NOTICE OF CHANGE OF FREQUENCY AND AREA: ENCORE STEREO

In Terms of Government Gazette No.17998 of May 1997, Encore Stereo applied for licence area 23 and Frequency 98.9 MHz. This was in accordance with the frequency plan published by the Authority in Government Gazette No 17998.

The Authority published another frequency plan in June 1997, which resulted with the change of frequencies and areas applied for by Encore Stereo.

According to the applicant a suitable licence area and frequency in terms of the second frequency plan is in licence area 22 and frequency 90.5. MHz. The change in frequency and licence area resulted in competition between Encore Stereo and Radio Rippel which has also applied for Licence area 22 and frequency 90.5 MHz.
