Transport and Public Works

Government Gazette Notice**NOTICE OF INQUIRY CALLED BY THE PROVINCIAL REGULATORY ENTITY ("PRE") IN TERMS OF REGULATION 9(2) OF THE NATIONAL LAND TRANSPORT REGULATIONS (2009) INTO MINIBUS-TAXI OPERATIONS ALONG THE OLD STRANDFONTEIN ROAD CORRIDOR.**

1. The Old Strandfontein Road Corridor /Tract is a well-known public transport route connecting the Mitchells Plain residential area with areas such as Pelican Park, Lotus River, Grassy Park, Schaapkraal, Ottery, Wynberg, etc. A number of taxi and bus routes have been registered over the years to ensure sustainable public transport services. These routes have historically been served by Route 7 Transport Services, Lotus River Taxi Association, Busy Corner – Mitchells Plain – Hanover Park Taxi Association and Golden Arrow Bus Services.
2. Over the last couple of years, significant commercial and residential developments have taken place along this corridor. Cases in point are the New Horizons residential area, "Jim se Bos", Schaapkraal, etc.
3. These developments have increased passenger numbers and minibus-taxis have responded to the increased demand for public transport services. A number of taxi associations have claimed "ownership" of these new developments and have started transporting passengers to various destinations without the requisite authorities. This has resulted in tension between associations and operators and has undermined concerted efforts from the City of Cape Town to plan, manage and enforce public transport services along this corridor.
4. Given the potential for route-related conflict between operators and associations, The City of Cape has requested the PRE to commission an inquiry in terms of regulation 9(2) of the National Land Transport Regulations. This regulation provides the PRE to investigate any matter relating to land transport and to make recommendations to the MEC responsible for Transport in the province. In dealing with any matter before it, a PRE must have the prescribed powers (see section 25 of the National Land Transport Act (Act no.5 of 2009) ("NLTA").
5. The mentioned powers are carefully circumscribed in regulation 9 read together with regulation 5 of the National Land Transport Regulations (2009). This includes, inter-alia, the power to issue a subpoena in the standard form requiring a person to appear before it to give evidence or to produce any book, plan or document in the

www.westerncape.gov.za

possession of or under the control of that person, to require that oral evidence be given under oath or affirmation and for that purpose, administer an oath or take down an affirmation.

6. As part of the inquiry, all operating licences authorising minibus-taxi operations along the Old Strandfontein Road Corridor will be carefully analysed. The PRE will review the history of each operating licence by checking all transactions conducted by the holder to determine when this route authority was issued, whether or not restrictions were imposed, which association provided the letter of support, comments / directives provided by municipalities, other relevant supporting documents, etc. The registration information of affected associations and members will also be reviewed.
7. All affected parties will be allowed to inspect these documents at the PRE offices in preparation for the inquiry. The findings of this inquiry will be made available to all affected parties and regulatory stakeholders.
8. It should be noted that no operating licences will be withdrawn, amended or suspended as part of the regulation 9(2) inquiry. This is a fact-finding mission by the PRE that will inform other statutory processes i.e. an inquiry in terms of section 79 of the NLTA or section 7(a)(20) of the Western Cape Road Transportation Act, Amendment Law (Act no.8 of 1996). These will be separate processes, the outcome of which cannot be pre-empted at this stage. This process will also assist the City of Cape Town to determine who should be assigned operating rights on new routes.
9. Any person interested or affected by the matter who wants to join proceedings must submit a written motivation for consideration by the PRE by the close of business on **21 April 2022**. The PRE will conduct a briefing session with all affected parties on **28 April 2022** at the PRE-Offices in Athlone (Tribunal Hall).
10. Affected associations / parties must submit initial reports on the matter to the PRE by the close of business on **10 May 2022**. The initial reports will be circulated to all concerned in preparation for the inquiry. Individual sessions with affected parties will be conducted between **16 and 24 May 2022**. An inspection in loco will also be conducted by the PRE. The affected municipality will be allowed to address the PRE on this matter based on the provisions of Integrated Transport Plans. Please note that all motivations / reports can be sent to Cornel.Geldenhuys@westerncape.gov.za.
