BOARD NOTICE

BOARD NOTICE 179 OF 2013

FINANCIAL SERVICES BOARD

PENSION FUNDS ACT, 1956 (ACT NO. 24 OF 1956)

NOTIFICATION OF INACTIVE PENSION FUNDS AND PARTICIPATING EMPLOYERS PARTICIPATING IN PENSION FUNDS REGISTERED UNDER THE PENSION FUNDS ACT, 1956 ("the Act")

According to the records of the Registrar, the following funds and participating employers appear to be inactive:

- Pension funds listed in **Annexure A**;
- Participating employers as participants in umbrella schemes listed in **Annexure B**;

In terms of section 27(1)(a) of the Act, the Registrar intends to cancel the registration of funds and participating employers where the Registrar is unable to establish whether a fund still operates or a participating employer still participates in an umbrella fund.

Where a fund is no longer operating or a participating employer is no longer participating in an umbrella fund, the administrator responsible for the administration of these funds is required to furnish the Registrar with:

1. the relevant deregistration documents (Forms F and F1 as contained in Directive PF No. 2); and
2. proof that the fund ceased to exist or the participating employer ceased to participate in the umbrella fund

to enable the Registrar to cancel the registration of the fund and/or participating employer.

Alternatively, funds and participating employers that have been incorrectly included in either in Annexure A or B should through their Board of Trustees or administrator, provide proof of their continued operation or participation before 31 August 2013.
