It was stated in the "Procedural framework" set out in Notice No. 2703 in *Government Gazette* No. 20711, that "a failure by manufacturers of a particular product to submit such information or sufficient information, will result in a termination of the investigation in respect of that product and the termination of the duty".

No response, in respect of the duty on products originating in or imported from Hungary, was received from the manufacturer of the subject product in the SACU area.

The Board therefore decided to recommend to the Minister of Trade and Industry that the investigation in respect of garden furniture originating in or imported from Hungary, be terminated, and that the current anti-dumping duty be withdrawn. The recommendation was approved by the Minister of Trade and Industry and the Minister of Finance has been requested to remove the duty.
