2079 Competition Commission: Reasons for decision: Alstom SA (Pty) Ltd and Northern Engineering Industries Africa Ltd 2 22702

GENERAL NOTICE**NOTICE 2079 OF 2001****REASONS FOR DECISION****CASE NUMBER: 2001 Apr 15****ALSTOM SA (PTY) LTD****AND****NORTHERN ENGINEERING INDUSTRIES AFRICA LTD**

The Competition Commission approves the aforesaid transaction on condition that Reyrolle and the distribution transformer business of NEI be sold to a third party which would not raise any competition of public interest concerns and subject to Commission approval.

Considering the divestiture, the merger is not likely to prevent or substantially lessen competition in the markets for power transformers; engineered products; components; and uninterruptible power supplies.

In addition the transaction does not raise any competition concern as far as the maintenance of boilers is concerned as the increase in the level of concentration in the market is insignificant.

The transaction raises no significant public interest concerns.
