**NOTICE 248 OF 2002****BOARD ON TARIFFS AND TRADE****NOTICE OF FINAL DETERMINATION OF THE REVIEW OF THE ANTI-DUMPING DUTIES ON WOVEN FABRICS OF POLYESTER STAPLE FIBRES, MIXED MAINLY OR SOLELY WITH COTTON, ORIGINATING IN AND/OR EXPORTED FROM THE PEOPLE'S REPUBLIC OF CHINA**

The Board on Tariffs and Trade (the Board) gave public notice of the initiation of a review of the anti-dumping duty on woven fabrics of polyester staple fibres, mixed mainly or solely with cotton, originating in and/or exported from the People's Republic of China (PRC), through Notice No.2703, in Government Gazette No. 20711 dated 17 December 1999.

On 10 August 2000, the Board decided that the manufacturers of woven fabrics of polyester staple fibres, mixed mainly or solely with cotton in the South African Customs Union (SACU) submitted prima facie information to indicate that the expiry of the duty would be likely to lead to continuation or recurrence of dumping and material injury.

On 30 July 2001, the Board made a preliminary decision to recommend that the existing anti-dumping duties be maintained.

On 16 August 2001, the Board informed interested parties of its intended recommendation. In terms of Article 6.9 of the Anti-Dumping Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade, parties were informed of the "essential facts" as set out in the letter of notification, that would be considered by the Board in making its final determination.

On the basis of this information and other submissions made by interested parties, the Board, on 12 September 2001, made a final determination that the expiry of the anti-dumping duty would be likely to lead to continuation or recurrence of dumping and material injury.

The Board therefore recommended to the Minister of Trade and Industry that the anti-dumping duties as set out in the following table, be maintained:

| Tariff Subheading | Description                                                                                                                                                                                                                                                                                                                                                                                                                  | Imported from or Originating in | Anti-dumping Duty |

## NOTICE 249 OF 2002

**BOARD ON TARIFFS AND TRADE****NOTICE OF FINAL DETERMINATION: REVIEW OF THE ANTI-DUMPING DUTIES ON POLYTETRAFLUOROETHYLENE (PTFE) TAPE ORIGINATING IN OR IMPORTED FROM THE PEOPLE'S REPUBLIC OF CHINA**

In accordance with the provisions in Article 11.3 of the World Trade Organisation Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade, any definitive anti-dumping duty shall be terminated on a date not later than five years from its imposition, unless the authorities determine, in a review initiated before that date on their own initiative or upon a duly substantiated request made by or on behalf of the domestic industry within a reasonable period of time prior to that date, that the expiry of the duty would be likely to lead to continuation or recurrence of dumping and injury.

On 6 July 2001, the Board formally initiated a review of the anti-dumping duties on polytetrafluoroethylene (PTFE) tape originating in or imported from the PRC, through Notice No. 1610 of *Government Gazette* No. 22423.

After considering comments from the interested parties submitted to the Board in respect of this review investigation, the Board made a final determination that the expiry of the duty was likely to lead to continuation or recurrence of dumping and material injury.

The Board therefore recommended to the Minister of Trade and Industry that the anti-dumping duties on PTFE tape originating in or imported from the PRC be maintained. The Board's recommendation was approved by the Minister of Trade and Industry.

Details of the Board's decision and reasons therefore are contained in the Board's Report No. 4140.

**Enquiries may be directed to the investigating officers, Mrs M Wagner at telephone (012) 428-7729 and Mr J Böning at (012) 428-7732.**
