I, Modiegi Radikonyana, in my capacity as the Acting Head of the National Disaster Management Centre, after having deliberations with the City of Cape Town and Western Cape Provincial Disaster Management Centre on 05 January 2021 regarding the damages experienced within the Masiphumelele informal settlement in the City of Cape Town as a result of a fire, and having considered the information and recommendation received from the Western Cape Provincial Disaster Management Centre, hereby in terms of Section 23 of the Disaster Management Act, 2002 (Act No. 57 of 2002) classify the occurrence as a local disaster.

Consequent to the classification of this occurrence as a local disaster in terms of section 23 of the Disaster Management Act (2002), the primary responsibility for the coordination and management of this occurrence is designated to the City of Cape Town. The implementation of section 55(2) of the Act will be supported to allow extraordinary measures to be taken in respect of this disaster.
