GENERAL NOTICES ALGEMENE KENNISGEWINGS

NOTICE 1423 OF 2008

INTERNATIONAL TRADE ADMINISTRATION COMMISSION

CUSTOMS TARIFF APPLICATION

LIST 15/2008

The International Trade Administration Commission (herein after referred to as ITAC or the Commission) has received the following applications concerning the Customs Tariff. Any objection to or comments on this representations should be submitted to the Chief Commissioner, ITAC, Private Bag X753, Pretoria, 0001, within six weeks of the date of this notice. Attention is drawn to the fact that the rate of duty mentioned in the applications is that requested by the applicant and that the Commission may, depending on its findings, recommend a lower or higher rate of duty.

CONFIDENTIAL INFORMATION

The submission of confidential information to the Commission in connection with customs tariff applications is governed by section 3 of the Tariff Investigations Regulations, which regulations can be found on ITAC's website at

<http://www.itac.org.za/documents/R.397.pdf>.

These regulations require that if any information is considered to be confidential, then a non-confidential version of the information must be submitted, simultaneously with the confidential version. In submitting a non-confidential version the regulations are strictly applicable and require parties to indicate:

- ❑ Each instance where confidential information has been omitted and the reasons for confidentiality;*
- ❑ A summary of the confidential information which permits other interested parties a reasonable understanding of the substance of the confidential information; and*
- ❑ In exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.*

This rule applies to all parties and to all correspondence with and submissions to the Commission, which unless clearly indicated to be confidential, will be made available to other interested parties. The Commission will disregard any information indicated to be confidential that is not accompanied by a proper non-confidential summary or the aforementioned reasons.

If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the commission in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due). Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.

1. REVIEW

Of the customs tariff dispensation pertaining to oilcakes classifiable under tariff headings 23.04, 23.05 and 23.06 with a view of reducing duties.

APPLICANT

The National Department of Agriculture
Private Bag X 15
Arcadia

Reference: [40/2008) Ms. B. Moeng, Tel. (012) 394 3623, Fax. (012) 394 4623, email: bmoeng@itac.org.za]

REASON FOR THE APPLICATION

The National Department of Agriculture (NDA) stated that immediate interventions should be put in place to reduce food prices, especially considering that oilcake is a major input into beef and poultry. The NDA is of the opinion that a reduction or removal of duty might have some positive effect in either marginally reducing the cost of producing those meat products or stabilizing their prices.

2. REDUCTION

Of the customs duty on:

“Vulcanised rubber bands in immediate packaging of 20 kg or more, classifiable in tariff subheading 4016.99.90 from 15% to free of duty by the creation of a new 8-digit subheading under tariff subheading 4016.99”

EXPLANATORY NOTE: THE RULES FOR THE PROPERTY VALUERS PROFESSION, 2008

1. As can be expected, the (current) Rules for the Property Valuers Profession, 2003, and its six amendments (containing substantial additions, changes, deletions, insertions, etc), have become somewhat unclear and indefinite and, therefore, rather demanding to comprehend.
2. The Council has, therefore, decided to consolidate the said Rules and its amendments, but without in any way amending any matters of principle contained in the provisions concerned.
3. The "new" Rules does not have to be first published in terms of subsection (2) of section 37 of the Property Valuers Profession Act, 2000, but is hereby published in accordance with subsection (3) of the said section 37.
