1. I, Ronald Kasrils, in my capacity as Minister of Water Affairs and Forestry, hereby levy, in terms of the authority vested in me by section 11 of the Water Research Act, 1971 (Act No. 34 of 1971), the following rates and charges, which include Value Added Tax of 14%.
  - (a) Two hundred and ninety-four cents (294c) in respect of each hectare of land of which the water use is permissible during the 2000/2001 water year in terms of section 22(1)(a)(ii) of the National Water Act, 1998, (Act No. 36 of 1998), or in respect of which an allocation has been made under Chapter 4 of the said National Water Act for the irrigation thereof at any time during the said water year, with water supplied or made available from any government water work. This rate shall be recovered by or on the instructions of the Director-General: Water Affairs and Forestry, simultaneously with any rate or charge which I may make in respect of the land concerned during the said period in terms of section 57 of the said National Water Act or, if no such rate or charge is made, the rate charged shall be payable upon demand to the Director-General: Water Affairs and Forestry.
  - (b) The amount mentioned in 1(a) above shall apply in respect of each hectare of land permitted under the control of an irrigation board or other water management institution established in terms of the said National Water Act for the irrigation of land at any time during the 2000/2001 financial year of such board or institution with water supplied or made available from a government or a water work belonging to such board or institution. other than the irrigation of land: Provided that if a gratis allocation has been made to a specific consumer from a government water work, the said charge shall not apply to that allocation, as it shall be deemed to be water supplied from his own sources by the consumer concerned. These charges shall be recovered by the Director-General: Water Affairs and Forestry, simultaneously with any charge which I may make in terms of section 57 of the National Water Act in respect of the supply of water as from the said date or shall be payable to him upon demand.

**WATERNAVORSINGSFONDS - BELASTINGS EN VORDERINGS**

1. Ek, Ronald Kasrils, in my hoedanigheid van Minister van Waterwese en Bosbou, hef hierby kragtens die bevoegdheid my verleen ingevolge artikel 11 van die Waternavorsingswet, 1971 (Wet No. 34 van 1971), die volgende belastings en vorderings, wat Belasting op Toegevoegde Waarde van 14% insluit:
  - (a) Tweehonderd vier-en-negentig sent (294c) ten opsigte van elke hektaar grond wat te eniger tyd gedurende die 2000/2001-waterjaar kragtens artikel 22(1)(a)(ii) van die Nasionale Waterwet, 1998, (Wet No. 36 van 1998), toelaatbaar is of ten opsigte waarvan 'n toewysing ingevolge Hoofstuk 4 van genoemde Nasionale Waterwet gemaak is met die oog op die besproeiing daarvan te eniger tyd gedurende genoemde waterjaar met water wat uit enige Staatswaterwerk verskaf of beskikbaar gestel word. Hierdie belasting word deur of in opdrag van die Direkteur-generaal: Waterwese en Bosbou verhaal gelyktydig met enige belasting of vordering wat ek gedurende genoemde tydperk kragtens artikel 57 van genoemde Nasionale Waterwet ten opsigte van die betrokke grond hef, en indien geen sodanige belasting of vordering gehef word nie, is die belasting wat hierby gehef word op aanvraag aan die Direkteur-generaal: Waterwese en Bosbou betaalbaar.
  - (b) Die bedrag in 1(a) hierbo vermeld, is van toepassing ten opsigte van elke hektaar grond wat onder beheer van 'n besproeiingsraad of 'n ander waterbestuursinstelling kragtens genoemde Nasionale Waterwet toelaatbaar is met die oog op die besproeiing daarvan te eniger tyd gedurende die 2000/2001-boekjaar van so 'n raad of liggaam, met water wat verskaf of beskikbaar gestel word uit 'n Staatswaterwerk of 'n waterwerk wat aan sodanige raad of instelling behoort. Hierdie belasting word deur die betrokke besproeiingsraad of ander statutêre liggaam verhaal binne dertig (30) dae na die sluiting van daardie besproeiingsraad of ander statutêre liggaam se boekjaar en aan die Direkteur-generaal: Waterwese en Bosbou oorbetaal.

- (c) Met ingang van 1 Julie 2000, twee komma agt ses sent (2,86c) per kubieke meter ten opsigte van gemete water wat vir ander doeleindes as die besproeiing van grond uit 'n Staatswaterwerk verskaf of beskikbaar gestel word: Met dien verstande dat waar aan 'n bepaalde verbruiker 'n gratis toewysing uit 'n Staatswaterwerk gemaak is, genoemde vordering nie op daardie toewysing van toepassing is nie deurdadig dat geag word water te wees wat deur die betrokke verbruiker uit eie bronne voorsien is. Hierdie vordering word deur die Direkteur-generaal: Waterwese en Bosbou verhaal, gelyktydig met enige vordering wat ek kragtens artikel 57 van genoemde Nasionale Waterwet hef ten opsigte van die verskaffing van sodanige water vanaf genoemde datum, of is op aanvraag aan hom betaalbaar.
- (d) Met ingang van 1 Julie 2000, twee komma agt ses sent (2,86c) per kubieke meter ten opsigte van die hoeveelheid water verskaf of beskikbaar gestel vir gebruik vir stedelike, nywerheids- of huishoudelike doeleindes deur 'n statutêre liggaam of 'n waterbestuursinstelling ingestel kragtens die Nasionale Waterwet, of deur 'n waterdienste-instelling soos omskryf in die Wet op Waterdienste, 1997 (Wet No. 108 van 1997). Met dien verstande dat daar van die totale hoeveelheid water wat ná 1 Julie 2000 verskaf of beskikbaar gestel word deur een van bogenoemde verskaffers, die hoeveelheid water afgetrek moet word wat verskaf of beskikbaar gestel is uit 'n Staatswaterwerk soos bedoel in paragraaf 1(c) en die hoeveelheid water wat ná daardie datum van enige ander bogenoemde verskaffers verkry is ten opsigte waarvan die vordering in paragraaf 1(c) en (d) bedoel, reeds betaal is. Die betrokke verskaffer moet toesien dat die totale bedrag betaalbaar ingevolge hierdie paragraaf ten opsigte van water verskaf of beskikbaar gestel, die Direkteur-generaal: Waterwese en Bosbou, Privaat Sak X313, Pretoria, 0001, of sodanige ander kantore as waarop ooreengekom is, soos volg bereik:
- (aa) Ten opsigte van die tydperk 1 Julie tot 31 Desember van elke jaar, voor of op 31 Maart van die daaropvolgende jaar; en
- (bb) ten opsigte van die tydperk 1 Januarie tot 30 Junie van elke jaar, voor of op 30 September van dieselfde jaar.

Die geouditeerde state voorgeskryf kragtens artikel 11(3)(b) van genoemde Waternavorsingswet, moet so gou moontlik nadat die betaling genoem in paragraaf 1(d) gedoen is, voorgelê word.

2. Indien sodanige belastings en vorderings na die betaaldag in die geheel of gedeeltelik nog onbetaald is, word rente op die onbetaalde bedrag gehef teen die standaardrentekoers wat op daardie datum kragtens artikel 26(1) van die Skatkiswet, 1975 (Wet No. 66 van 1975), van toepassing is op lenings wat uit die Staatsinkomstefonds deur die Staat toegestaan word.

## **THE APPLICANT**

The applicant is the Board on Tariffs and Trade (the Board).

## **BACKGROUND**

At the time of the original investigation into the alleged dumping of stainless steel hollowware originating in or imported from the People's Republic of China, Hong Kong, Korea and Taiwan, it was the Board's policy to take information submitted by importers into account for purposes of the determination of a price disadvantage, although the exporter concerned did not cooperate with the investigation. Individual anti-dumping duties were therefore calculated and imposed on imports of the subject products, as indicated above. This resulted in low or no duties for certain importers, with the unintended creation of certain distortions in the competitive position of firms importing from the same exporters.

Since early 1999, the Board decided that it will calculate anti-dumping duties only for individual exporters, not for particular importers, in line with international practise and to avoid circumvention. It will moreover only calculate a price disadvantage in the event that both the exporter and the importer cooperate in an investigation, as it is necessary to have the information of both parties to properly determine the price disadvantage. It will not calculate separate price disadvantages for different importers. Imports of the subject products manufactured by a non-cooperating exporter, will therefore be subject to the residual anti-dumping duty, which is usually calculated on the best information available.

Owing to the disruption in the market caused by the separate anti-dumping duties calculated for importers, and the resulting inequity, and taking the policy change into account, the Board has decided to review the anti-dumping duties in those instances where the current anti-dumping duty refers to a specific importer.

## **THE PRODUCT**

The product that forms the subject of the review is stainless steel hollowware, classifiable under tariff subheading 7323.93.20 and 7323.93.90, originating in or imported from the People's Republic of China, Hong Kong, Korea and Taiwan.

## **PERIOD OF INVESTIGATION**

The period of investigation for dumping will be the twelve month period prior to the publication of this notice. There is no intention at this stage to review the injury analysis as set out in Report No. 3864.

## **PROCEDURAL FRAMEWORK**

The Board will conduct its investigation in accordance with the Board on Tariffs and Trade Act, 1986, (the BTT Act) and the World Trade Organisation Agreement on Implementation of Article VI of the GATT 1994 (the Anti-Dumping Agreement). A copy of the Anti-Dumping Agreement is available from the Board's office on request

In order to obtain the information it deems necessary for its investigation, the Board will send review questionnaires to relevant importers and exporters of the subject products. The trade representatives of the exporting countries have been notified. Importers, exporters and interested parties are invited to contact the Board as soon as possible in order to determine whether they have been listed and sent a questionnaire. If not, they should request a copy of the questionnaire as soon as possible. The questionnaire has to be completed, and any other representations must be made, within the time limit set out below. In the light of the abovementioned policy of the Board, importers should ensure that exporters fully co-operate and complete the relevant questionnaires.

## **CONFIDENTIAL INFORMATION**

Please note that if any information is considered to be confidential then a non-confidential version of the information must be submitted for the public file, simultaneously with the confidential version. In submitting a non-confidential version the following rules are strictly applicable and parties must indicate:

- Where confidential information has been omitted and the nature of such information;
- Reasons for such confidentiality;
- A summary of the confidential information which permits a reasonable

understanding of the substance of the confidential information; and  
In exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.

This rule applies to all parties and to all correspondence with and submissions to the Board, which unless indicated to be confidential and filed together with a non-confidential version, will be placed on the public file and be made available to other interested parties.

If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the Board in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due). Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.

### **ADDRESS**

The responses to the questionnaires and any other information regarding this matter must be submitted in writing to the following address:

#### **Physical address**

The Director : Dumping Investigations  
Room 1601  
Fedlife Building  
Corner of Church and Prinsloo Streets  
PRETORIA  
SOUTH AFRICA

#### **Postal address**

The Director : Dumping Investigations  
Private Bag X753  
PRETORIA

SOUTH AFRICA

### **PROCEDURES AND TIME LIMITS**

All responses, including non-confidential copies of the responses, should be received

by the Director: Dumping Investigations not later than 30 days from the date hereof or from the date on which the letter accompanying the above-mentioned review questionnaire was received. The said letter shall be deemed to have been received seven days after the day of its dispatch.

Late submissions will not be accepted except with the prior written consent of the Board. The Board will give due consideration to written requests for an extension of not more than 14 days on good cause shown (properly motivated and substantiated), if received prior to the expiry of the original 30-day period. Merely citing insufficient time is not an acceptable reason for extension.

The information submitted by any party may need to be verified by the investigating officers in order for the Board to take such information into consideration. The Board may verify the information at the premises of the party submitting the information, within a short period after the submission of the information to the Board. Parties should therefore ensure that the information submitted will subsequently be available for verification. It is planned to do the verification of the information submitted by the exporters within three to five weeks subsequent to submission of the information. This period will only be extended if it is not feasible for the Board to do it within this time period or upon good cause shown, and with the prior written consent of the Board, which should be requested at the time of the submission. (It should be noted that unavailability of or inconvenience to consultants will not be considered to be good cause). Parties should also ensure when they engage consultants that they will be available at the requisite times, to ensure compliance with the above time frames. Parties should also ensure that all the information requested in the applicable questionnaire is provided in the specified detail and format. The questionnaires are designed to ensure that the Board is provided with all the information required to make a determination in accordance with the rules of the Anti-Dumping Agreement. The Board may therefore refuse to verify information that is incomplete or does not comply with the format in the questionnaire, unless the Board has agreed in writing to a deviation from the required format. (A failure to submit an adequate non-confidential version of the response that complies with the rules set out above under the heading "Confidential Information" will be regarded as an incomplete submission.)

Parties who experience difficulty in furnishing the information required, or submitting in the format required, are therefore urged to make written applications to the Board at an early stage for permission to deviate from the questionnaire or provide the information in an alternative format that can satisfy the Board's requirements. The Board will give due consideration to such a request on good cause shown.

Oral representations to the Board by exporters of the product concerned may also be made on written request to the Board at least seven days prior to the expiry date of the original 30 days period to respond and by prior arrangement with the Directorate. Such oral representations must be made within the same period as the written representations, unless prior written consent of the Board has been obtained for the oral representations to be made at a later date, which shall in any event not be later than 14 days after the written representations have been submitted. Oral representations will be limited to one hour for exporters and thirty minutes for importers.

If the required information and arguments are not received in a satisfactory form within the time limit specified above, or if verification of the information cannot take place, the Board may disregard the information submitted and make provisional or final findings on the basis of the facts available to it.

**Enquiries may be directed to the investigating officer, Mr Greg Kuhn at telephone (012) 310610 or at fax (012) 322 3279.**
