MR. SENZENI ZOKWANA

Minister for Agriculture, Forestry and Fisheries

PUBLIC CONSULTATION NOTICE:**PROPOSED AMENDMENTS TO THE ANIMAL DISEASES REGULATIONS (R. 2026 OF 1986) UNDER THE ANIMAL DISEASES ACT, 1984 (ACT NO. 35 OF 1984), AS PREVIOUSLY AMENDED**

Table 2 of the Regulations of the Act prescribes control measures relating to certain "controlled animal diseases". For several controlled diseases, the destruction, slaughter or disposal of animals and things under official control or supervision is prescribed as a control method for infected and in-contact animals. Advancing scientific knowledge, improving testing methods and changing disease and vector distributions have made the blanket prescription for the destruction of infected and in contact animals scientifically, ethically and economically questionable in the global setting. The Director: Animal Health thus proposes revision of the relevant control measures in Table 2, to remove reference to automatic compulsory destruction. In-contact and infected animals are instead to be dealt with as determined by the Director: Animal Health (DAH). The purpose of this change is to allow the Director: Animal Health to prescribe and apply the most efficient, effective and economic options according to the prevailing scientific information and taking into account the particular circumstances when dealing with a controlled disease outbreak. This matter has been extensively consulted through the National Animal Health Forum and their respective industry members. Veterinary Procedural Notices (VPNs) contain detailed and regularly updated descriptions of relevant control measures. All new VPNs or changes to existing VPNs are taken through a process of Public Consultation.

Pertaining to contagious bovine pleuropneumonia (Lungsickness), there are no routine controlled veterinary acts to be performed in respect of susceptible animals at this time, since there are no controlled areas in South Africa. It is suggested that the entry in the column for susceptible animals be deleted. If an outbreak occurs, the Director will determine the relevant response required for susceptible animals.

The wording "effective" remedy" is to replace the wording of "efficient" remedy when used as part of control measures throughout Table 2. Currently "effective remedy" and "efficient remedy" are both used and may create confusion based on differing definitions. The term "effective" is the correct term for use in the Animal Diseases Regulations (R. 2026 of 1986) in terms of international and South African legislation. The effectivity of a medicine is evaluated during registration of the medicine with either Act 36 or Act 101. It is important that only registered remedies, i.e. those with proven effectivity, are prescribed for controlled diseases wherever possible.

The proposed Regulation amendment also includes the inclusion of minor changes in Table 2 that reflect current scientific advances pertaining to relevant diseases.

This notice serves to invite comment on the newly proposed amendments to "Table 2 of the Animal Diseases Regulations (R. 2026 of 1986)", as previously amended, for a period of three (3) calendar months from the date of publication of this notice. A copy of the newly proposed amendments may be obtained on request from the Director: Animal Health or alternately can be accessed on the DAFF website.

Comments on the newly proposed amendments to "Table 2 of the Animal Diseases Regulations (R. 2026 of 1986)", as previously amended, must be addressed in writing, before the end of the consultation period, to the Director: Animal Health at the above address or preferably via email to PetuniaM@daff.gov.za and AliciaC@daff.gov.za.

DEPARTMENT OF LABOUR

NO. 945

28 JUNE 2019

NOTICE IN TERMS OF SECTION 62 (7) OF THE LABOUR RELATIONS ACT 66 OF 1995 (AS AMENDED)

PLEASE TAKE NOTICE THAT:-

1. **The National Union of Metal Workers of South Africa (NUMSA)** has applied to the CCMA in terms of section 62(1) of the Labour Relations Act 66 of 1995, as amended ("the LRA") for the following orders:
 - 1.1 declaring that FAW Vehicle Manufacturers SA (Pty) Ltd (FAW) does not fall within the scope of MIBCO;
 - 1.2 declaring that FAW is not bound by terms and conditions of service negotiated in MIBCO;
 - 1.3 declaring that NUMSA is entitled to collectively bargain with FAW at plant level or in any bargaining forum which FAW may choose to join;
 - 1.4 directing MIBCO to take such steps as are necessary to deregister FAW as a party to the council.
2. The first respondent, **FAW Vehicle Manufacturers SA (Pty) Ltd**, seeks the following order:

Declaring that FAW Vehicle Manufacturers SA (Pty) Ltd ("**FAW**") is an employer within the registered scope and jurisdiction of MIBCO, and is subject to collective agreements concluded in MIBCO.
3. The second respondent, **The Motor Industry Bargaining Council**, seeks the following order:
 - 3.1 declaring that FAW Vehicle Manufacturers SA (Pty) Ltd (FAW) does fall within the scope and jurisdiction of MIBCO;
 - 3.2 declaring that FAW is bound by the Collective Agreements as negotiated between the parties in MIBCO.
4. The CCMA believes, and the parties have agreed, that the question raised by this demarcation application is of substantial importance and therefore invites written representations by any interested

party. Of relevance is the large number of companies who perform similar activities to that of FAW. As a result, there may be unidentified entities that could potentially be affected by the outcome of this application. Such entities have the right to make representations to the CCMA.

WARNING!!!

To all suppliers and potential suppliers of goods to the Government Printing Works

The Government Printing Works would like to warn members of the public against an organised syndicate(s) scamming unsuspecting members of the public and claiming to act on behalf of the Government Printing Works.

One of the ways in which the syndicate operates is by requesting quotations for various goods and services on a quotation form with the logo of the Government Printing Works. Once the official order is placed the syndicate requesting upfront payment before delivery will take place. Once the upfront payment is done the syndicate do not deliver the goods and service provider then expect payment from Government Printing Works.

Government Printing Works condemns such illegal activities and encourages service providers to confirm the legitimacy of purchase orders with GPW SCM, prior to processing and delivery of goods.

To confirm the legitimacy of purchase orders, please contact:
