MINISTER VAN ARBEID

GENERAL INFORMATION / ALGEMENE INLIGTING.**(i) THE EMPLOYEE AND THE MEDICAL SERVICE PROVIDER.**

The employee is permitted to choose freely his own service provider e.g. doctor, pharmacy, physiotherapist, hospital, etc. and no interference with this privilege is permitted as long as it is exercised reasonably and without prejudice to the employee himself or the Compensation Fund. The only exceptions to this rule are those cases where employers, with the Compensation Commissioner's approval, provide their own medical aid facilities in toto, i.e. including hospital, nursing and other services—section 78 of the Act refers.

In terms of section 42 either the Compensation Commissioner or an employer may send the injured employee to another doctor chosen by him (Compensation Commissioner or employer) for a special examination and report. Special fees are payable for this service. This examination and report is usually done only by specialists.

In the event of a change of doctors attending a case, the first doctor in attendance will, except where the case is handed over to a specialist, be regarded as the principal, and payment will normally be made to him. To avoid disputes, doctors should refrain from treating a case already under treatment without first discussing it with the first doctor. As a general rule, changes of doctor are not favoured, unless there are sufficient reasons therefore.

If an injured employee is in need of emergency treatment, the doctor should act in the same manner as he would to any patient who needs his urgent help. He should not, however, ask the Compensation Commissioner to authorise such treatment before the claim has been admitted as falling within the scope of the Act.

It should be remembered that an employee seeks medical advice at his own risk. If, therefore, an employee represents to his medical service provider that he is a Compensation for Occupational injuries and Diseases Act case and yet fails to claim the benefits of the Act, leaving the Compensation Commissioner, or his employer, in ignorance of any possible grounds for a claim, the insurance fund concerned cannot accept any responsibility for any medical expenses incurred if the claim is not reported in the prescribed manner. The Compensation Commissioner can also have reason not to accept the claim lodged against the Fund. In such circumstances the employee would be in the same position as any other member of the public as regards payment of his medical expenses.

The amounts published in the tariff for COIDA for medical services are calculated without VAT. The only exclusion is die "per diem" tariff for Private Hospitals, that includes VAT. The account for services rendered will be assessed and calculated without VAT. If VAT is applicable and a VAT registration number was indicated, it will be calculated and added to the payment without being rounded off.

(i) DIE WERKNEMER EN DIE MEDISE DIENSVERSKAFFER

Die werknemer het 'n vrye keuse van diensverskaffer bv. Dokter, apteek, fisioterapeut, hospitaal ens. en geen inmenging met hierdie voorreg word toegelaat solank dit redelik en sonder nadeel vir die werknemer self of die Vergoedingsfonds uitgeoefen word nie. Die enigste uitsonderings op hierdie reël is in daardie gevalle waar die werkgewers met die goedkeuring van die Vergoedingskommissaris hul eie geneeskundige dienste in die geheel voorsien, d.i. insluitende hospitaal- verplegings- en ander dienste—artikel 78 van die Wet verwys.

Kragtens die bepalings van artikel 42 mag die Vergoedingskommissaris of die werkewer na gelang van die geval, 'n beseerde werknemer na 'n ander geneesheer deur hom (Vergoedingskommissaris of werkewer) aangewys, stuur vir 'n spesiale ondersoek en verslag. Spesiale gelde is betaalbaar vir hierdie dienste. Hierdie ondersoek word uit die aard van die saak feitlik uitsluitlik deur spesialiste gedoen.

In die geval van verandering van geneeshere wat 'n geval behandel, sal die eerste geneesheer wat behandeling toegedien het, behalwe waar die geval aan 'n spesialis oorhandig is, as die lasgewer beskou word en betaling sal normaalweg aan hom gemaak word. **Ten einde geskille te voorkom, moet geneeshere hul daarvan weerhou om 'n geval wat reeds onder behandeling is te behandel sonder om dit eers met die eerste geneesheer te bespreek.** Oor die algemeen word veranderings van geneeshere, tensy voldoende redes daarvoor bestaan, nie aangemoedig nie.

In gevallen waar 'n beseerde werknemer noodbehandeling benodig, moet die geneesheer op dieselfde wyse as teenoor enige pasient wat sy hulp dringend nodig het optree. Hy moet egter nie die Vergoedingskommissaris vra om sulke behandeling goed te keur alvorens aanspreeklikheid vir die eis kragtens die Wet aanvaar is nie. Dit moet in gedagte gehou word dat 'n werknemer geneeskundige behandeling op sy eie risiko soek. As 'n werknemer dus aan 'n geneesheer voorgee dat hy 'n geval is onder die Wet op Vergoeding vir Beroepsbeserings en Siektes en tog versium om die voordele van die Wet te eis deur die Vergoedingskommissaris of sy werkewer in die duister te laat van enige moontlike gronde vir 'n eis, kan die betrokke versekeringsfonds geen aanspreeklikheid aanvaar vir geneeskundige onkoste wat aangegaan is nie as die besering nie aangemeld is op die voorgeskrewe wyse nie. Die Vergoedingskommissaris kan ook rede he om nie die eis teen die Fonds te aanvaar nie. Onder sulke omstandighede sou die werknemer in dieselfde posisie verkeer as enige lid van die publiek wat betaling van sy geneeskundige onkoste betref.

Die bedrae gepubliseer in die tarief vir COIDA is BTW uitgesluit. Die enigste uitsondering is die "per diem" tarief vir Privaat Hospitale, wat BTW insluit. Die rekening vir dienste gelewer word aangeslaan en bereken sonder BTW. Indien BTW van toepassing is en 'n BTW registrasie nommer aangedui is, word dit bereken en by die betalingsbedrag gevoeg sonder om afgerond te word.

**CLAIMS WITH THE COMPENSATION FUND ARE PROCESSED AS
FOLLOWS •**

EISE TEEN DIE VERGOEDINGSFONDS WORD HANTEER SOOS VOLG:

1. If the claim is **accepted** as a COIDA claim, reasonable medical expenses will be paid by the Compensation Commissioner • *As die eis teen die Fonds aanvaar word, word redelike mediese koste betaal deur die Vergoedings Kommissaris.*
2. If the claim is **rejected (repudiated)**, services will not be paid by the Compensation Commissioner. All parties are informed of this decision, including the service providers. The injured employee will be liable for payment. • *As die eis teen die Fonds afgekeur word (gerepudieer), word dienste nie deur die Vergoedings Kommissaris betaal nie. Die betrokke partye word in kennis gestel van die besluit, ingesluit die diensverskaffers. Die beseerde werknemer is dan aanspreeklik vir die rekening.*

If **no decision** can be made due to a lack of information, the outstanding information is requested and upon receipt, the claim will again be adjudicated. Depending on the outcome, the accounts from the service provider, will be handled as set out in 1 and 2. Unfortunately, there are claims for which a decision might never be made due to a lack of forthcoming information • *Indien geen besluit geneem kan word nie, weens 'n gebrek aan inligting, word die uitstaande inligting aangevra. Met ontvangs word die eis hernoorweeg. Afhangende van die uitslag, word die rekening hanteer soos uiteengesit in nommer 1 en 2. Ongelukkig is daar eise waar 'n besluit nooit geneem kan word nie aangesien die uitstaande inligting nie verskaf word nie*

BILLING PROCEDURE • EIS PROSEDURE:

1. The **first account** for services rendered to the injured employee (INCLUDING the First medical report) must be submitted to the employer who will collate all the documents (from other service providers etc.) and submit them to the Compensation Commissioner • *Die eerste rekening (INSLUITEND die Eerste mediese verslag) vir diens gelewer aan die beseerde werknemer, moet aan die werkgever gestuur word, wat die eise (van ander diensverskaffers ens.) bymekaar sal sit en dit aanstuur na die Vergoedingskommissaris.*
2. New claims are registered by the Commissioner and the **employer is notified of the claim number** allocated to the claim. Enquiries for claim numbers should be directed to the employer and not to the Commissioner. The employer will be able to give you the claim number for the patient as well as indicate whether the Compensation Commissioner accepted the claim as a COIDA case • *Nuwe eise word geopen deur die Kommissaris en die werkgever word in kennis gestel van die eisnommer. Navrae vir eisnommers moet aan die werkgever gerig word en nie aan die Kommissaris nie. Die werkgever kan die eisnommer verskaf en ook aandui of die Kommissaris die eis teen die Fonds aanvaar het of nie*
3. All new accounts are captured on the Commissioners database and a summarized notice is posted weekly to the service provider. This is only an **acknowledgement of receipt** and not a payment or a guarantee thereof • *Alle nuwe rekeninge word vasgelê op die Kommissaris se databasis en 'n opsomming van rekeninge ontvang word weekliks aan die diensverskaffer gestuur. Dit is slegs 'n erkenning van ontvangs en nie 'n betaling of waarborg daarvan nie.*
4. If accounts are still outstanding after 60 days following submission and acknowledgement by the Commissioner Service providers should complete an enquiry form, W.CL 20, and submit it ONCE to the Commissioner. **DO NOT SUBMIT DUPLICATE ACCOUNTS WHEN AN ACKNOWLEDGEMENT WAS RECEIVED FOR THE PARTICULAR ACCOUNT** • *Indien die rekening nog uitstaande is na 60 dae na indiening van ontvangserkenning deur die Vergoedingskommissaris, moet die diensverskaffer 'n navraag vorm, W.CL 20 voltooi en EENMALIG indien na die Kommissaris. MOENIE 'N DUPLIKAAT REKENING INDIEN AS ONTVANGS ERKEN IS VIR DIE BETROKKE REKENING NIE.*
5. If **no acknowledgement** was received and the account is unpaid **60 days after** it was submitted to the employer, a **duplicate account** must be submitted to the Commissioner directly. The account must be accompanied by any supporting documents e.g. PART B of the Employers Report of an Accident (W.CL 2), First (W.CL 4), and Progress/Final (W.CL 5/5F) medical reports • *Indien ontvangs nie erken is 60 dae na versending aan die werkgever, moet 'n duplikaatrekening ingedien word by die Vergoedingskommissaris. Die rekening moet vergesel word van ander dokumentasie bv. DEEL B van die Werkgever se Verslag oor 'n Ongeval (W.CL 2), Eerste (W.CL 4) en Vordering/Finale (W.CL 5/5F) mediese veslae.*
6. If the account is **partially paid** with no reason therefore indicated on the remittance advise, a duplicate account with the unpaid services clearly indicated must be submitted, accompanied

by a WCI 20 form. (*see website for example) • *Indien 'n rekening gedeeltelik betaal is met geen rede voorsien op die betaaladvies nie, kan 'n duplikaatrekening met die kortbetaling duidelik aangedui, vergesel van 'n WCI20 form ingedien word (*sien webblad vir voorbeeld van vorm).*

7. **Information NOT to be reflected** on the account: Details of the employee's medical aid and the practice number of the referring practitioner • *Inligting wat NIE aangedui moet word op die rekening nie: Besonderhede van die werknemer se mediese fonds en die verwysende geneesheer se praktyknommer.*

8. Service provider **should not generate** • *Diensverskaffer moenie die volgende genereer:*

- a. **Multiple accounts** for services rendered on the **same date** i.e. one account for medication and a second account for other services • *Meer as een rekening vir dienste gelewer op dieselfde datum, bv. Medikasie op een rekening en ander dienste op 'n tweede rekening.*
- b. **Accumulative accounts** but rather submit a separate account for every month • *Aaneenlopende rekeninge: aparte rekeninge per maand word verkie.*
- c. **Accounts on the old documents** (W.CL 4/5/5F) A *New First Medical Report (W.CL 4) and Progress/Final Report (W.CL 5/5F) forms are available. The old forms combined with the account (W.CL11), were replaced. **Accounts on the old medical reports will not be entertained** • *Rekeninge op die ou voorgeskrewe dokumente van die Vergoedingskommissaris. 'n *Nuwe Eerste mediese verslag (W.CL4) en Vordering/Finale verslag (W.CL5) is beskikbaar. Die vorige vorms gekombineer met die rekening (W.CL11) is vervang. Rekeninge op die ou vorms is nie aanvaarbaar nie.*

* Examples of the new forms (W.CL 4/5/5F) are available on the website
www.labour.gov.za •

COIDA POLICY DOCUMENT FOR ORTHOTIC AND PROSTHETIC SERVICES**GUIDELINES :****A : ROLE OF THE COMPENSATION COMMISSIONER****1. LIABILITY UNDER THE ACT (SECTION 73)****1.1 Section 73(1)**

"The Director General or employer individually liable or mutual association concerned, as the case may be, shall for a period of not more than two years from the date of accident or the commencement of a disease referred to in section 65(1) pay the reasonable cost incurred by or on behalf of an employee in respect of medical aid necessitated by such accident or disease."

1.2 Section 73(2)

"If, in the opinion of the Director General, further medical aid in addition to that referred to in subsection (1) will reduce the disablement from which the employee is suffering, he may pay the cost incurred in respect of such further aid or direct the employer individually liable or the mutual association concerned as the case may be, to pay it."

1.3 Section 1 (XXIV)

"Medical aid" means medical, surgical or hospital treatment, skilled nursing services, any remedial treatment approved by the Commissioner, the supply and repair of any prostheses or any device necessitated by disablement, and ambulance services where in the opinion of the commissioner, they were essential.

2. INTERPRETATION OF THE TARIFFS (PROCEDURES TO BE FOLLOWED WITH SUPPLY OF ARTIFICIAL DEVICES)

2.1.1 The Compensation Commissioner will bear the reasonable cost for all reasonable artificial aid as part of active treatment provided that liability has been accepted by the Commissioner and treatment was prescribed by a medical practitioner.

2.1.2 The Commissioner has the right to investigate any complaints lodged concerning the professional conduct of a service provider and, where necessary, to take steps against any practitioner who is found to have acted unprofessionally, whether by over-servicing, over-charging, rendering poor quality of service, goods or workmanship, or for any other reason

2.1.3 The Commissioner will consider requests only if it will enable the employee to stay or return to the Labour market and therefore reduce disablement.

2.2 Prosthesis or artificial devices

2.2.1 Proposed O/P services to new patients or of new equipment must be accompanied by a written report by the practitioner indicating the functional level and environmental circumstances of the

patient. O/P services effected by a practitioner prior to the Commissioner's authorisation will be at the practitioner's risk.

- 2.2.2 One standard arm or leg prosthesis per employee. If the nature of his employment/work requires a second prosthesis, it must be motivated by the employee and confirmed by the employer. The employee must be evaluated each time he is entitled to a new prosthesis
- 2.2.3 The employee must consult a medical doctor to support requests for refits for stump changes and other medical problems regarding the stump
- 2.2.4 In case of a leg prosthesis, one pair of crutches may supplement the prosthesis

2.3 Refit of prosthesis

A refit will be categorised as ONLY a change to the socket as a result of stump changes.

- 2.3.1 The first prosthesis will be refitted after a period of ±6 months. The request must be accompanied with the necessary motivation and proof of stump volume changes.
- 2.3.2 The Commissioner will pay for the re-fit of the prosthesis where it is justified by the circumstances. Proof of stump volume changes is required.
- 2.3.3 The prosthetist should provide a reasonable quotation to the Commissioner when recommending each replacement, re-fit or repair.
- 2.3.4 If the employee returns to work after the accident a second prosthesis may be required. This will be supplied by the Commissioner but only if proof of employment and/or motivation from the current employer is supplied.

2.4 Repair of prosthesis

Repairs to a prosthesis are considered to be replacement or repair of damaged/worn out parts and prosthetic covers.

- 2.4.1 The Commissioner will bear the Tariff cost of repairs to or replacement of a prosthesis, which has suffered from "fair wear and tear".
- 2.4.2 The Commissioner will not bear the cost of a prosthesis, which has become lost, broken, worn out or is otherwise unserviceable in consequence of the patient's neglect or abuse.

2.5 Replacement of prosthesis

- 2.5.1 Prosthesis should last for a minimum of five years. Replacement due to normal wear and tear will be considered on application with motivation from the employee after five years.
- 2.5.2 Some parts of the prosthesis (straps, socks, suspension sleeves etc) are degenerative by nature and will perish or become consumed through usage.

Guidelines for replacement of these items are:

- a) Silicone suspension sleeves – two sleeves every three years.
- b) Gel Liners – two sleeves every eighteen months.
- c) Straps and belts (including for callipers) – Eighteen months
- d) Stump socks – if worn with silicon or gel liners, six every year
 - If worn with conventional prosthesis, twelve per year.
- (e) Stump sheaths – if worn with silicone or gel liners, six every year.
 - If worn with conventional prosthesis, twelve per year.
- (f) Cosmetic stockings –one pair per year.
- (g) Replacement of cosmetics cover – two years.
- (h) Calipers – 5 years (normal wear and tear) Full motivation needed with request for replacement.

2.6 Cosmetic prosthesis

The Commissioner does not generally regard a prosthesis, which serves a purely cosmetic function as a necessity. The prosthesis MUST be functional in nature.

2.7 Wheelchairs

- 2.7.1 Normally allowed for e.g. bilateral amputees, paraplegics and quadriplegics
- 2.7.2 Normal lifespan of wheelchair is 5 years (normal wear and tear)
- 2.7.3 Replacement of wheelchair will be considered if accompanied with necessary motivation
- 2.7.4 Repairs during the 5 years will be considered by the Commissioner if deemed reasonable.
- 2.7.5 The hire of a wheelchair is applicable if the use of the wheelchair will not be permanent. The wheelchair must be prescribed by the treating doctor. A maximum of four months is considered reasonable and if exceeded, full motivation must be supplied by the doctor. Cost for hire of wheelchair may never exceed purchase price. See tariff guide for applicable fees.

2.8 Calipers

- 2.8.1 A doctors prescription must accompany the account/request. A medical report describing the employees condition may be required by the Commissioner indicating how often the callipers will be used.
- 2.8.2 If the callipers are supplied with a wheelchair to an employee, replacement of the callipers will be considered with replacement of the wheelchair if needed.

2.9 New patients/First Prosthesis

- 2.9.1 It is the patient's right to select the practitioner to render services. (must look at this point again to possibly include restrictions about closest orthotist and "marketing" problems)
- 2.9.2 Services rendered must be consistent with the patient's functional and environmental circumstances
- 2.9.3 New amputees will not be assessed higher than level II for their First prosthesis.
- 2.9.4 Normal wear and tear will apply to this first level 1 or 2 prosthesis and the second prosthesis (if approved) may be a level 3 to suite the employees circumstances after full rehabilitation
- 2.9.5 No authorization needs to be obtained from the Commissioner for the first prosthesis as the service provider has a clear policy and guideline as well as tariffs and if it is adhered to, the services will be paid for by the Commissioner
- 2.9.6 Any delay by the service provider to supply a first prosthesis causing further unnecessary expenses e.g. longer hospitalisation, will be recovered from the prosthetist

2.10 Second opinion

The Commissioner is entitled to obtain an independent report concerning any orthotic or prosthetic services, which have been rendered.

B. ROLE OF THE EMPLOYEE**1. Permission for refit, repairs and replacement:**

The employee must request personally in writing with full particulars i.e.

- (a) Claim number or pension number and identity number.
- (b) Postal and residential addresses and telephone number (if available).
- (c) Name and address of the present employer and telephone number.
- (d) He/she must specify what is required.

- (e) He/she must motivate requirements which can be supported by an orthotist and must be supported by medical opinion in the case of a refit.
- (f) The Commissioner will in writing convey a decision to the employee and the service provider. If approved the employee can approach the orthotist to proceed with the rendering of the services approved by the Commissioner.
- (g) After the artificial appliance has been delivered, the employee must confirm whether he/she received the correct equipment and it is in good working condition.
- (h) Current address and telephone number must be reflected in the statement if no telephone numbers a contact number is essential.

C. ROLE OF SERVICE PROVIDER

1. The tariffs published by COIDA after consultation with SAOPA will represent the approved tariffs payable, if the Commissioner has approved the service.
2. The tariffs are not an indication that the service by default will be approved by the Commissioner.
3. Authorisation
 - 3.1 No special authorisation is required whilst the employee is under active medical treatment approved by the Commissioner.
 - 3.2 It is prerogative of the provider to repair, refit or replace a prosthesis of an employee at his/her own risk or to approach the Commissioner via the employee for approval in which case a specified quotation according to the negotiated tariff list must be submitted.
 - 3.3 Any request for non-standard prosthesis must be motivated separately and in detail. See role of the employee for guidelines under which it will be considered.
 - 3.4 After approval is obtained and the services rendered, the specified account according to the tariff list can be submitted to the Commissioner for payment.
 - 3.5 The account must be accompanied with a separate written notice from the employee, confirming receipt of the prosthesis in good working condition and the date of receipt.
 - 3.6 The Commissioner will consider reasonable medical expenses.

D. FUNCTIONAL LEVELS

The employee must be graded as follows:

A determination of the medical necessity for certain components/additions to the prosthesis is based on the patient's potential functional abilities. Potential functional ability is based on the reasonable expectations of the prosthetist and ordering physician, considering factors including but not limited to the patient's:

- (a) Past history (including prior prosthetic use if applicable);

- (b) Current condition including the status of the residual limb and the nature of other medical problems;
- (c) Employment status and;
- (d) Desire to ambulate.

A functional level is a measurement of the capacity and potential of the patient to accomplish his/her expected, post-rehabilitation, daily function. The functional classification is used to establish the medical necessity only of prosthetic knees, feet, ankles, sockets and suspension systems.

Clinical assessments of patient rehabilitation potential should be based on the following classification levels:

Level 0: Does not have the ability or potential to ambulate or transfer safely with or without assistance and a prosthesis does not enhance their quality of life or mobility.

No prosthesis is recommended for amputees in this category.

Level 1: Has the ability or potential to use a prosthesis for transfers or ambulation on level surfaces at fixed cadence. Typical of the limited and unlimited household ambulator.

CATEGORY 1 components are recommended prosthetics at this level. Amputees typically require significant STANCE PHASE security and minimal SWING PHASE control.

Level 2: Has the ability or potential for ambulation with the ability to traverse low-level environmental barriers such as curbs, stairs or uneven surfaces. Typical of the limited community ambulator.

CATEGORY II components are recommended prosthetics at this level. Amputees typically require moderate STANCE PHASE security and moderate SWING PHASE control.

Level 3: Has the ability or potential for ambulation with variable cadence. Typical of the community ambulatory that has the ability to traverse most environmental barriers and may have vocational, therapeutic, or exercise activity that demands prosthetic utilization beyond simple locomotion.

CATEGORY III components are recommended prosthetics at this level. Amputees typically require minimal STANCE PHASE security and maximum SWING PHASE control.

Level 4: Has the ability or potential for prosthetic ambulation that exceeds basic ambulation skills, exhibiting high impact, stress or energy levels. Daily activities include rigorous and repeated actions of high impact or stress such as lifting, jumping, climbing and walking long distances. Typical of the prosthetic demands of the active adult. Unless otherwise accepted by the Commissioner, amputees in this category must be employed. This will be considered in exceptional cases with the active participation of the employer.

In addition to CATEGORY III components, these patients require components that will stand up to daily, repeated, high load and

stress levels. Amputees typically require minimal STANCE PHASE security and maximum SWING PHASE control.

If the employment status and activity levels of the amputee changes before a new prosthesis is due, the amputee may request the Commissioner for a new prosthesis which is more suitable to his/her employment conditions.

The records should document the patient's current functional capabilities and his/her expected functional potential, including an explanation for the difference, if that is the case.
