NOTICE 69 OF 2002

BOARD ON TARIFFS AND TRADE

TERMINATION OF THE REVIEW OF THE ANTI-DUMPING DUTIES ON CALCIUM PROPIONATE ORIGINATING IN OR IMPORTED FROM THE UNITED STATES OF AMERICA AND CANADA

In accordance with the provisions of article 11.3, read together with article 18.3.2 of the World Trade Organisation Agreement on Implementation of article VI of the General Agreement on Tariffs and Trade, 1994, any definitive anti-dumping duty shall be terminated on a date not later than five years from the date of entry into force of the said Agreement, unless the authorities determine, in a review initiated before that date, that the expiry of the duty would be likely to lead to continuation or recurrence of dumping and injury.

On 6 July 2001 the Board on Tariffs and Trade (the Board) initiated a review of the anti-dumping duties on the following product:

Tariff Subheading	Description	Imported or originating in	Duty
2915.50	Calcium propionate.....	Canada..... United States of America	58c/kg 58c/kg

It was stated in the Board's letter to the SACU manufacturer that "failure by manufactures of a particular product to submit such information or sufficient information, will result in a termination of the investigation in respect of that product and the termination of the investigation in respect of that product and the termination of the duty".

No response, in respect of the duty on products originating in or imported from the United States of America and Canada, was received from the manufacturer of the subject product in the SACU area.

The Board therefore recommended to the Minister of Trade and Industry that the review investigation of the anti-dumping duties on the subject product originating in or imported from the United States of America and Canada, be terminated, and the current anti-dumping duties be withdrawn. The recommendation was approved by the Minister of Trade and Industry and the Minister of Finance has been requested to terminate the duties.

Enquiries may be directed to Ms M. Wagner at telephone (012) 428-7729 or Mr E. Tema at telephone (012) 428-7725 or at fax (012) 428-7736.
