Short title

7. This Act is called the Sectional Titles Amendment Act, 2004.

MEMORANDUM ON THE OBJECTS OF THE SECTIONAL TITLES AMENDMENT BILL, 2004

1. PURPOSE

The Sectional Titles Amendment Bill, 2004 (hereinafter referred to as "the Bill"), proposes amendments to the Sectional Titles Act, 1986 (Act No. 95 of 1986).. The Bill aims at amending a certain definition, it provides for certain acts of registration, and that judgment may not be given against certain members of a body corporate under certain circumstances.

2. CONTENTS OF BILL

- 2.1 Clause 1 provides for the amendment of a definition for clarity purposes.
- 2.2 Clause 2 provides for the elimination of interpretation problems and other technical amendments that are aimed at cost effectiveness and at expediting the process of the extension of a section in a sectional title scheme.
- 2.3 Clause 3 provides for the registration of a sectional plan of extension within a prescribed period of time. It further provides for the liability of a developer to contribute towards the levy fund of the body corporate in instances where the developer has not effected the registration of a sectional plan of extension within the prescribed period of time.
- 2.4 Clause 4 provides for the registration of lease contracts, personal servitudes of usufruct, usus or habitatio and thus extends the types of real rights which may be registered against a part of the common property registered in favour of the owner of a section.
- 2.5 Clause 5 provides for penalties aimed at serving as a deterrent for developers who fail to comply with the requirement of convening a meeting of the members of the body corporate within 60 days after the establishment of the body

corporate or failure by the developer to pay over any residue revealed by the proof of revenue and expenditure to the body corporate. The penalty is increased by the proposed amendment and now includes imprisonment as well.

- 2.6 Clause 6 provides that judgment may not be given against a member of a body corporate who has paid his or her contribution to the body corporate prior to the passing of judgment by a judgment creditor against the body corporate.
- 2.7 Clause 7 provides for the short title.

NOTICE 2786 OF 2004
INTERNATIONAL TRADE ADMINISTRATION COMMISSION
OF SOUTH AFRICA

CUSTOMS AND EXCISE TARIFF APPLICATIONS

LIST 17/2004

The International Trade Administration Commission of South Africa (ITAC) has received the following applications concerning the Customs and Excise Tariff. Any objection to or comment on these representations should be submitted to the Chief Commissioner, ITAC, Private Bag X753, Pretoria, 0001, within six weeks of the date of this notice. Attention is drawn to the fact that the rate of duty mentioned in the application is that requested by the applicant and that the Commission may, depending on its findings, recommend a lower or higher rate of duty.

CONFIDENTIAL INFORMATION

Please note that if any information is considered to be confidential then a non-confidential version of the information must be submitted, simultaneously with the confidential version. In submitting a non-confidential version the following rules are strictly applicable and parties must indicate:

- ☐ *Where confidential information has been omitted and the nature of such information;*
- ☐ *A summary of the confidential information which permits a reasonable understanding of the substance of the confidential information; and*
- ☐ *In exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.*

This rule applies to all parties and to all correspondence with and submissions to the

Commission, which unless indicated to be confidential and filed together with a non-confidential version, will be made available to other interested parties.

If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the commission in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due). Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.

INCREASE IN THE DUTY ON:

Volume 3

provides in depth detail on the selection, installation, operation and control methods for traffic signals.

Volume 4
