## Our pricing is designed to save you money!

GPW's pricing strategy is based on how you, the customer, submits your notice request.

By submitting your notice request (Adobe Form plus proof of payment – 2 separate attachments) via the **electronic email channel**, you will qualify for a **25% discount**. We encourage you to reap this benefit by submitting your request to [submit.egazette@gpw.gov.za](mailto:submit.egazette@gpw.gov.za).

If however, you opt to submit your notice through one of the **manual submission channels** (via walk-in; fax; scanned image), you will be required to pay the **full price**. This is due to manual capturing that is required, i.e.– additional people to be assigned to the task.

## The new Adobe Forms on the website

The new Adobe forms can be found on our website [www.gpwonline.co.za](http://www.gpwonline.co.za) under the eGazette Services page. You will need to register on the website to access this page. Alternatively, contact the eGazette Contact Centre on 012-748 6200 for assistance.

Follow these easy steps:

1. Click on the link for Gazette Services and log in to access this page.
2. Once logged in, click on the Notice Submission Forms link on the left panel of the screen.
3. Select applicable form for download under the relevant category.

## Important information about attachments

Documents must be attached separately in your email to GPW (refer below for example). In other words, your email should have an Adobe Form plus proof of payment – 2 separate attachments – where notice content is applicable, it should also be a 3<sup>rd</sup> separate attachment.

**PROJECT MANAGER FOR THE AIR ACCESS PROJECT: AIRLIFT STRATEGY AND ROUTE DEVELOPMENT**

**CLOSING DATE: 4 May 2015.**

Wesgro is the Official Tourism, Trade and Investment Promotion Agency of the Western Cape Province, established under provincial law and governed by a Board of Directors. We are the first point of contact for foreign importers, local exporters and investors wishing to take advantage of the unlimited opportunities of the growing Cape.

The Air Access Project is aimed at improving regional competitiveness and support growth sectors of the Western Cape through improved air access in order to stimulate economic growth and create jobs. The project seeks to increase and improve airline access (both passenger and freight) into and out of Cape Town International Airport through the establishment of new routes and increasing frequencies on existing routes. It would be required that an airlift strategy be delivered and that route development emanate from this strategy.

Thus, tenders are invited for a suitable Project Manager for the Air Access Project: Airlift Strategy and Route Development.

Submission must reach the Wesgro Office not later than 11h00 on the closing date of the tender.

Tender documents shall be submitted in a sealed envelope with the name and address of the tenderer, the tender number and the closing date indicated on the envelope. Please see the stated submission requirements in the RFP to ensure compliance.
