To amend the South African Sports Commission Act, 1998, so as to provide for the appointment of the Chief Executive Officer to take place in consultation with the Minister of Sport and Recreation and after consultation with the Cabinet; and to provide for matters connected therewith

BE IT ENACTED by the Parliament of the Republic of South Africa, as follows:—

Amendment of section 17 of Act 109 of 1998

1. Section 17 of the South African Sports Commission Act, 1998, is amended by the substitution for subsection (1) of the following subsection:

“(1) The Commission must in consultation with the Minister and after consultation with the Cabinet, appoint a suitably qualified person as its Chief Executive Officer on such terms and conditions as it considers appropriate.”.

SECOND AMENDMENT BILL, 1999**

This Bill provides for the appointment of the Chief Executive Officer (CEO) by the Commission in consultation with the Minister of Sport and Recreation and after consultation with the Cabinet (Section 17).

The basis for this amendment is as follows:

- * The CEO will fulfill a similar role in the Commission as that of a Director-General in a National Department. A Director-General is appointed by his or her Minister after consultation with the Cabinet.

NOTICE 2431 OF 1999**BOARD ON TARIFFS AND TRADE****REVIEW OF THE TARIFF STRUCTURE AND RATE OF DUTY IN RESPECT OF MEDIUM AND HEAVY MOTOR VEHICLES AND ORIGINAL EQUIPMENT COMPONENTS FITTED TO SUCH VEHICLES**

The Board intends reviewing the tariff structure pertaining to the Motor Industry Development Programme (MIDP) for Heavy Motor Vehicles (Chapter 98 and rebate item 317.07) with a view to a possible amendment of the extent of rebate applicable to imported inputs used in the manufacture of medium and heavy motor vehicles as well as the rates of duty on medium and heavy motor vehicles falling under the MIDP.

The review follows the discontinuation of the manufacture of certain drivetrain components. The need for protection of the drivetrain components (through a partial rebate of the duty) may therefore have fallen away, which could impact on the rate of tariff protection afforded medium and heavy motor vehicles falling under the MIDP.

The review may also include investigation(s) into the duty structure of those inputs which are/will no longer (be) supported though the fitment of domestically manufactured drivetrain components, should motivated requests for such investigation(s) be received.

Comments/motivations should reach the Board's offices within six weeks from the date of this publication and should be addressed either to the Chairman, Board on Tariffs and Trade, Private Bag X753, Pretoria, 0001, or alternatively be faxed to (012) 320 5004 for attention Mrs I Metz or e-mailed at imetz@dti.pwv.gov.za

NOTICE 2436 OF 1999**NATIONAL DEPARTMENT OF AGRICULTURE**

ANIMAL DISEASES ACT, 1984 (ACT No. 35 OF 1984)

NOTICE IN TERMS OF SECTION 18 (1) (a) AND SECTION 18 (1) (b) OF THE ABOVE ACT

ELECTRIFIED DISEASE CONTROL FENCE: MARLOTH PARK/KRUGER NATIONAL PARK BORDER

Kindly take notice that the Director of the Directorate: Animal Health, Dr G. K. Brückner, hereby in terms of section 2 (3) (b) of the Animal Diseases Act, 1984 (Act No. 35 of 1984), amends the decision of the Directorate officers to erect a new electrical fence to replace the existing Snyman fence, by withdrawing that decision in so far as the said decision authorise such new fence or upgrading on the right bank of the Crocodile River in the area where it adjoins Marloth Park's property.

The decision is set aside due to the fact that interested parties from Marloth Park have allegedly been brought under the impression that an environmental impact study would be done before implementation of such decision. At present such environmental impact study is not foreseen due to the fact that such study is not required in terms of the Environmental Conservation Act, No. 73 of 1989, and any utterance to the aforesaid effect was made on the assumption that such study was legally required.

The said Director is advised that the erection of a 2,4 meter electrified fence along the border between Marloth Park and the Kruger National Park is necessary due to the following considerations:

1. The existing fence need to be altered and upgraded or replaced to fulfil its function as an effective disease control barrier;
2. The proposed fence would curtail or minimise the risk of outbreaks of diseases such as foot and mouth disease; anthrax; tuberculosis and other diseases present in the Kruger National Park, in the area adjacent to the Kruger National Park;
3. A scheme to eradicate tuberculosis in buffalo in the area outside the Kruger National Park is at present being implemented and a free flow of animals between the Kruger National Park and areas adjacent thereto will undermine this scheme.
4. A greater concentration of game is expected along the Crocodile River in the Marloth Park vicinity (to the North of the Crocodile River) due to the Kruger National Park's policy of removal of artificial water points. This will lead to increased game pressure on the fence as well as an increase in disease risks in the adjacent areas.
5. The potential prejudice to the Republic's economy due to clinical outbreaks of foot and mouth disease and/or other disease(s) outside the Kruger National Park coupled with export delays outweigh the interested parties proprietary rights or interests as well as any possible impact on the environment; and
6. The endemic animal disease area should be limited to the Kruger National Park from a policy point of view.
7. A fence along a river is a more efficient barrier to prevent the spread of diseases than a fence on its own.

In terms of section 18 (1) (a) and section 18 (1) (b) of the Animal Diseases Act, No. 35 of 1984, the Directorate: Veterinary Services intends to alter and upgrade the existing Snyman fence.

Interested parties are therefore called upon to make any written representations they deem necessary in light of the above to the Director on or before 10 December 1999 addressed to:

PROPOSED AMENDMENT OF STANDARD PRICES: PROMULGATION OF STRUCTURAL TARIFF ADJUSTMENTS FOR LARGE POWER USERS

Eskom published a number of structural tariff changes in the *Government Gazette* of 20 August 1999. This included the proposed merger of Standardrate and Nightsave into a single tariff to be called Nightsave and with the Nightsave structure.

Notice is hereby given that with effect from 1 January 2000 and for the Nightsave (Rural) tariff all public holidays will be treated as the day of the week on which it falls. Public holidays will therefore only be treated as off-peak periods if they fall on a Saturday, a Sunday or within the general off-peak period from 22:00 on 15 December until 06:00 on 2 January of the following year.

The reasons for this change are:

- This will result in identical treatment of public holidays for both Large Power User tariffs [Nightsave (rural) and Ruralflex] in rural areas.
- The high annual cost of programming meters for the public holidays of the next year will be avoided. (This is the reason why Ruralflex was implemented without public holidays).

Note:

Any persons who have concerns about or objections to these proposed new tariffs should forward their appropriately motivated submissions to the Chairman, National Electricity Regulator, P.O. Box 785080, Sandton, 2146, to reach him not later than 60 days after the date of this publication. A copy of the submission should be addressed to the Electricity Pricing Manager, Eskom, P.O. Box 1091, Johannesburg, 2000.

VOORGESTELDE WYSIGING VAN STANDAARDPRYSE: PROMULGERING VAN AANPASSING VAN TARIEFSTRUKTURE VIR GROOT KRAGGEBRUIKERS

'n Aantal tarief struktuurveranderings is op 20 Augustus 1999 in die *Staatskoerant* gepubliseer. Dit sluit in die voorgestelde samesmelting van Standardrate en Nightsave in 'n enkele tarief wat Nightsave genoem sal word en wat die huidige Nightsave struktuur sal volg.

Kennis word hiermee gegee dat vir Nightsave (Landelik) en met ingang 1 Januarie 2000 alle openbare vakansie beskou sal word as die dag van die week waarop dit val. Openbare vakansiedae sal dus slegs as af-spits beskou word as dit val op 'n Saterdag, 'n Sondag of die algemene afspits tydperk van 22:00 op 15 Desember tot 06:00 op 2 Januarie van die volgende jaar.

Die redes vir hierdie verandering is soos volg.

- Dit sal tot gevolg hê dat openbare vakansiedae vir beide landelike tariewe vir groot kraggebruikers [Nightsave (landelik) en Ruraflex] dieselfde hanteer word.
- Die hoë jaarlikse koste om meters te programmeer vir die openbare vakansiedae van die volgende jaar sal vermy word. (Dit is ook die rede waarom Ruraflex ingestel is sonder openbare vakansiedae).

Let wel:

Persone wat besorg is oor, of besware het teen hierdie voorgestelde nuwe tariewe, moet hul toepaslike gemotiveerde voorleggings aan die Voorsitter, Nasionale Elektrisiteitsreguleerder, Posbus 785080, SANDTON, 2146 doen, sodat dit hom nie later nie as 60 dae na die datum van hierdie publikasie bereik. 'n Afskrif van die voorlegging moet aan die Elektrisiteitsprysbestuurder, Eskom, Posbus 1091, Johannesburg, 2000 gerig word.
