Notice submission deadlines

Government Printing Works has over the last few months implemented rules for completing and submitting the electronic Adobe Forms when you, the customer, submit your notice request.

In line with these business rules, GPW has revised the notice submission deadlines for all gazettes. Please refer to the GPW website www.gpwonline.co.za to familiarise yourself with the new deadlines.

CANCELLATIONS

Don't forget!

Cancellation of notice submissions are accepted by GPW according to the deadlines stated in the table above.

Non-compliance to these deadlines will result in your request being failed. **Please pay special attention to the different deadlines for each gazette.**

Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

Requests for cancellation must be sent by the original sender of the notice and must be accompanied by the relevant notice reference number (N-) in the email body.

AMENDMENTS TO NOTICES

take note!

With effect from 01 October, GPW will not longer accept amendments to notices. The cancellation process will need to be followed and a new notice submitted thereafter for the next available publication date.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While GPW deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.

GPW has a **2-working day turnaround time for processing notices** received according to the business rules and deadline submissions.

Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

PROOF OF PAYMENTS

GPW reminds you that all notice submissions **MUST** be submitted with an accompanying proof of payment (PoP) or purchase order (PO). If any PoP's or PO's are received without a notice submission, it will be failed and your notice will not be processed.

When submitting your notice request to submit.egazette@gpw.gov.za, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

REMINDER OF THE GPW BUSINESS RULES

- ☐ Single notice, single email – with proof of payment or purchase order.
- ☐ All documents must be attached separately in your email to GPW.
- ☐ 1 notice = 1 form, i.e. each notice must be on a separate form
- ☐ Please submit your notice **ONLY ONCE**.
- ☐ Requests for information, quotations and inquiries must be sent to the Contact Centre **ONLY**.
- ☐ The notice information that you send us on the form is what we publish. Please do not put any instructions in the email body.

GOVERNMENT NOTICES • GOEWERMENTSKENNISGEWINGS

NATIONAL TREASURY**NO. 2****26 FEBRUARY 2016****NATIONAL TREASURY**

I, Pravin Gordhan, in my capacity as the Minister of Finance, hereby publish, in accordance with section 19 and 20 of the Division of Revenue Act, 2015 (Act No. 1 of 2015), stopping and reallocation for municipal grants.

PRAVIN GORDHAN, MP
MINISTER OF FINANCE

Explanatory Memorandum to the Allocations set out in the attached Schedule

This *Gazette* is published in terms Section 26 of the Division of Revenue Act, 2015 (Act No. 1 of 2015). Section 26 provides that any transfers not listed in the Schedules may only be made in terms of Section 6(3) which provides that additional allocations to provinces or municipalities may only be made in an adjustments budget and must comply with such monitoring and reporting requirements determined by the National Treasury. Further, Section 26 also requires that the National Treasury must publish such allocations in the *Gazette*, prior to the transfer of any funds to a province or municipality.

Stopping of Grants

1. Section 19 of DoRA stipulates that National Treasury may in its discretion or at the request of a transferring national officer stop the transfer for schedules 4 and 5 pertaining to anticipated under-spending on programmes or allocations in the financial year by the municipality.
2. The Neighbourhood Development Partnership Grant (NDPG) is being re-allocated to other municipalities due to non-performance of the grant allocation. These funds will be re-allocated to municipalities that have fast tracked the implementation of the projects and have accelerated expenditure against the original allocation.
3. The National Department of Energy is re-allocating funds between municipalities, under the Integrated National Electrification Programme (INEP 5) due to slow spending.
4. The Infrastructure Skills Development Grant (ISDG) is being re-allocated between municipalities because of administration of the programme has been inconsistent since 2012 in Ditsobotla municipality and the funds are being allocated to Govan Mbeki municipality.
5. The National Department of Water and Sanitation is re-allocating funds between municipalities, under the Water Services Operating Subsidy Grant (WSOS) and Municipal Infrastructure Grant (MWIG). Slow implementation of projects, non-compliance with certain provisions of DoRA and under spending are the main reasons for the decision to re-allocate between municipalities.
6. The Public Transport Network Grant (PTNG) is being re-allocated to other municipalities due to under-spending on the grant. These funds will be re-allocated to municipalities that have fast tracked the implementation of the projects and have accelerated expenditure against the original allocation.
7. The National Department of Cooperative Governance is re-allocating funds between municipalities, under the Municipal Infrastructure Grant (MIG) due to slow spending, institutional capacity challenges, compliance with MIG reporting requirements and cash flow challenges. MIG for Ikwezi, Makana and Thabazimbi is re-allocated to their respective district municipalities, Sarah Baartman and Waterberg respectively.

Transfers from Schedule 6 Grants

8. Further, the departments of Water Affairs and National Treasury would like to reallocate the funds for indirect grants between municipalities. Bucket Eradication Programme Grant (BEPG) and Regional Household Infrastructure Grant (RHIG) administered by Water and Sanitation and NPDG 6B administered by National Treasury. These grants are schedule 6 programmes which means that the stopping and reallocation will not affect the budgeting of the affected municipalities because funds allocated under schedule 6B are not transferred directly into the primary bank accounts of municipalities.

I, Pravin Gordhan, in my capacity as the Minister of Finance, hereby publish, in accordance with section 19 and 20 of the Division of Revenue Act, 2015 (Act No. 1 of 2015), stopping and reallocation for municipal grants.

PRAVIN GORDHAN, MP
MINISTER OF FINANCE

Explanatory Memorandum to the Allocations set out in the attached Schedule

This Gazette is published in terms Section 26 of the Division of Revenue Act, 2015 (Act No. 1 of 2015). Stopping of Grants

1. Section 19 of DoRA stipulates that National Treasury may in its discretion or at the request of a transferring national officer stop the transfer for schedules 4 and 5 pertaining to anticipated under-spending on programmes or allocations in the financial year by the municipality.
2. The Neighbourhood Development Partnership Grant (NDPG) is being re-allocated to other municipalities due to non-performance of the grant allocation. These funds will be re-allocated to municipalities that have fast tracked the implementation of the projects and have accelerated expenditure against the original allocation.
3. The National Department of Energy is re-allocating funds between municipalities, under the Integrated National Electrification Programme (INEP 5) due to slow spending.
4. The Infrastructure Skills Development Grant (ISDG) is being re-allocated between municipalities due to administration of the programme being inconsistent since 2012 in Ditsobotla municipality and the funds are being allocated to Govan Mbeki municipality instead.
5. The National Department of Water and Sanitation is re-allocating funds between municipalities, under the Water Services Operating Subsidy Grant (WSOS) and Municipal Infrastructure Grant (MWIG). Slow implementation of projects, non-compliance with certain provisions of DoRA and under spending are the main reasons for the decision to re-allocate between municipalities.
6. The Public Transport Network Grant (PTNG) is being re-allocated to other municipalities due to under-spending on the grant. These funds will be re-allocated to municipalities that have fast tracked the implementation of the projects and have accelerated expenditure against the original allocation.
7. The National Department of Cooperative Governance is re-allocating funds between municipalities, under the Municipal Infrastructure Grant (MIG) due to slow spending, institutional capacity challenges, non-compliance with MIG reporting requirements and cash flow challenges. MIG for Ikwezi, Makana and Thabazimbi is being re-allocated to their respective district municipalities, Sarah Baartman and Waterberg respectively.

Transfers from Schedule 6 Grants

8. Further, the departments of Water Affairs and National Treasury would like to reallocate the funds for indirect grants between municipalities. The Bucket Eradication Programme Grant (BEPG) and Regional Household Infrastructure Grant (RHIG) administered by Water and Sanitation and NPDG 6B administered by National Treasury grants are schedule 6 programmes. Accordingly, the stopping and reallocation will not affect budgeting of the relevant municipalities as funds allocated under schedule 6B are not transferred directly into their primary bank accounts.
