**IMPLEMENTATION OF HIGH COURT ORDER IN THE MATTER OF ACESS VS
MINISTER OF SOCIAL DEVELOPMENT**

1. On 19 March 2008, the High Court made an order directing the Minister of Social Development to publish a notice in the gazette setting out:

- the number of applicants for the child support grant, the care- dependency grant and the foster child grant;
- the number of such applications that were approved;
- the number of applicants without an identity document and/or birth certificate; and,
- how the applicants referred to above were dealt with.

Below is a table which reflects the information as required by the High Court. The dates are applicable to all the provinces.

Month	Grant type	Total number of applications	Total number of applications approved	Number without identification*

CHAIRPERSON: NATIONAL AGRICULTURAL MARKETING COUNCIL

**REQUEST FOR THE CONTINUATION OF A STATUTORY LEVY ON SORGHUM
IN TERMS OF THE MARKETING OF AGRICULTURAL PRODUCTS ACT, 1996
(ACT NO 47 OF 1996), AS AMENDED**

1. STATUTORY MEASURE – LEVIES

The statutory measure that is requested by the Sorghum Forum, on behalf of the sorghum industry, is that the Minister of Agriculture, in terms of section 15 of the Act, by notice in the Government Gazette, direct that the parties specified hereunder, shall pay a levy on sorghum. The rate of the proposed levy (VAT excluded) is R16-00 per ton of sorghum, to be imposed on all sorghum –

- a) sold or disposed of, by or on behalf of the producer thereof;
- b) imported into the Republic of South Africa;
- c) processed or converted or caused to be processed or converted into a sorghum product, by or on behalf of the producer thereof, if the sorghum product is intended to be sold or disposed of; and
- d) exported from the Republic of South Africa if the levy in respect of such sorghum has not been paid before.

The proposed levy will be payable by the first buyer of the sorghum, or by the processor or converter of the sorghum, or by the importer of the sorghum where the importer is also the processor thereof, or by the exporter of the sorghum.

Half of the amount of the levy payable by the buyer may be deducted from the purchase price which is payable to the producer or the importer, whatever the case may be.

An administration fee of R0,40 per ton (2.5%) may be deducted from the amount of the levy by the person responsible for the payment thereof.

2. INFORMATION REQUIRED BY SECTION 10 OF THE ACT

The particulars as required by section 10 of the Act to be included in a request for the establishment of a statutory measure, are as follows:

- 2.1 The proposed statutory levy would apply to sorghum.
- 2.2 The categories of directly affected groups, which would probably be affected by the establishment of the proposed statutory levy, are those groups of persons who are

party to the production, purchase and processing of sorghum, as well as the consumption of sorghum, in the Republic of South Africa.

- 2.3 The support for the proposed statutory levy on sorghum by the different categories of directly affected groups in the sorghum industry, as represented on the Sorghum Forum, is evidenced by the letters received from industry associations and organisations concerned.
- 2.4 The proposed statutory levy will apply to the whole of the Republic of South Africa in order to have a uniform levy, without the discrimination that would exist in imposing a levy in certain areas and not in others.
- 2.5 The establishment of the statutory levy that is requested, will further the objectives of the Act as stipulated in section 2(2) thereof. The establishment will also not contravene section 2(3) of the Act.
- 2.6 The manner in which the objectives referred to in section 2(2) of the Act will be furthered, namely increasing market access for all market participants, the promotion of the efficiency of the marketing of agricultural products, the optimisation of export earnings from agricultural products, and the enhancement of the viability of the agricultural sector, is summarised below.

The purpose and aim of the statutory levy is to provide financial support for the gathering and dissemination of information, for transformation initiatives and for scientific research, for the benefit of the sorghum industry.

(i) **Support for the sorghum information function**

The maintenance of macro industry information is regarded as critical for strategic planning by the sorghum industry, as well as for individual directly affected groups.

In order for the market to operate effectively, the industry regards the supply of generic market information to all role-players, on a continuous basis, as essential. The SA Grain Information Service (SAGIS) has, since its establishment, been accepted as an objective and reliable provider of information, both nationally and internationally. A statutory levy is required to ensure that the sorghum industry shares in the gathering and dissemination of information by SAGIS.

Proper and accurate sorghum market information, in a continuous and timeous manner, not only increases market access for all participants, but also promotes efficiency in the marketing of sorghum and sorghum products. Proper market information furthermore enhances the viability of the sorghum industry and the agricultural sector at large.

Market information further enhances food security, as the information on national stock levels of sorghum are available. The statutory levy will also not be detrimental to the number of job opportunities within the economy or to fair labour practice.

Sorghum is annually exported to neighbouring countries and in record crop years it is also exported overseas. To achieve the optimisation of export earnings, reliable information is deemed to be essential.

(ii) **Support for research on sorghum**

The agricultural sector is expected to ensure food security, to strengthen the economy and to promote social wealth by providing job opportunities in rural areas. This aim can be reconciled with the provisions of section 2(3) of the Act. In order to achieve these aims the agricultural sector is dependent on continued research.

According to experts in the field of research, the performance hitherto of the South African agricultural sector could, despite the lack of high-potential arable land, to a large extent be attributed to the development and application of agricultural research. The complex interaction between changing behavioural patterns of crops and external factors that affect the crops, such as diseases and pests, often impacts negatively on production and quality. This creates an urgent demand for new technology in order to keep the agricultural sector profitable. Account should also be taken of changing consumer preferences within the market.

With regard to research, specific infrastructures have been created over time. It is essential that these infrastructures, which were created by past contributions from the industry, are retained and maintained to the benefit of the South African sorghum industry.

The development of new cultivars with improved quality characteristics constitutes an important part of research undertaken by various organisations. The continuous development of new cultivars is indispensable to the sustained production of sorghum.

From the above it is clear that the aims of research are fully reconcilable with the objectives of the Act as stipulated in section 2(2).

(iii) **Support for transformation initiatives**

The Sorghum Trust has increased its funding to transformation initiatives over the last three years, but not enough projects seem to be initiated by the sorghum industry. The Trust therefore approved that consideration could in future be given to projects for assisting emerging sorghum farmers by providing financial assistance in respect of the following:

- (a) initial soil correction through the acquisition and application of lime, which includes the cost of one soil analysis;
- plus**
- (b) payment of all or a portion of the crop insurance premiums on behalf of the farmers;
- plus**
- (c) payment of a portion of the cost of an extension officer (or experienced commercial farmer who acts as mentor) for the specific farmers.

Existing sorghum projects of Agri-Businesses could be utilised for such projects, in order to ensure that successes are achieved and to ensure that the necessary checks and balances (auditing systems) are in existence with regard to each project. A specific budget would be allocated to the project and the Trust would make proportionate contributions to each Agri-Business,

Payments will be made to the Agri-Businesses as project managers and not to the individual farmers or input service providers. Specific conditions of the Trust would be that funding by the Trust are to be utilised exclusively for the production of sorghum, that the Trust is to be provided by certified expense statements in respect of the projects, that specified progress reports have to be submitted to the Trust, that all surpluses are to be paid back to the Trust within a set time, and that random visits could be made by the Trust to any of the projects concerned.

2.7 DATE OF IMPLEMENTATION AND DURATION OF STATUTORY MEASURE:

The current statutory levy on sorghum, as promulgated by Government Notice No. R. 166 of 24 February 2006 expires on 28 February 2010.

The statutory levy, as requested, should therefore come into operation on 1 March 2010 and remain in place for a period of four years i.e. until 28 February 2014.

It should be borne in mind that the levy will, in terms of the Act, be subject to evaluation and review by the National Agricultural Marketing Council at least every two years. Furthermore, the Act provides for the application to be made for the repeal of statutory measures.

2.8 MOST APPROPRIATE BODY TO ADMINISTER MEASURE:

The Sorghum Trust will be responsible for the collection and administration functions associated with the statutory levy that is requested. The Board of Trustees has appointed persons to carry out these functions. Such persons will have to be designated and authorised by the Minister as inspectors, in order to perform the functions referred to in Section 21 of the Act.

2.9 PARTICULARS ON ENFORCEMENT:

Levy inspectors will have to be designated and authorised by the Minister to perform the functions referred to in section 21 of the Act. Defaulters will be reported to the various industry principals and if necessary to the NAMC. Legal action will be taken where necessary. The Administrator will meet with levy inspectors and accountant on a monthly basis to discuss progress with regard to levy collection. The Trust administrators will report to the NAMC on a quarterly basis regarding the status of levy collection and the appropriation of levy funds. The Administrator will ensure compliance with the requirements of the Auditor-General in terms of the Public Finance Management Act. The Administrator will remind persons on a monthly basis to submit return forms and pay the levies, and keep them informed on the appropriation of levy funds.

PREAMBLE

This preamble as far as is relevant, forms part of these rules

Registered persons are subject to the disciplinary supervision of **the Council**. The rules lay down standards of professional conduct and practise which must be complied with. Failure to comply would lead to investigation which could result in a disciplinary hearing.

It is an overriding obligation under the rules that, in carrying out professional work, a registered person is expected to act with due skill, competency and integrity. In this context, **the Council** will investigate any complaint of unacceptable professional conduct as set out in these Rules.

If a registered person is in breach of any provision or of any rule published in terms of the Act, which constitute improper or unprofessional conduct, in the carrying on of his profession, as a natural person in private practice, **the Council** shall proceed jointly against the **registered principals** of the practice.

RULE 1 UNPROFESSIONAL CONDUCT

- 1.1 A registered person shall refrain from
- 1.1.1 conduct which falls short of the standard required of a person registered in terms of the Act;
 - 1.1.2 conduct which would in the opinion of **the Council** be detrimental to the esteem, dignity, and/or professionalism of the architectural profession;
 - 1.1.3 conduct which would tend to bring the architectural profession into disrepute.
- 1.2 A registered person shall notify **the Council** without delay if he/she becomes subject to any disqualification as contemplated in section 19(3) of the Act.

RULE 2 TECHNICAL COMPETENCE AND PROFESSIONAL WORK*

- 2.1 A person who is registered in any category referred to in section 18 of the Act, may not undertake **architectural work** unless such work is identified for the relevant category of registration in accordance with the regulation currently in force.
- provided that a person registered in any particular category may perform the work identified in any lower category;
 - provided that a person who is registered in the category of candidate, must perform such work in the service of, under the direction, control, continual supervision of or in association with a registered person entitled to perform the work and who must assume responsibility for any work so performed.
- 2.2 A registered person shall only undertake work for which he/she is technically competent, qualified and trained, and for which he/she is able to provide adequate professional, financial and technical resources.
- 2.3 A registered person shall regularly engage in continuing professional development activities in order to ensure that he/she keeps up to date with the latest technology, legislation, standards and trends and also to ensure the development of deeper and specialised knowledge that will in turn enhance and maintain his/her professional competence.

**Rule 2 to be amended appropriately once the proposed Identification of work Framework is approved for implementation by the Council for the Built Environment and the Competitions Commission*

RULE 3 PROMOTION OF SERVICES

- 3.1 A registered person may only promote his/her professional services in a truthful and responsible manner.
- 3.2 Credit for work done during a period as a principal or employee of another **architectural practice** should make reference to such **practice** and be clearly described.

- 3.3 The name under which an **architectural practice** operates should not be misleading, or capable of being confused with that of another **practice**.
- 3.4 Services offered shall be described in a factual manner that is related only to the work of the professional disciplines and categories of registration represented in a **practice**.
- 3.5 A registered person shall declare to any potential client any business interests, including any interests in the business of trading in land or business of property developers, property auctioneers, estate agents, building contractors, subcontractors, suppliers in or to the building industry, or in a design - and - build **practice**, the existence of which interest, if not declared, would raise or may be likely to raise doubts about her integrity and impartiality as an independent professional.

RULE 4 MANAGEMENT OF PROFESSIONAL WORK

A registered person shall not:

- 4.1 undertake to perform work for remuneration unless the registered person has clearly set out the terms of the appointment, which must inter alia include the following:
- the scope of the work;
 - the allocation of responsibilities;
 - the limitation of responsibilities;
 - fee payable for the work or services, the method of calculating it (if appropriate) and the stage(s) at which it will be payable;
 - the budget (if applicable) or other cost limit for the project, work or service, and the method and implication of estimating costs;
 - provisions for termination of the agreement; and
 - details of professional indemnity insurance
 - provision for dispute resolution;
- 4.2 issue any drawings or specifications or documents in respect of work performed by himself/herself or by some person in his/her employ or by a member or employee of the **architectural practice** of which he/she is a member unless the same bear his/her name and/or registration number or the name of his/her **architectural practice**;
- 4.3 sign or otherwise identify as having been issued by his/her any building plan or document unless his/her **architectural practice** is the bona fide author or has prepared such building plan or document under her direct supervision;
- 4.4 submit plans to the local or other authority for approval unless such submission is done under cover of an architectural compliance certificate as provided for in the annexure hereto;
- 4.5 directly or indirectly receive any commission or remuneration for recommending a particular contractor to a client for work on a building project;
- 4.6 directly or indirectly receive any royalty, gratuity, commission, or other remuneration on any article, fitting, installation or process used in or for the purpose of the work in

- respect of which he/she is employed, unless he/she has notified her employer or client, in writing, of such royalty, gratuity, commission or other remuneration;
- 4.7 practice architecture during any period in respect of which his/her registration has been suspended;
- 4.8 negligently issue any certificate in connection with any building project on which he/she is professionally engaged.

RULE 5 ESTABLISHMENT OF AN ARCHITECTURAL PRACTICE AND CARRYING ON OF A BUSINESS

- 5.1 Any registered principal who practices architecture in any form shall within 30 days of the establishment of a business inform **the Council** thereof in writing, giving full details of the practice name, address from which the practice is conducted, type of practice and names of partners, shareholders, directors or members.
- 5.2 **The Council** shall be informed of any changes in name, type, address, composition of a **practice** and its termination, within 30 days of the relevant occurrence.
- 5.3 A registered person shall not, except with the permission of **the Council** and under such conditions as **the Council** may prescribe, enter into any professional relationship or association with any person who is not a registered person or a member of a closely allied profession. Permission will not be granted if the person concerned:
- 5.3.1 is disqualified from registration under any provisions of the Act or from membership of any closely allied profession;
- 5.3.2 is qualified to register under any category provided for under the Act but has not done so.
- 5.4 Registered person(s) may not describe his/her **practice** as solely practicing architecture unless effective control in terms of majority shareholding, members interest or voting powers is in the hands of persons registered in terms of the Act.
- 5.5 Effective control of any multi-disciplinary professional firm, which also practices architecture, shall be in the hands of **registered persons**.
- 5.6 Every office established for the purpose of conducting an **architectural practice** shall be under the continuous, direct and personal supervision of a **registered person**: provided that the registrar may give permission for such office to be supervised on an intermittent basis for such period of time as the registrar may, at her discretion, determine, provided that a registered person shall be present in such office for at least one full day per week during normal office hours and that the time of attendance is prominently displayed outside the office. Permission may be granted to allow time for the replacement of a registered person who has resigned or who has left for some reason or to allow time for the employment of staff where an office has to be established in an area because of the award of a project.
- 5.7 **The Council** may order that the **practice** be dissolved if any partner, member or shareholder who is not a registered person but eligible for registration, has been guilty of any act which, had he/she been a registered person, would have constituted a breach of any provision of the Act or these rules.

- 5.8 **The type of practice** is determined by the most senior category of registered person actively practising in the practice. The name 'professional' can be omitted from the trading name of the practice. The practice shall not use a type which portrays itself to be in a more senior category than the **registered principals** of the practice.
