with the rules set out above under the heading "Procedure" will be regarded as an incomplete submission.)

Parties who experience difficulty in furnishing the information required, or submitting it in the format required, are therefore urged to make written applications to the Board at an early stage for permission to deviate from the questionnaire or to provide the information in an alternative format that will satisfy the Board's requirements. The Board will give due consideration to such a request on good cause shown.

Oral representations to the Board may also be made on written request to the Board at least seven days prior to the expiry date of the original 30 day period and by prior arrangement with the Directorate. Such oral representations must be made within the same time period as the written representations, unless prior written consent of the Board has been obtained for the oral representations to be made at a later date, which shall in any event not be later than 14 days after the written representations have been submitted. Oral representations will be limited to an hour.

If the required information and arguments are not received in a satisfactory form within the time limit specified above, or if verification of the information cannot take place, the Board may disregard the information of that party and make provisional or final findings on the basis of the facts available to it.

Enquiries may be directed to the investigating officers, Ms M. Badenhorst at telephone (012) 310-9621 and Ms S. Takács, at telephone (012) 310-9827.

Die Interim Raad vir Sekuriteitsbeamptes het, met die instemming van die Adjunkminister vir Veiligheid en Sekuriteit, handelende namens en in opdrag van die Minister vir Veiligheid en Sekuriteit, kragtens artikel 32 van die Wet op Sekuriteitsbeamptes, 1987 (Wet No. 92 van 1987), die regulasie in die Bylae uitgevaardig.

**BYLAE****WYSIGING VAN REGULASIE UITGEVAARDIG Kragtens WET OP SEKURITEITSBEAMPTES, 1987 (WET No. 92 VAN 1987)****Omskrywing**

1. In hierdie regulasie beteken "die Regulasie" die regulasies afgekondig in Goewermentskennisgewing No. R. 797 van 2 April 1990, soos gewysig by Goewermentskennisgewing No's. R. 1597 van 28 Junie 1991 en R. 2070 van 16 Augustus 1991, en verder gewysig by Raadskennisgewing 46 van 7 Mei 1993, Raadskennisgewing 84 van 6 Augustus 1993, Raadskennisgewing 87 van 9 September 1994, Raadskennisgewing 11 van 3 Februarie 1995 en Raadskennisgewing 137 van 4 September 1998.

**Wysiging van regulasie 9 van die Regulasies**

2. Regulasie 9 van die Regulasies word hierby gewysig deur in subparagraaf (ii) van paragraaf (a) van subregulasie (2) die uitdrukking "R35,00 (BTW uitgesluit)" deur die uitdrukking "R38,00 (BTW uitgesluit)" te vervang.

**Inwerkingtreding**

3. Hierdie regulasie tree inwerking op 1 Desember 1999.

**INTERIM RAAD VIR SEKURITEITSBEAMPTES****Verduidelikende memorandum oor voorgestelde wysiging van regulasie**

1. Die voorgestelde wysiging van die regulasie handel met 'n verhoging van die voorgeskrewe aansoekgeld wat ingevolge artikel 11(1)(b) van die Wet op Sekuriteitsbeamptes, 1987 (Wet No. 92 van 1987), betaalbaar is.

2. Die verhoging is die noodsaaklike gevolg van 'n verhoging deur die Suid-Afrikaanse Polisiediens ten opsigte van tariewe betaalbaar vir dienste gelewer deur Staatsdepartemente (in hierdie geval die SAPD) aan ander instansies. Die aard van die diens wat in die geval van toepassing is, is die klassifisering en naspeuring van vingerafdrukke vir private en ander instansies.

Die Interim Raad het geen ander redelike uitweg as om die verhoogde koste ter sprake aan applikant sekuriteitsbeamptes deur te gee nie.
