HIGH ALERT: SCAM WARNING!!!

TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works (GPW)*.

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

PROCUREMENT@GPW-GOV.ORG

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

GPW has an official email with the domain as @gpw.gov.za

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

GPW will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

Government Printing Works gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at www.gpwonline.co.za
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

DEPARTMENT OF TRADE, INDUSTRY AND COMPETITION

NO. 4125

1 December 2023

NOTICE IN TERMS OF SECTION 10(6) OF THE COMPETITION ACT NO. 89 OF
1998 (AS AMENDED)

THE COMPETITION COMMISSION OF SOUTH AFRICA

NOTICE OF APPLICATION FOR AN EXEMPTION BY THE NATIONAL HOSPITAL
NETWORK - 2023SEP0040

1. Notice is hereby given in terms of section 10(6)(a) of the Competition Act, No 89 of 1998, as amended ("**the Act**") that the National Hospital Network ("**NHN**") has applied to the Competition Commission ("**the Commission**") in terms of section 10(1) of the Act, for exemption from certain provisions of Chapter 2 of the Act in order to engage in conduct that would be in contravention of the Act. The exemption requested is for a period of five (5) years.
2. The NHN is a non-profit company registered in terms of the Companies Act, 2008, comprising of a group of independent member private hospitals through which it is controlled. In the NHN's context, independent relates to membership in the NHN that is limited to private hospitals which are not 'owned' or 'controlled' by any of the big three (3) hospital groups consisting of Mediclinic Southern Africa, the Netcare Hospital Group, and Life Healthcare.
3. The NHN was established as a response to the competition imbalance between the independent private hospital market on the one hand, and the three large hospital groups on the other. This is the fifth exemption application since the first exemption was granted by the Commission on 15 June 2006.
4. The NHN requests an exemption to engage in the following activities on behalf of its members with medical schemes and/or medical scheme administrators:
 - 4.1. NHN's members shall agree collectively to implement the prices negotiated and entered into on their behalf by the NHN with medical schemes and medical scheme administrators;

- 4.2. Promote the interests of its members and to market their services and also to provide a base for benchmarking which would help NHN members to increase efficiencies;
 - 4.3. Engage on behalf of its members in global fee negotiations with medical schemes, administrators, the State and healthcare providers (professional associations); and
 - 4.4. To undertake collective or centralised procurement on behalf of its members.
5. The NHN is of the view that the exemption sought will achieve the following objectives:
 - 5.1. Promote the effective entry, participation or expansion of small and medium businesses, or firms controlled or owned by historically disadvantaged persons in line with section 10(3)(b)(i) of the Act; and/or
 - 5.2. Achieve competitiveness and efficiency gains that promote employment or industrial expansion in line with section 10(3)(b)(i) of the Act.
6. The NHN submits that there is a need for a further exemption because large hospital groups assume group administration responsibility for the centralised performance of certain functions and operations of their group hospitals, such as:
 - (i) tariff negotiations with medical schemes; (ii) collation of group hospital data; (iii) group-wide initiatives to promote efficiency, quality of healthcare, and funding; and (iv) the maintenance of standards, and training. To this end, independent private hospitals on their own lack the resources and capability to give effect to what is required to be competitive.
7. Notice is hereby given in terms of section 10(6)(b) of the Act to allow interested parties twenty (20) business days from the date of publication of this notice to make written representations to the Commission as to why the exemption should, or not, be granted. Such representations must be directed to:

NOTICE IN TERMS OF SECTION 10(7) OF THE COMPETITION ACT 89 OF
1998 (AS AMENDED)

THE COMPETITION COMMISSION OF SOUTH AFRICA

EXTENSION OF THE CONDITIONAL EXEMPTION GRANTED TO THE
NATIONAL HOSPITAL NETWORK

1. On 8 August 2017, the National Hospital Network filed an exemption application with the Competition Commission ("**the Commission**") in terms of section 10(3)(b)(ii) of the Competition Act No. 89 of 1998, as amended ("**the Act**"). The conduct for which the exemption was sought related to the collective bargaining between the shareholders of the NHN and individual medical schemes and administrators, as well as agreements that resulted from the collective bargaining.
2. The Commission published a Notice of the conditional granting of the NHN application for exemption in the Government Gazette on 7 December 2018 (government Notice No 42092 of 2018), as provided for by section 10(7) of the Act read with Rule 19(5) of the Rules of Conduct of Proceedings in the Commission.
3. More specifically, the Commission granted the NHN an exemption from section 4(1)(b)(i) of the Act permitting it to continue to engage in the following activities on behalf of its members with medical aid schemes and/or medical scheme administrators;-
 - a. NHN's members shall agree collectively to implement the prices negotiated and entered into on their behalf by NHN with medical schemes and/or medical scheme administrators; and
 - b. Promote the interests of its members and to market their services and also to provide a base for benchmarking which would help NHN members to increase efficiencies.
4. In addition to above exemption, the Commission granted the NHN a further exemption to engage on behalf of its members in global fee negotiations with medical schemes, administrators, the State and healthcare providers (professional associations) and to

undertake collective or centralised procurement. The Commission considered and assessed these three self-standing legs of the exemption separately.

5. The exemption application by the NHN relating to all three self-standing legs was granted by the Commission for a period of five (5) years commencing on **1 November 2018** and ending on **31 October 2023**.
6. On 27 September 2023, the NHN filed a new exemption application on behalf of its members for a period of five (5) years commencing on the date of approval of the application by the Commission. The scope of the NHN's most recent exemption application included a request that its previous exemption from section 4(1)(b)(i) of the Act be extended and that it be permitted to continue to engage in collective bargaining arrangements on behalf of its members and individual medical schemes and administrators, as well as agreements that result from the collective bargaining. Further, the NHN requested to be permitted to continue to engage on behalf of its members in global fee negotiations with medical schemes, administrators, the state and healthcare providers (professional associations) and to undertake collective or centralized procurement.
7. In addition, the NHN requested that its exemption, which was set to expire on **31 October 2023** be extended to allow for assessment of its new exemption application. After due consideration of the request from the NHN, the Commission has decided to extend the NHN's exemption by a period of six (6) months starting from **1 November 2023** ending **30 April 2024**. The conditions applicable to the exemption expiring on 31 October 2023 will remain the same.
8. Notice is hereby given in terms of Section 10(7) of the Competition Act regarding the Commission's decision to grant the extension of this exemption. The Applicants and any other person with a substantial material interest affected by this decision may appeal to the Competition Tribunal in the prescribed manner in terms of Section 10(8) of the Competition Act. 2. The Commission published a Notice of the conditional granting of the NHN application for exemption in the Government Gazette on 7 December 2018 (government Notice No 42092 of 2018), as provided for by section 10(7) of the Act read with Rule 19(5) of the Rules of Conduct of Proceedings in the Commission.
3. More specifically, the Commission granted the NHN an exemption from section 4(1)(b)(i) of the Act permitting it to continue to engage in the following activities on behalf of its members with medical aid schemes and/or medical scheme administrators;-
 - a. NHN's members shall agree collectively to implement the prices negotiated and entered into on their behalf by NHN with medical schemes and/or medical scheme administrators; and
 - b. Promote the interests of its members and to market their services and also to provide a base for benchmarking which would help NHN members to increase efficiencies.
4. In addition to above exemption, the Commission granted the NHN a further exemption to engage on behalf of its members in global fee negotiations with medical schemes, administrators, the State and healthcare providers (professional associations) and to

undertake collective or centralised procurement. The Commission considered and assessed these three self-standing legs of the exemption separately.

5. The exemption application by the NHN relating to all three self-standing legs was granted by the Commission for a period of five (5) years commencing on **1 November 2018** and ending on **31 October 2023**.
6. On 27 September 2023, the NHN filed a new exemption application on behalf of its members for a period of five (5) years commencing on the date of approval of the application by the Commission. The scope of the NHN's most recent exemption application included a request that its previous exemption from section 4(1)(b)(i) of the Act be extended and that it be permitted to continue to engage in collective bargaining arrangements on behalf of its members and individual medical schemes and administrators, as well as agreements that result from the collective bargaining. Further, the NHN requested to be permitted to continue to engage on behalf of its members in global fee negotiations with medical schemes, administrators, the state and healthcare providers (professional associations) and to undertake collective or centralized procurement.
7. In addition, the NHN requested that its exemption, which was set to expire on **31 October 2023** be extended to allow for assessment of its new exemption application. After due consideration of the request from the NHN, the Commission has decided to extend the NHN's exemption by a period of six (6) months starting from **1 November 2023** ending **30 April 2024**. The conditions applicable to the exemption expiring on 31 October 2023 will remain the same.
8. Notice is hereby given in terms of Section 10(7) of the Competition Act regarding the Commission's decision to grant the extension of this exemption. The Applicants and any other person with a substantial material interest affected by this decision may appeal to the Competition Tribunal in the prescribed manner in terms of Section 10(8) of the Competition Act. **NOTICE IN TERMS OF SECTION 10(6) OF THE COMPETITION ACT NO. 89 OF
1998 (AS AMENDED)**

THE COMPETITION COMMISSION OF SOUTH AFRICA

**NOTICE OF APPLICATION FOR AN EXEMPTION BY THE NATIONAL HOSPITAL
NETWORK - 2023SEP0040**

1. Notice is hereby given in terms of section 10(6)(a) of the Competition Act, No 89 of 1998, as amended ("**the Act**") that the National Hospital Network ("**NHN**") has applied to the Competition Commission ("**the Commission**") in terms of section 10(1) of the Act, for exemption from certain provisions of Chapter 2 of the Act in order to engage in conduct that would be in contravention of the Act. The exemption requested is for a period of five (5) years.
2. The NHN is a non-profit company registered in terms of the Companies Act, 2008, comprising of a group of independent member private hospitals through which it is controlled. In the NHN's context, independent relates to membership in the NHN that is limited to private hospitals which are not 'owned' or 'controlled' by any of the big three (3) hospital groups consisting of Mediclinic Southern Africa, the Netcare Hospital Group, and Life Healthcare.
3. The NHN was established as a response to the competition imbalance between the independent private hospital market on the one hand, and the three large hospital groups on the other. This is the fifth exemption application since the first exemption was granted by the Commission on 15 June 2006.
4. The NHN requests an exemption to engage in the following activities on behalf of its members with medical schemes and/or medical scheme administrators:
 - 4.1. NHN's members shall agree collectively to implement the prices negotiated and entered into on their behalf by the NHN with medical schemes and medical scheme administrators;

- 4.2. Promote the interests of its members and to market their services and also to provide a base for benchmarking which would help NHN members to increase efficiencies;
 - 4.3. Engage on behalf of its members in global fee negotiations with medical schemes, administrators, the State and healthcare providers (professional associations); and
 - 4.4. To undertake collective or centralised procurement on behalf of its members.
5. The NHN is of the view that the exemption sought will achieve the following objectives:
 - 5.1. Promote the effective entry, participation or expansion of small and medium businesses, or firms controlled or owned by historically disadvantaged persons in line with section 10(3)(b)(i) of the Act; and/or
 - 5.2. Achieve competitiveness and efficiency gains that promote employment or industrial expansion in line with section 10(3)(b)(i) of the Act.
6. The NHN submits that there is a need for a further exemption because large hospital groups assume group administration responsibility for the centralised performance of certain functions and operations of their group hospitals, such as:
 - (i) tariff negotiations with medical schemes; (ii) collation of group hospital data; (iii) group-wide initiatives to promote efficiency, quality of healthcare, and funding; and (iv) the maintenance of standards, and training. To this end, independent private hospitals on their own lack the resources and capability to give effect to what is required to be competitive.
7. Notice is hereby given in terms of section 10(6)(b) of the Act to allow interested parties twenty (20) business days from the date of publication of this notice to make written representations to the Commission as to why the exemption should, or not, be granted. Such representations must be directed to:

NOTICE 2208 OF 2023

**Notice of National Nuclear Regulator (NNR) Public Hearings and application to participate:
Eskom Holdings SOC Ltd (Eskom) application to extend the operating life of the Koeberg
Nuclear Power Station (KNPS) by 20 years.**

Notice is hereby given of the NNR public hearings in accordance with section 21(4) of the National Nuclear Regulator Act (Act No.47 of 1999) (NNRA).

Background

The NNR is an independent regulatory body established as a juristic person in terms of section 3 of the NNRA. The NNR ensures the effective oversight of nuclear safety and radiation protection to protect people and the environment from the risks of radiation associated with nuclear power plants, nuclear technology, radioactive waste and naturally occurring radioactive materials.

The authority vested in the NNR is enshrined in national legislation, which gives it the power to exercise regulatory control related to safety over siting, design, construction, operation, manufacture of component parts, and decontamination, decommissioning, and closure of nuclear installations.

Eskom is authorised to operate the KNPS under the Nuclear Installation Licence, NIL-01 Variation 19 (and as amended from time to time in terms of section 23 of the NNRA Act) and associated conditions. The KNPS comprises of two pressurised water reactor units which started commercial operation in July 1984 on Unit 1 and in November 1985 on Unit 2, and will reach 40 years of commercial operation in 2024 and 2025, respectively.

On 10 May 2021, the NNR received an application from Eskom for a variation to NIL-01 to operate the KNPS beyond the current license term of 21 July 2024, for an additional 20 years, to 21 July 2044 for Unit 1 and to 9 November 2045 for Unit 2. The application to operate the KNPS beyond the time frame established in NIL-01 is referred to as an application for Long-Term Operation (LTO).

In accordance with the provisions of section 21(3) of the NNRA, the NNR directed Eskom to serve notification of the application to stakeholders directly affected by the application and to publish notices in the Government Gazette and local community newspapers inviting members of the public to provide comments to the NNR on health, safety and environmental issues connected with the application. Following the closure of the public comment process on 16 March 2023, the NNR project team reviewed the comments received and made a recommendation to the NNR Board to conduct further public consultation on the application. The NNR Board as the decision-making authority determined that further public debate on health, safety and environment issues connected with the LTO application is necessary.

Public Hearings

The NNR Board will hold public hearings to provide members of the public an opportunity to make oral presentations to the NNR on health, safety and environment issues connected with LTO application.

KENNISGEWING 2208 VAN 2023

National
Nuclear
Regulator

Kennisgewing van Nasionale Kern Reguleerder (NNR) Publieke Verhore en aansoek om deelname: Eskom Holdings SOC Ltd (Eskom) aansoek om die bedryfslewe van die Koeberg Kernkragentrale (KNPS) met 20 jaar te verleng.

Kennisgewing word hiermee gegee van die NNR publieke verhore in ooreenstemming met artikel 21(4) van die Wet op Nasionale Kernreguleerder (Wet No.47 van 1999) (NNRA).

Agtergrond

Die NNR is 'n onafhanklike regulerende liggaam wat as 'n regspersoon gestig is, in terme van artikel 3 van die NNRA, (Wet No.47 van 1999). Die NNR verseker die effektiewe toesig oor kernveiligheid en bestralingsbeskerming om mense en die omgewing te beskerm teen die risiko's van bestraling wat verband hou met kernkragentrales, kerntechnologie, radioaktiewe afval en radioaktiewe materiale.

Die gesag wat in die NNR gesetel is, is vasgelê in nasionale wetgewing, wat dit die mag gee om regulatoriese beheer te beoefen wat verband hou met veiligheid oor siting, ontwerp, konstruksie, werking, vervaardiging van komponente, en ontsmetting, ontmanteling en sluiting van kerninstallasies.

Eskom is gemagtig om die KNPS onder die Kerninstallasielisensie, NIL-01 Variasie 19 (en soos van tyd tot tyd gewysig ingevolge artikel 23 van die NNR-wet) en verwante voorwaardes te bedryf. Die KNPS bestaan uit twee 930 MWe drukwaterreaktoereenhede wat met kommersiële bedryf begin het in Julie 1984 met Eenheid 1 en in November 1985 met Eenheid 2, en sal 40 jaar van kommersiële bedryf bereik in 2024 en 2025, onderskeidelik.

Op 10 Mei 2021 het die NNR 'n aansoek van Eskom ontvang vir 'n variasie aan NIL-01 om die KNPS te bedryf buite die huidige lisensie termyn van 21 Julie 2024, vir 'n bykomende 20 jaar, tot 21 Julie 2044 vir Eenheid 1 en tot 9 November 2045 vir Eenheid 2. Die aansoek om die KNPS buite die tydraamwerk wat in NIL-01 gevestig is te bedryf, word na verwys as 'n aansoek vir Langtermynoperasie (LTO).

In ooreenstemming met die bepaling van artikel 21(3) van die NNRA, het die NNR Eskom opdrag gegee om kennis te gee van die aansoek aan belanghebbendes wat direk geraak word deur die aansoek en kennisgewings in die Staatskoerant en plaaslike gemeenskapskoerant te publiseer en sodoende lede van die publiek nooi om kommentaar aan die NNR te lewer oor gesondheid, veiligheid en omgewingskwessies wat verband hou met die aansoek. Na die sluiting van die publieke kommentaarproses op 16 Maart 2023, het die NNR-projekspan die kommentaar wat ontvang is, hersien en 'n aanbeveling aan die NNR-raad gemaak. Die NNR-raad het as die besluitnemingsgesag bepaal dat verdere openbare debat oor die radiologiese risiko's vir gesondheid, veiligheid en die omgewingskwessies wat verband hou met die LTO-toepassing nodig is.

Publieke Verhore

Die NNR-raad sal publieke verhore hou om lede van die publiek 'n geleentheid te bied om mondelinge aanbiedings aan die NNR te gee rakende die radiologiese risiko aan gesondheid, veiligheid en die omgewingskwessies in verband met die LTO aansoek.

4. REQUIREMENTS FOR INQUIRY INTO IMPROPER CONDUCT

- 4.1. It is acknowledged that the Council is mandated to take any steps it considers necessary for the protection of the public and the environment in their dealings with registered persons for the maintenance of the integrity and the enhancement of the status of the Project and Construction Management Professions and specified categories under the Act.
- 4.2. In pursuance of the Council's right and obligation mentioned in 4.1. above, the Council must investigate an act of alleged improper conduct by a registered person and/or investigate a complaint, charge or allegation of improper conduct against a registered person brought by any person.
- 4.3. An investigation mentioned in 4.2 above is directed towards the professional conduct of a registered person and is thus predicated on obtaining evidence to determine whether a charge or charges may be preferred against a registered person with regards to the gazetted Rules of Conduct for Registered Persons (Board Notice 139 of 2017).
- 4.4. An investigation mentioned in 4.2 above is directed towards the professional conduct of a registered person and does not intend to recover damages on behalf of any person or enforce specific performance against any person and as such, is not meant to replace civil and/or criminal litigation.
- 4.5. An investigation is an administrative process and not a court process. Given the nature of the process, investigations may take several months to conclude.
- 4.6. It is furthermore acknowledged that the Council may take any steps which it considers necessary where, as a result of project and construction management related undertakings, public health and safety is prejudiced.

5. CLARIFICATION OF IMPROPER CONDUCT

6.2.4. The SACPCMP will take all reasonable steps to protect the whistleblower/s with regards to the processing of any personal information or identifying information that may place a whistle blower at risk of danger or occupational detriment.

6.2.5. Whistle blowers will be protected under the Protected Disclosure Act if:

6.2.7. It will be determined, based on sections 4 and 5 of these rules whether a protected disclosure is within the jurisdiction of the SACPCMP to investigate.

- 6.2.8. The Registrar, upon positive determination of paragraph 6.2.6 above, must refer the complaint or the information of conduct to the Investigation Committee to determine whether the registered person should be charged.
- 6.2.9. Feedback regarding a protected disclosure will be provided to the whistleblower through the SACPCMP Fraud Hotline within 21 days.
- 6.2.10. Once the matter is referred to the Investigation Committee the Registrar must inform the complainant and the respondent (registered person), within five (5) working days, that the case has been received by Council and of the inquiry process to follow.

6.3. Role Players in Inquiry process

- 6.3.1. The **Investigation Committee** is constituted according to section 17 of the Act to investigate a matter brought against a registered person. Thus, the committee considers all complaints that are lodged, directs investigation thereof to ensure consideration of all relevant facts and will resolve to make recommendations to Council for a decision.
- 6.3.2. The Investigation Committee will appoint a **Panel of Investigators** from which an investigator or company will be delegated to gather evidence regarding a matter brought against a registered person on behalf of the Investigation Committee.

6.4. Conflict of Interest

- 6.4.1. All investigations must be conducted without bias, in an impartial and objective manner. No-one with an actual or perceived conflict of interest should be appointed or remain the investigator on any matter. Thus, the investigator must be someone as independent of the events being investigated as possible.
- 6.4.2. Once a potential conflict of interest becomes apparent to any of the parties involved in the inquiry it is required of that person to immediately inform the Investigation Committee of this conflict.
- 6.4.3. The Investigation Committee, once it is made aware of any potential or confirmed conflict of interest with regard to the inquiry must address such immediately to resolve the conflict of interest.

6.5. Investigation

- 6.5.1. Once the committee has reviewed the nature of the complaint of improper conduct against a registered person, the Registrar must within seven (7) working days furnish any registered person whose conduct is the subject of a complaint received in terms of sub-rule 6.1. and 6.2. or who has committed an act which may render him or her guilty of improper conduct, a written copy of the complaint and/or information related to the conduct.
- 6.5.2. The Registrar must inform the registered person –
 - a) Of the right to be represented or assisted by another person; and
 - b) That he/she is not obliged to make any statement and any statement so made may be used in evidence against the registered person.

- 6.5.3. The Investigation Committee must investigate a matter brought against a registered person; and obtain evidence to determine whether or not in its opinion the registered person concerned may be charged and, if so, recommend to the council the charge or charges that may be preferred against that registered person.
- 6.5.4. The Investigation Committee will consider the investigation report of the delegated investigator on a matter in determining whether to prefer charges against a registered person. With regards to investigation reports the following applies:
- a) Investigation reports are strictly intended for SACPCMP investigation purposes only and are under no circumstances available to any other party.
 - b) These reports are privileged documents in terms of section 37 of the Promotion to Access Information Act (Act no 2 of 2000) and belong to the SACPCMP.
 - c) The complainant and respondent will be notified of the outcome of the investigation once concluded.
- 6.5.5. The Investigation Committee must afford the registered person the opportunity to respond to the complaint and all other evidence considered against him/her. The registered person will have ten (10) days to respond in every instance.
- 6.5.6. The Investigation Committee or persons assigned by the Investigation Committee including people appointed to investigate the complaint may, with due consideration of the provision section 28 (3) of the Act, question the registered person concerned.
- 6.5.7. The Investigation Committee must consider whether the matter ought to be reported to any of the other Councils in the Built Environment or to any other stakeholder.

6.6. Findings of the Investigation Committee

The findings of the Investigation committee, after consideration of the evidence obtained during an investigation and report thereof, may be one of the following:

6.6.1. No prima facie evidence of improper conduct

This decision does not in any way mean that a valid dispute does not exist between the parties, which may be pursued through civil/ criminal litigation. The decision means no transgression/breach of the code of conduct was found.

6.6.2. Decision to conduct peer counsel with the respondent

The decision arises when there is either insufficient evidence of improper conduct or that the conduct given all the circumstances, does not warrant charges to be preferred. The finding implies, however, that the respondent's behaviour warrants advice or guidance from his/her peers which would be handled by peers nominated by the Investigation Committee who are practicing in the same discipline as the respondent.

6.6.3. An advisory letter to the registered person

Where the outcome of the investigation establishes that conduct took place that warrants formal reprimand/caution, a letter shall be sent to the registered person in this regard. A letter shall only be sent where in the light of all circumstances, in the opinion of the Investigation Committee, the conduct does not warrant formal charges to be preferred.

6.6.4. Recommendation to prefer charges

The recommendation arises when the Investigation Committee finds prima facie evidence of improper conduct. It will then recommend to the Council to prefer charges against the respondent.

Should the Council take the decision to prefer charges in terms of Section 30 of the Act, the council must appoint a disciplinary tribunal to hear a charge of improper conduct if a person charged:

- a) denies the charge; or
- b) fails to comply with section 29(3)(b) of the Act.

6.7. Council decision regarding Investigation Committee recommendation

6.7.1. The Council must, after considering a report of the Investigation Committee in terms of section 28(2)(b) and (4) of the Act, charge a registered person with improper conduct if the council is convinced that sufficient grounds exist for a charge to be preferred against such a registered person.

6.7.2. The registered person concerned will be furnished with a charge sheet within 21 days which must inform the registered person charged:

- a) of the details and nature of the charge;
- b) that he or she must, in writing, admit or deny the charge;
- c) that he or she may, together with the admission or denial, submit a written explanation regarding the improper conduct with which he or she is charged; and
- d) of the period, namely, within seven (7) days of being furnished with the charge sheet, within which his or her written plea in terms of paragraph 6.6.4 must be submitted to the Council.

6.7.3. The registered person against whom charges are preferred are advised to fully acquaint and familiarise themselves with the stipulations of the Act including, but not limited to sections 29 and 33.

6.8. Proof of service

6.8.1. A party must prove that a document was served in terms of these rules by, providing:

- a) A copy of proof of mailing the document by registered post to the other party
- b) If a document was served by hand:
 - i. With a copy of a receipt signed by, or on behalf of, the other party clearly indicating the name and designation of the recipient and the place, time and date of service, or
 - ii. With a statement confirming service signed by the person who delivered a copy of the document to the other party or left it at any premises
- c) If a document was sent by electronic mail, electronic acknowledgement of receipt by the respondent or other party.

6.8.2. If proof of service in accordance with paragraph 6.7.2 is provided, it is presumed, until the contrary is proved, that the party on whom it was served has knowledge of the contents of the document.

6.8.3. The Council may accept proof of service in a manner other than prescribed in this rule as sufficient.

7. APPEALS

- 7.1. According to section 33 of the Act, a registered person is found guilty of improper conduct may appeal to the Council against a finding of the disciplinary tribunal or against the sentence or both.

 - e) It applies to concerns about past, present and future malpractice.
- 6.2.6. It is an offence under section 9b of the Protected Disclosure Act amendment bill, if a whistleblower knowingly makes a false disclosure, who should have been reasonably aware that the information they provided was false, where there was an intention to cause harm, and where harm was suffered; this person may be liable to a fine, to imprisonment for up to two years, or to both a fine and imprisonment.
- 6.2.7. It will be determined, based on sections 4 and 5 of these rules whether a protected disclosure is within the jurisdiction of the SACPCMP to investigate.

- 6.2.8. The Registrar, upon positive determination of paragraph 6.2.6 above, must refer the complaint or the information of conduct to the Investigation Committee to determine whether the registered person should be charged.
- 6.2.9. Feedback regarding a protected disclosure will be provided to the whistleblower through the SACPCMP Fraud Hotline within 21 days.
- 6.2.10. Once the matter is referred to the Investigation Committee the Registrar must inform the complainant and the respondent (registered person), within five (5) working days, that the case has been received by Council and of the inquiry process to follow.

6.3. Role Players in Inquiry process

- 6.3.1. The **Investigation Committee** is constituted according to section 17 of the Act to investigate a matter brought against a registered person. Thus, the committee considers all complaints that are lodged, directs investigation thereof to ensure consideration of all relevant facts and will resolve to make recommendations to Council for a decision.
- 6.3.2. The Investigation Committee will appoint a **Panel of Investigators** from which an investigator or company will be delegated to gather evidence regarding a matter brought against a registered person on behalf of the Investigation Committee.

6.4. Conflict of Interest

- 6.4.1. All investigations must be conducted without bias, in an impartial and objective manner. No-one with an actual or perceived conflict of interest should be appointed or remain the investigator on any matter. Thus, the investigator must be someone as independent of the events being investigated as possible.
- 6.4.2. Once a potential conflict of interest becomes apparent to any of the parties involved in the inquiry it is required of that person to immediately inform the Investigation Committee of this conflict.
- 6.4.3. The Investigation Committee, once it is made aware of any potential or confirmed conflict of interest with regard to the inquiry must address such immediately to resolve the conflict of interest.

6.5. Investigation

- 6.5.1. Once the committee has reviewed the nature of the complaint of improper conduct against a registered person, the Registrar must within seven (7) working days furnish any registered person whose conduct is the subject of a complaint received in terms of sub-rule 6.1. and 6.2. or who has committed an act which may render him or her guilty of improper conduct, a written copy of the complaint and/or information related to the conduct.
- 6.5.2. The Registrar must inform the registered person –
 - a) Of the right to be represented or assisted by another person; and
 - b) That he/she is not obliged to make any statement and any statement so made may be used in evidence against the registered person.

- 6.5.3. The Investigation Committee must investigate a matter brought against a registered person; and obtain evidence to determine whether or not in its opinion the registered person concerned may be charged and, if so, recommend to the council the charge or charges that may be preferred against that registered person.
- 6.5.4. The Investigation Committee will consider the investigation report of the delegated investigator on a matter in determining whether to prefer charges against a registered person. With regards to investigation reports the following applies:
- a) Investigation reports are strictly intended for SACPCMP investigation purposes only and are under no circumstances available to any other party.
 - b) These reports are privileged documents in terms of section 37 of the Promotion to Access Information Act (Act no 2 of 2000) and belong to the SACPCMP.
 - c) The complainant and respondent will be notified of the outcome of the investigation once concluded.
- 6.5.5. The Investigation Committee must afford the registered person the opportunity to respond to the complaint and all other evidence considered against him/her. The registered person will have ten (10) days to respond in every instance.
- 6.5.6. The Investigation Committee or persons assigned by the Investigation Committee including people appointed to investigate the complaint may, with due consideration of the provision section 28 (3) of the Act, question the registered person concerned.
- 6.5.7. The Investigation Committee must consider whether the matter ought to be reported to any of the other Councils in the Built Environment or to any other stakeholder.

The findings of the Investigation committee, after consideration of the evidence obtained during an investigation and report thereof, may be one of the following:

6.6.2. Decision to conduct peer counsel with the respondent

The decision arises when there is either insufficient evidence of improper conduct or that the conduct given all the circumstances, does not warrant charges to be preferred. The finding implies, however, that the respondent's behaviour warrants advice or guidance from his/her peers which would be handled by peers nominated by the Investigation Committee who are practicing in the same discipline as the respondent.

6.6.3. An advisory letter to the registered person

Where the outcome of the investigation establishes that conduct took place that warrants formal reprimand/caution, a letter shall be sent to the registered person in this regard. A letter shall only be sent where in the light of all circumstances, in the opinion of the Investigation Committee, the conduct does not warrant formal charges to be preferred.

6.6.4. Recommendation to prefer charges

The recommendation arises when the Investigation Committee finds prima facie evidence of improper conduct. It will then recommend to the Council to prefer charges against the respondent.

Should the Council take the decision to prefer charges in terms of Section 30 of the Act, the council must appoint a disciplinary tribunal to hear a charge of improper conduct if a person charged:

- a) denies the charge; or
- b) fails to comply with section 29(3)(b) of the Act.

6.7. Council decision regarding Investigation Committee recommendation

6.7.1. The Council must, after considering a report of the Investigation Committee in terms of section 28(2)(b) and (4) of the Act, charge a registered person with improper conduct if the council is convinced that sufficient grounds exist for a charge to be preferred against such a registered person.

6.7.2. The registered person concerned will be furnished with a charge sheet within 21 days which must inform the registered person charged:

- a) of the details and nature of the charge;
- b) that he or she must, in writing, admit or deny the charge;

- d) of the period, namely, within seven (7) days of being furnished with the charge sheet, within which his or her written plea in terms of paragraph 6.6.4 must be submitted to the Council.

- c) If a document was sent by electronic mail, electronic acknowledgement of receipt by the respondent or other party.

6.8.2. If proof of service in accordance with paragraph 6.7.2 is provided, it is presumed, until the contrary is proved, that the party on whom it was served has knowledge of the contents of the document.

4. REQUIREMENTS FOR INQUIRY INTO IMPROPER CONDUCT

- 4.1. It is acknowledged that the Council is mandated to take any steps it considers necessary for the protection of the public and the environment in their dealings with registered persons for the maintenance of the integrity and the enhancement of the status of the Project and Construction Management Professions and specified categories under the Act.
