**NOTICE 1095 OF 2002****NOTICE OF AN APPLICATION FOR AN EXEMPTION IN TERMS OF SECTION 10 OF THE COMPETITION ACT 1998: CODE SHARING AGREEMENT BETWEEN SOUTH AFRICAN AIRWAYS (PTY) LIMITED AND QANTAS AIRWAYS LIMITED**

An application has been filed with the Competition Commission by South African Airways (Pty) Limited (SAA) and Qantas Airways Limited (Qantas) for an exemption from certain of the provisions of Chapter 2 of the Competition Act 1998 (the Act) in respect of a code sharing agreement and a commercial agreement on the South Africa/Australia route.

The most important features of the agreement between the parties is that it provides for—

- ☐ The parties to co-ordinate their activities in respect of the route between South Africa and Australia. SAA is to operate between Johannesburg and Perth, while Qantas is to operate between Johannesburg and Sydney.
- ☐ The parties shall purchase a fixed percentage of the seat capacity on the other's aircraft.

The agreement would on the face of it, contravene section 4(1)(b)(ii) of the Act. The Act provides, in section 10(3)(b), for four grounds on which an exemption application may be granted. A further ground in respect of the protection of rights acquired in terms of the intellectual property laws of this country is also provided for in section 10(4). The parties aver that two of these grounds are relevant, namely;

- ☐ The maintenance and promotion of exports [section 10(3)(b)(i)]; and
- ☐ A change in productive capacity necessary to stop decline in an industry [section 10(3)(b)(iii)].

It should be noted that SAA had previously applied for an exemption based on the same facts which exemption was granted until 30 June 2002. The period for which an exemption has been applied for is five (5) years.

In terms of section 10(6) of the Act, notice is hereby given of the application for exemption. Interested parties are afforded 30 days (thirty days) from the date of this Notice to make written applications as to why the exemption should not be granted. Correspondence may be directed to:
