## HIGH ALERT: SCAM WARNING!!!

### TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works* (GPW).

The scam involves the fraudsters using the letterhead of GPW to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. GPW has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

[PROCUREMENT@GPW-GOV.ORG](mailto:PROCUREMENT@GPW-GOV.ORG)

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the GPW.

GPW has an official email with the domain as [@gpw.gov.za](mailto:@gpw.gov.za)

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

GPW will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. GPW does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

*Government Printing Works* gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

## Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

### How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at [www.gpwonline.co.za](http://www.gpwonline.co.za)
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

### CAPE FLORA / FYNBOS INDUSTRY APPLICATION FOR THE CONTINUATION OF STATUTORY MEASURES ON FYNBOS PRODUCTS EXPORTED (EXPORT COLD CHAIN PRODUCTS ONLY)

---

#### NAMC REQUESTING COMMENTS / INPUTS FROM INDUSTRY ROLE PLAYERS

---

On 5 December 2019, Cape Flora SA (CFSA) applied on behalf of the fynbos industry for the continuation of statutory measures (registration, records & returns and levies) on fynbos products exported in terms of the Marketing of Agricultural Products Act (MAP Act) 1996. The current statutory measures on fynbos expires on 30 April 2020.

CFSA requested that the following statutory measures be approved for a new 4 (four) year period with effect from 1 May 2010 and to lapse 4 (four) years later.

- Levies;
- Registration; and
- Records & Returns.

The purpose and objective of the proposed statutory measures are as follows:

- The **payment of the levy**, in terms of section 15 of the MAP Act, will be used to finance the following:
  - Technical research, development & transfer (30%)
  - Statistics & information (10%)
  - Transformation & training (20%)
  - Administration (10%)
  - Market access and development (30%)

---

**Council Members:** Mr. H. Prinsloo (Acting Chairperson), Ms. F. Mkile,  
Mr. H. Mohane, Mr. B. Mokgatle, Ms. N. Mokose, Prof. D. Rangaka, Mr. G. Schutte, Mr. Z. Wapi

The following levy amounts on export volumes of cultivated fynbos products are proposed:

Carton Type	Current levy	2020/21	2021/22	2022/23	2023/24
S14	R2,20	R2,34	R2,48	R2,62	R2,78
S11	-	R1,83	R1,94	R2,06	R2,18
S22	-	R3,66	R3,88	R4,11	R4,36
S14 Mini	-	R1,17	R1,24	R1,31	R1,39

The MAP Act stipulates that a statutory levy may not exceed 5% of the price realised for a specific agricultural product at the first point of sale. The maximum of 5% must be based on a guideline price calculated as the average price at the first point of sale over a period not exceeding three years. The proposed average statutory levy level (R2,34 per standard export carton) for 2020/21, would represent less than 1% of the average fynbos value per carton.

Proposed budget for the four (4) year period:

	2020/21	2021/22	2022/23	2023/24
	Rand	Rand	Rand	Rand
Technical research, development & transfer	150 930	163 680	177 525	192 510
Statistics & information	50 310	54 560	59 175	64 170
Transformation & training	100 620	109 120	118 350	128 340
Administration	50 310	54 560	59 175	64 170
Market access and development	150 930	163 680	177 525	192 510
Total	503 100	545 600	591 750	641 700

- Submitting **records and returns**, in terms of section 18 of the MAP Act and **Registration** in terms of section 19 of the MAP Act

Submitting records and returns to CFSA and registration with CFSA will ensure the availability and provision of continuous, timeous and accurate information relating to the products indicated above, to all stakeholders in the industry deemed to be essential to ensure informed decision making and a stable and profitable industry.

CFSA indicated that no records or returns shall be required in terms of this measure which discloses confidential information of a marketing nature, and in particular, no returns disclosing, *inter alia*, contracting parties; purchasers of fynbos; prices of services or the prices obtained for fynbos, or any similar information.

By combining compulsory registration with the keeping of information and the rendering of returns on an individual basis, generic information for the whole of the industry can be processed and disseminated and will form the basis for the collection of levies where applicable and appropriate.

It is proposed that CFSA, a non-profit company established in terms of the Companies Act (as amended), 2008 (Act 71 of 2008), implement and administer the proposed statutory measures. The statutory levies for CFSA will be accounted for separately from other funds and activities within CFSA, in accordance with the prescriptions of the NAMC and the Auditor General.

The NAMC believes that the measures requested are consistent with the objectives of the MAP Act (as set out in section 2 of the Act).

Directly affected groups (e.g. exporters, agents, producers and packers) in the fynbos industry are kindly requested to submit any comments, in writing, regarding the proposed statutory measures, to the NAMC on or before 10 January 2020, to enable the Council to finalise its recommendation to the Minister in this regard.
