- (a) R[r]egister for a maximum of two subjects for the supplementary examination in the following year. This option may only be exercised once by a part-time candidate, namely after completion of the National Senior Certificate, that is, his or her final end-of-year examination.

- (b) Register, subject to *subparagraph (c)*, for **[These]** two subjects that **[the candidate]** he or she sat for in the previous end-of-year examination.

"(10) Candidates who have not met the School-Based Assessment and Practical Assessment Task component requirements, may be allowed to improve their marks obtained in these two components, subject to satisfactory arrangements being made with the relevant accredited assessment body."

Amendment of paragraph 2 of Annexure B

3. Annexure B of the Policy is amended by the substitution of paragraph 2 of the following paragraph-

"2. INCOMPLETE RESULTS

A learner's results are regarded as incomplete if he or she did not offer any of the School-Based Assessment [**SBA**] requirements and/or Practical Assessment Task (PAT), a Practical Assessment or an Oral requirement and no valid reason was provided. This implies that the learner did not submit [**a specific**] all assessment tasks specified for [**internal assessment in the Subject Assessment Guidelines.**]School-Based Assessment [in the], Practical Assessment Task (PAT), Practical Assessment or Oral assessment in the policy document, An addendum to the policy document, the National Senior Certificate: A qualification at Level 4 on the National Qualifications Framework (NQF), regarding the National Protocol for Assessment (Grades R – 12) and Subject Assessment Guidelines. In such an event, the code ["999"] "444" is indicated on the mark sheet. Such a candidate must [re-register for the subject to complete the SBA requirements.] repeat the subject in the

subsequent examination but not the supplementary examination. If a candidate fails to do this, he or she will not qualify for a National Senior Certificate."

Amendment of paragraph 3 of Annexure B

4. Annexure B of the Policy is amended by the substitution of paragraph 3 of the following paragraph-

"3. OUTSTANDING MARKS

A mark is regarded as outstanding if, during the capturing process, the reason for the outstanding mark is not **[completely]** established. **[A]**The code, "777", is used to indicate an outstanding mark. The reason for [A] an outstanding [internal assessment] mark must be resolved as soon as possible and the "777" code replaced with either a mark or ["999"] a "444" code (absent) or a "999" code. In [a case] the event that the [learner] candidate was absent based on valid reasons, the outstanding School-Based [a]Assessment tasks and/or Practical Assessment Tasks (PAT), Practical Assessment or Oral must be submitted within the stipulated three-month period. Until this is done the result in this subject will be regarded as incomplete. In such an event the candidate cannot receive a result, since he or she has not satisfied the requirements of the National Senior Certificate. Should the candidate not submit the School-Based [a]Assessment tasks and/or Practical Assessment Tasks in the stipulated period, the code [of] "777" will be changed to["999"] "444", which will then be regarded as an incomplete result. A code "444" will be allocated when the candidate does not submit the required outstanding School Based Assessment and Practical Assessment Tasks."

Candidates who have failed the School-Based Assessment and Practical Assessment Task components, may be allowed to improve their marks obtained in the School-Based Assessment and Practical Assessment

Task components, subject to satisfactory arrangements being made with the relevant accredited assessment body."

A mark is regarded as outstanding if, during the capturing process, the reason for the outstanding mark is not **[completely]** established.

The code, "777", is used to indicate an outstanding mark. An outstanding **[internal assessment]** mark must be finalised **[resolved]** as soon as possible and the "777" code replaced with either a mark or a **["999"]** "444" code (absent) or a "999" code.

In the event that the **[learner]** candidate was absent, based on valid reasons, code "999" will be captured. **[t]** The outstanding School-Based A[a]ssessment **[tasks]**, and/or Practical Assessment Tasks (PAT), Practical Assessment or Oral mark must be submitted within the stipulated three-month period. **[the code "999"]** The result in the subject will be regarded as incomplete. In such an event the candidate cannot receive a result, since he or she has not satisfied the requirements of the National Senior Certificate. Should the candidate not submit the School-Based A[a]ssessment tasks and/or Practical Assessment Tasks in the stipulated period, the code "777" will be changed to **["999"]** "444".

Candidates who have not met the School-Based Assessment and Practical Assessment Task component requirements, may be allowed to improve their marks obtained in the School-Based Assessment and Practical Assessment Task components, subject to satisfactory arrangements being made with the relevant accredited assessment body."
