Notice submission deadlines

Government Printing Works has over the last few months implemented rules for completing and submitting the electronic Adobe Forms when you, the customer, submit your notice request.

In line with these business rules, GPW has revised the notice submission deadlines for all gazettes. Please refer to the GPW website www.gpwonline.co.za to familiarise yourself with the new deadlines.

CANCELLATIONS

Don't forget!

Cancellation of notice submissions are accepted by GPW according to the deadlines stated in the table above.

Non-compliance to these deadlines will result in your request being failed. **Please pay special attention to the different deadlines for each gazette.**

Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

Requests for cancellation must be sent by the original sender of the notice and must be accompanied by the relevant notice reference number (N-) in the email body.

AMENDMENTS TO NOTICES

take note!

With effect from 01 October, GPW will not longer accept amendments to notices. The cancellation process will need to be followed and a new notice submitted thereafter for the next available publication date.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While GPW deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.

GPW has a **2-working day turnaround time for processing notices** received according to the business rules and deadline submissions.

Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

PROOF OF PAYMENTS

GPW reminds you that all notice submissions **MUST** be submitted with an accompanying proof of payment (PoP) or purchase order (PO). If any PoP's or PO's are received without a notice submission, it will be failed and your notice will not be processed.

When submitting your notice request to submit.egazette@gpw.gov.za, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

REMINDER OF THE GPW BUSINESS RULES

- Single notice, single email – with proof of payment or purchase order.
- All documents must be attached separately in your email to GPW.
- 1 notice = 1 form, i.e. each notice must be on a separate form
- Please submit your notice **ONLY ONCE**.
- Requests for information, quotations and inquiries must be sent to the Contact Centre **ONLY**.
- The notice information that you send us on the form is what we publish. Please do not put any instructions in the email body.

DISCLAIMER:

Government Printing Works reserves the right to apply the 25% discount to all Legal and Liquor notices that comply with the business rules for notice submissions for publication in gazettes.

Registered and active service providers – these are security service providers both individual and businesses who are actively operating in the industry.

PSIRA – Private Security Industry Regulatory Authority

PSIR Act – The enabling Act

Effective Date – The Annual Fees Regulations shall commence at a date to be determined by the Minister.

2. Policy statement

The Authority was established in terms of Section 2 of the Private Security Industry Regulation Act (56 of 2001) in 2002, hereinafter referred to as the "Act". The strategic mandate of PSIRA originates from the Act and the regulations issued in terms thereof. The primary objectives of PSIRA are to regulate the private security industry and to exercise effective control over the practice of the occupation of security service provider in the public and national interest and in the interest of the private security industry itself.

The Authority is funded through annual fees payable by registered security services providers as well as other tariffs as determined by Council. Other income includes registrations fees, training fee income, fine income, infrastructure assessment fees and other charges as determined by the PSIR Act.

The entire revenue is utilized to defray operational and capital expenditure of the PSIRA incurred in the normal course of discharging its mandate in terms of the PSIR Act.

During the course of 2016 financial year, the Authority will embark on a review of the Private Security Levies Act 23 of 2002. The purpose of the review will be to align the Act prior to implementation and to effectively address the funding gaps which currently exist. The Private Security Industry Amendment bill also seeks to introduce new funding source by way of funds appropriated by parliament.

3. Background

Currently, PSIRA is totally funded by the fees it receives from the registered security service providers representing the industry under its jurisdiction.

These annual fees are used to cover the costs of the Authority to regulate the private security industry and to exercise effective control over the practice of the occupation of security service provider, the public and national interest and the interest of the private security industry itself. The costs associated with meeting this regulatory mandate includes but not limited to;

- Conducting studies and investigations on the rendering of security service,
- Instituting legal proceedings and defend or oppose any legal proceeding against the Authority,
- Receive and consider applications for registration of security service providers,
- Develop and maintain a computerized database.

From time to time, there are changes that impact on these costs drivers and we have to consider their significance both on a short term and our financial sustainability over the longer term. In determining our budget forecasts for future years and the levels of our fees, we have to make careful assumptions about our costs and our activity levels; for example, the volume of applications for registrations we receive vis-à-vis a reliable information infrastructure to house and store such information as provided for in Sections 4(m) and 24 of the PSIR Act 56 of 2001.

4. Consultation process

The consultations process takes into account, the principles as pronounced by the Promotion of Administrative Justice Act, budget of the Authority and the judgment of the Supreme Court of Appeal (SCA) delivered on 15 August 2014 in respect of the Annual Fees Review.

The draft regulation takes into account the categorization of security service provider in the determination of the proposed fees structures. In order to broaden scope and enhance transparency, the consultation process will be in two-fold.

First, the Industry will be given the opportunity to submit their initial written comments and representations on the proposed annual fee review. The second process will be oral representations from the industry and relevant stakeholders. The two processes will run concurrently during the consultation period. The due date for submission of representations from interested parties shall be on 11th March 2016.

All comments and submissions from interested parties, stakeholders and Industry participants will be taken into account by Council before a request for concurrence is submitted to the Minister of Police for his independent consideration.

It is anticipated that, upon the Minister's independent consideration and concurrence with the proposed review of the annual fees, final annual fees regulations will be published from the 25th of March 2016.

5. Current Fee structure

The Authority introduced fees payable by Security Service Providers commenced in 1 November 2001. These fees were reviewed in 2015 and implemented in April 2015 as follows

--------------------------------	--	--------	--

6. Basis for the review

Historically, the annual fees were reviewed based on inflationary increases of each financial year. The fees were successfully reviewed by the Authority in 2015 after consulting with different industry stakeholders. Due to the continuing increase in operational costs the Authority decided to increase the fees on an annual basis and the increase is based on the CPI and operational costs requirements of the Authority to effectively execute its mandate as required by PSIR Act. In reviewing the current fees the Authority will take the following into account:

- The average CPI for 2015/2016 Financial year;
- The number of security officers employed by a security business or made available by it to render a security service during a calendar month;
- The operational costs as indicated in the 2015/2016 Financial Year Budget; and

Equitable contribution by different classes or categories of security service providers

7. Method of payment

The payment method of different fees is as follows:

7.1 Annual Fees

Annual Fees are payable by the 7th April of each year.

7.2 Special Levy Fees

Special Levy Fees are payable for each Security Officer employed by the 7th of each month.

7.3 Individual Security Officer Fee

This fee is deducted from each Security Officer employed and paid over to the Authority by the 7th April of each year.

8. Proposed Annual fees

The proposed annual fees for businesses are R35, 000.00 for Large, R25, 000.00 for Medium, R12, 000.00 for Emerging Small and R8, 500.00 for Small Security Service providers. The proposed Service Provider Levy is R2.25 per month for all Security Service providers and the Security Officer's annual fees will remain at R84 per annum.

WARNING!!!

To all suppliers and potential suppliers of goods to the Government Printing Works

The Government Printing Works would like to warn members of the public against an organised syndicate(s) scamming unsuspecting members of the public and claiming to act on behalf of the Government Printing Works.

One of the ways in which the syndicate operates is by requesting quotations for various goods and services on a quotation form with the logo of the Government Printing Works. Once the official order is placed the syndicate requesting upfront payment before delivery will take place. Once the upfront payment is done the syndicate do not deliver the goods and service provider then expect payment from Government Printing Works.

Government Printing Works condemns such illegal activities and encourages service providers to confirm the legitimacy of purchase orders with GPW SCM, prior to processing and delivery of goods.
