Savings

11. Any claim for compensation under section 17 of the principal Act in respect of which the cause of action arose prior to the date on which this Act took effect must be dealt with as if this Act had not taken effect.

Short title

12. This Act is called the Road Accident Fund Amendment Bill, 2004, and takes effect on a date determined by the President by proclamation in the *Gazette*.

MEMORANDUM ON THE OBJECTS OF THE ROAD ACCIDENT FUND AMENDMENT BILL, 2004

OBJECTS OF BILL

1. The Road Accident Fund Amendment Bill, 2004 ("the Bill"), seeks to amend the Road Accident Fund Act, 1996 (Act No. 56 of 1996) ("the Act"), in various respects. These amendments are aimed at improving the governance of the Fund and addressing some issues, which would affect the liquidity of the Fund. The Bill is a redraft of the Road Accident Fund Amendment Bill, 2003 ("B64-03"), currently before Parliament.

2. The Bill seeks to authorise the Minister of Transport to appoint the Chairperson and Vice-Chairperson of the Board of the Fund. It also seeks to abolish the executive committee of the Board. In terms of the proposed amendments, the Minister will be appointed the Chief Executive Officer of the Fund, with the concurrence of the Board.

3. It is also proposed in the Bill to put a monetary limit on claims for general damages, for pain and suffering, loss of amenities of life and disability, for future loss of income or support and for funeral expenses. A method for determining tariffs for payment of medical expenses is provided for. Those tariffs will be based on the tariffs used for public and private service providers. It is also proposed to repeal the provision in terms of which the Fund is liable for the legal costs of claimants. These limitations will result in savings for the Fund.

4. A provision is proposed in terms of which the Fund will be required to compensate a provider of emergency medical treatment directly, irrespective of any wrongfulness or negligence on the part of any person. It is believed that this provision will persuade providers of emergency medical treatment to provide such treatment to any person involved in a motor vehicle accident.

5. The Bill furthermore seeks to repeal section 18(1) of the Act in terms of which the liability of the Fund for certain claims (e.g. claims in respect of persons who were conveyed for reward) is limited to the amount of R25 000. It is believed to be unfair to have a specific limitation on such claims and that such claims should be treated the same as any other claim.

6. In terms of a further provision in the Bill, it is proposed that the Fund's liability be excluded—

- (a) if a person fails to attend a meeting in order to be questioned in respect of a claim or to answer truthfully to questions put. (This

provision will assist the Fund in establishing the validity of claims);
and

- (b) where a person sustained emotional shock when he or she was informed of an accident. (This provision will also effect a saving for the Fund).

7. Since it is proposed in the Bill to limit the Fund's liability, it should be made clear that the part of a claim not covered by the Fund may be claimed elsewhere. It is therefore proposed in the Bill to substitute section 21 of the Act. The effect of the substitution will be that the third party may claim that part of the compensation not covered from by the Fund, from the owner or driver of the vehicle concerned

8. If the penultimate clause of the Bill is approved, the envisaged Road Accident Amendment Act, 2004, will not apply to claims in respect of which the cause of action arose prior to the commencement of that Act. It would be unfair, and arguably unconstitutional, to accord retrospectivity to the Act. Thus, the Act will only apply to claims that arose after the commencement of the Act.

CONSULTATIONS

The Department took the oral and written comments and inputs given during the consultation process in the Portfolio Committee Hearings in 2003, regarding B64-03, into account; the Department presented the Draft Bill to the Road Accident Fund Board and their comments were incorporated; National Treasury was consulted on both the Bill and the financial implications of the Bill.

FINANCIAL IMPLICATIONS FOR STATE

- 9. The Bill will improve the financial sustainability the Fund.

PARLIAMENTARY PROCEDURE

10. The State Law Advisers and the Department of Transport are of the view that this Bill must be dealt with in the same manner as in the case of B64 - 03, i.e. in accordance with the procedure established by section 75 of the Constitution, since it contains no provision to which the procedure set out in section 74 or 76 of the Constitution applies.

NOTICE 2781 OF 2004**NOTICE OF AN EXEMPTION GRANTED IN TERMS OF SECTION 10(4A) OF THE COMPETITION ACT 1998:****VISA SA, A BRANCH OF VISA INTERNATIONAL SERVICE ASSOCIATION INCORPORATED**

Notice is hereby given in terms of section 10(7) of the Competition Act 1998 (the Act) that the Competition Commission (the Commission) has, in response to an application by VISA SA, a branch of VISA International Service Association Incorporated in respect of an exemption from the application of Chapter 2 of the Act, decided on 5 November 2004 to grant an exemption in terms of section 10(4A) of the Act for a period of eight (8) years and six (6) months, ending on 30 April 2013.

An application has been filed with the Competition Commission for an exemption from the provisions of Chapter 2 of the Competition Act 1998 (the Act). In particular the applicants have requested that they be permitted to agree on prices and set other trading conditions in terms of the agreement by the members to set up a VISA National Organization for South Africa, which practices are prohibited in terms of section 4(1)(b) of the Act. The application was based on section 10(4) of the Act on the premise that the agreement is required to exercise certain intellectual property rights.

It was concluded that there is sufficient evidence to show that intellectual property rights are at issue and that the agreements or practices would relate to the exercise of an intellectual property right. The Commission grants the Applicant an exemption from the application of Chapter 2 of the Competition Act (89 of 1998) for a period of eight (8) years and six (6) months, ending on 30 April 2013.

In terms of Rule 19(5) of The Rules For The Conduct Of Proceedings In The Competition Commission, the Commission has provided written reasons for its decision. A copy of those reasons may be obtained from the investigator whose particulars are indicated below.

In terms of section 10(8) of the Competition Act (89 Of 1998), the *firm* concerned, or any other person with a substantial financial interest affected by this decision of the

Competition Commission, may appeal this decision to the Competition Tribunal in the *prescribed* manner within 20 business days after the date of publication of this notice in the Government Gazette.
